RECIPES for CHEERFUL Breakfasts. A morning appetite is easily discouraged. There are times when cold toast or charred toast is almost a tragedy. That's why people are turning to toast made electrically, right at the table where it can be watched and served piping hot at exactly the right moment. A Westinghouse Turnover Toaster brings every convenience of electric toasting to your breakfast table. It takes a full sized slice of bread in each rack; it toasts quickly and evenly; lowering and raising the rack turns the slice for toasting the other side. No trips to the kitchen; no fuss or bother. It's truly a recipe for cheerful breakfasts. \$6.00 Westinghouse Turnover Toaster. The Aristocrat of the Breakfast Table. Telephone us your order and we will deliver your toaster at once.
