The expression, "hitting on all four," seems to be getting rather out of date.

The Ford joke is passing with the introduction of the new Ford. The old Ford, the Henry, was always the butt of jokes. It was talked about derisively by the wealthy, apologetically by the would-be rich, but affectionately by its many friends.

Don't be a clutch driver, say those who know its bad effects. Put on the brake first then if you have to stop throw out the clutch.

The demand for the Dodge Brothers Victory Six has forced the Detroit factory to expand, says a report, and dealers all over the United States report a lively demand for this remarkable car.

The safety factor has been greatly increased by lowering the center of gravity in the newer models of cars. This feature, with smaller wheels, balloon tires and four-wheel brakes makes for greater safety along with greater speed and ease of handling safety.
