E. M. Ward, manager of the 20th Century grocery, has made arrangements for a tonsil operation which will take place Sunday morning at Portland sanitarium.

Donna Bee Chalker, two-year-old daughter of Mr. and Mrs. Fred Chalker, sustained a fracture of the left arm Tuesday evening while at play.

Mrs. Mary McAllister has returned from a two-weeks' course of treatment at St. Martin's hot springs. She cannot say too much in favor of the excellent service afforded there and of the benefit she received from the treatments.

Mr. Hunner whose home is in Wisconsin, but who had been visiting at Milwaukie, Oregon, was in Gresham several times recently where he had some repairs made on his Dodge Brothers automobile. He expressed himself as much pleased with this part of the country.

Stanley Sture, son of Dr. and Mrs. J. G. Sture, was surprised with a delightful Easter party Wednesday on the occasion of his seventh birthday. Rabbits, chickens and a lily pond made up the table centerpiece in green and yellow.

An Easter hunt and various games were enjoyed during the afternoon, after which a beautiful birthday cake and other refreshments were served. Those present were Bobby Raker, Maryette Hamlin, Jean and Marjorie Gray, Bobby and Lenore Inglis, Janet Johnson, Bobby Jennings, La Verne and Kenneth Palmblad and Stanley and Vernon Sture.

Dr. and Mrs. Carl Severson of Arlington, Oregon, were the guests Monday and Tuesday of Dr. and Mrs. J. G. Sture.

The regular sewing meeting of the American Legion auxiliary will be held at the home of Mrs. Fred Hoss on Tuesday, April 10. At that time they expect to finish a layette for the child welfare bureau. It is desired that there be a good attendance at this meeting.

The student body of the high school was treated to something out of the usual in a musical line at the Tuesday noon assembly when little Miss Geneva Evelyn Ide, aged six, rendered four piano selections. This was her first public appearance, but stage fright does not seem to be a part of her make-up, as she announced the names of her numbers and played them perfectly. She has twice played over KEX radio station, the first time when but five years old. Geneva is the daughter of Mr. and Mrs. J. H. Ide, living west of Gresham.

Mr. and Mrs. Oscar Hadley and family, who have been occupying a house of E. M. Camp during the winter, have moved from Gresham to their acreage near Damascus. Mr. and Mrs. Hadley are employed at the pickle factory.

The Areme club will meet at the home of Mrs. H. V. Adix on Monday afternoon, April 9. The hostess will be assisted by Mrs. B. W. Thorne and Mrs. Ed Shelton. All ladies of the O. E. S. are invited to attend.

The Gresham grange is making an effort to have 100 per cent registration in its voting membership. Arrangements have been made with Ross Brown to be present at the regular meeting on April 17 between the hours of 1 and 2 o'clock to register voters. No charge is attached to the registration and the public is invited to take advantage of the opportunity. This patriotic action of the grange is indeed a commendable one.

Mr. and Mrs. A. B. Otto have moved into Mrs. E. M. Camp's house on Lawrence avenue.

Miss Ann Anderson, a teacher in Loneview, Washington, public schools and formerly of Westhope, North Dakota, is spending the Easter vacation with Miss Amy Cooper. They were formerly teachers in the same school in North Dakota.

Mr. and Mrs. E. H. Kelly and children, Vernon, Lois and Gordon, drove to Castle Rock, Washington, on Tuesday where they attended the funeral of Mrs. Kelly's father, J. W. Studebaker, who died Monday, near the age of 78 years, from a sudden attack of heart disease. The deceased was a prominent pioneer resident of Cowlitz county, actively engaged in civic and public affairs until within the past few years. Mrs. Kelly is one of six surviving children. Mr. Studebaker has visited his daughter and family in Gresham many times.

Mrs. W. L. Gorsage successfully underwent an operation Thursday morning at the Portland sanitarium for the removal of a toxic goiter, from which she has been troubled for a number of years. Her condition is considered very favorable.
