

Co-operatives on Tour Visit Cannery and Lunch Here Wednesday Noon

A party of visiting members of the American Institute of Co-operation visited Gresham Wednesday. This tour was conducted by the Oregon Co-operative council of which E. J. Dixon, manager of the Pacific Co-operative Poultry Producers, is president.

Monday forenoon the co-operative associations of Eugene and the University of Oregon were visited after which the party went to Corvallis for lunch. From there they went to Tillamook where they were treated to a sea-food banquet that evening.

Tuesday the party took a trip through the Tillamook dairy country and visited several of the largest cheese factories. The next stop was at McMinnville for lunch and from there they went to the Dundee plant of the North Pacific Nut Growers association, which is the largest plant of its kind outside of California.

Wednesday after visiting the headquarters of the Pacific Co-operative Wool Growers, the Pacific Co-operative Poultry Producers and the North Pacific Co-operative Prune exchange the party proceeded to Gresham where they were guests of the Berry Growers Packing company, of which Clyde T. Ryan is president.

The party was taken to points of interest about Gresham, the principal one being the cannery. It was noted that the barrels of berries held a special attraction for the visitors and one sample kept calling for another. After this there was a short program of talks given in the auditorium of the grade school.

Mayor Charles Cleveland on behalf of Gresham extended all a very hearty and cordial welcome. D. E. Towle, manager of the Berry Growers Packing company, told of the small beginning of this company ten years ago, some of the obstacles that have been overcome and of the measure of success that has been attained.

Those attending are asked to bring a basket dinner and necessary dishes. Coffee will be furnished. The Pomona Home Economics committee has charge of the arrangements.

Casey's Rheumatic Remedy. Casey's rheumatism and neuritis remedy drives out the uric acid poison of rheumatism, neuritis, lumbago, asthma, hay fever, gout, dropsy and pleurisy and reduces pain and swelling through direct action on the stomach, liver and kidneys; \$1.50 a bottle. Guaranteed by Taber Pharmacy.—Adv.

rasberries were featured, which was served to about 150 at the Baptist church at 12:30.

During the luncheon each person introduced the neighbor on the right and it was then learned that the following states and foreign countries were represented: Wisconsin, California, Florida, Oklahoma, Maryland, Massachusetts, Ohio, Washington, Mississippi, Arkansas, Washington, D. C., England and Porto Rico. R. G. Wagner of the University of Porto Rico told of the organization of the coffee growers of the island in 1922, also of the many fruits grown there, adding, however, that the million and a half of natives subsist chiefly on rice and beans considering fruits and vegetables fit only for the Americans.

Fred Lockley of the Portland Journal declared that in all Oregon there is not a cleaner and better paper than the Gresham Outlook and that residents of eastern Multnomah should be proud of their paper. At the conclusion of the luncheon Mrs. T. C. Millar gave a reading, "Betty at the Baseball Game" and A. B. Carlson gave one in Swedish dialect. These numbers were well received. Mr. and Mrs. E. E. Welling, who had charge of preparing and serving the luncheon, were introduced and given a rising vote of thanks.

After a short recess the caravan left over the Columbia River highway for the Columbia Gorge hotel where they had supper and spent the night. Thursday they visited Cloud Cap Inn, made a tour through the orchards of Hood River valley, returning over the Mount Hood Loop highway to Portland and going on to Tacoma for a tour of Washington.

GRANGES OF COUNTY TO HOLD PICNIC

Attention is again called to the annual grange picnic at Laurelhurst park, August 9 at 11 a. m. given under the auspices of the Home Economics committees of Multnomah county. All grange members and their friends are cordially invited to be present and enjoy the day.

Representative Franklin F. Korell will be the speaker. R. H. Reed of Lents grange will have charge of the community singing and each grange will furnish a number for the program.

Those attending are asked to bring a basket dinner and necessary dishes. Coffee will be furnished. The Pomona Home Economics committee has charge of the arrangements.

OUTLOOK PICNIC IS ENJOYABLE EVENT

The annual picnic of the Outlook force took place Wednesday when a few hours were taken, following the strenuous events of the past week, and a delightful recreational period enjoyed along the banks of Eagle creek on the Columbia River highway. Although the weather could not be described as picnic weather, being a little too cool to enjoy sitting around under the bountiful shade provided at the Eagle Creek camp ground, the afternoon proved extremely pleasant.

The party of 18 stopped at the Bonneville fish hatcheries to admire the handsome rainbow trout which make their home in the waters there. A few minutes' drive then brought them to the beautiful camping grounds at Eagle Creek. Here every convenience was found for the comfort of the tourist or others,—stoves, tables, seats, etc. An abundance of pure mountain water is piped to the grounds.

No picnic is complete without a picnic dinner, so all efforts were first directed to that important diversion. The old adage seemed true enough Wednesday that watch-dog pot never boils. At last, however, the coffee was declared just right, and a hungry party did justice to the good things which had been provided. There is something about a picnic dinner that seems to be different than any other. It may be the fact that the open air and change of scenery has whetted the appetite to just the proper degree to enjoy food, but never does a repast seem as acceptable as under these outdoor conditions.

The most interesting part of the afternoon to nine of the crowd was a 2 1/2-mile hike up Eagle creek to the punch bowl. Words fail to describe the beauties of this gradual ascent along the banks of the picturesque stream. From the level of the creek the climb is made to a dizzying height of near a thousand feet. Across the canyon the view is superb. High cliffs with a heavy growth of trees and verdure seem to meet the sky. The trail itself is a narrow one in places, and one must look well to the foothold when gazing at these wonders of nature to avoid a disastrous fall to the rocks below. The stream from the greatest height is clear as crystal and scarcely appears to be moving at all.

When the punch bowl was finally reached, everyone felt that the effort made had not been wasted. A natural rock formation enclosed the eddying waters of a fall. Nature apparently has done her best for this quiet beauty spot which must be seen to be appreciated. This is on the direct trail to Wahtum lake.

The party enjoying the outing of Wednesday was composed of Mr. and Mrs. H. L. St. Clair, Mr. and Mrs. Chase St. Clair, Mr. and Mrs. Leslie St. Clair and children Leslie Jr. and Betty Ruth, Miss Emma B. Johnson, Miss Evelyn Metzger, Mrs. Mary Welch, Mr. and Mrs. Benj. H. Davies, Mrs. Raymond Rogers of Portland, Miss Margaret St. Clair, Mrs. Elsie Cogswell, Miss Sadie Dotson and W. W. Williams.

Through the courtesy of the Fieldhouse-Shearer Chevrolet company the Outlook party was given the use of a comfortable Chevrolet sedan in which some of the party made the trip to and from Eagle Creek.

EPHRAIM DEWEY SHOT; SUSPECT IS ARRESTED

Ephraim Dewey, 60, for more than 30 years an employe of the Oregonian, was shot Wednesday while seated at his dinner table peeling a peach. The dastardly act, thought to have been committed by Rex Mead, 16, a boy of none too strong mental caliber whom Dewey had befriended, was committed at the small ranch owned by the Portland man on the Rockwood road about a quarter mile south of the Base Line.

The body was discovered early yesterday morning when search was made for young Mead, who is known to be a ward of the juvenile court. The boy was last seen on the place Wednesday morning. The fact has now been established that a boy answering his description attempted to sell Dewey's automobile at Salem late Wednesday. The automobile has been missing since the murder. It is known the lad was aware that his employer had currency on the premises as he had paid off a workman a day previously in the boy's presence.

Mr. Dewey made a companion out of the boy in the hope of leading him to become of better character. Only Tuesday they had returned from a trip to the beach, and on many occasions they had hunted and fished together.

Attempt of the lad to dispose of the stolen automobile at Salem led to investigation which in turn disclosed the murder. The widow was notified of the act and was taken by friends to the scene of the homicide.

Mr. Dewey was more or less known to residents of Gresham and vicinity. He was a brother of Mrs. Omar Klum, a former resident here, and of Mrs. Maggie Ulm, who died several years ago.

A late report says that the boy has been apprehended at Reedsport on the coast in Douglass county.

Church Services

"DOORS" WILL BE TOPIC OF SERMON

The Rev. Adelaide D. Huntley of Oswego, Oregon, will speak Sunday morning at 11 o'clock at the Baptist church from the theme, "Doors." Mrs. Huntley has been heard here on previous occasions with much interest. Bible school will convene at 9:45. All are invited to be present.

FREE METHODISTS TO RESUME SERVICES

Regular preaching services will be resumed at the Free Methodist church Sunday morning at 11 o'clock with preaching by the Rev. B. J. Yates who has been returned by the recent conference to the pastorate at Gresham.

Sunday school will be held at 10 o'clock. The regular mid-week prayer meeting will be held Thursday evening. The monthly business meeting will take place at the church Tuesday evening.

METHODIST CHURCH ANNOUNCES SERVICES

The sermon for Sunday morning at the Methodist church will be preached by the pastor, the Rev. H. V. Wilhelm, the title being, "The Land of Beginning Again." That for the evening is entitled, "Where Is Paradise?"

All services are held in the grade school building during the re-building of the church. The Sunday school is comfortably housed in separate rooms while the church services are held in the auditorium.

EXPLANATION.

The following notice was published in some of the Portland newspapers during the annual conference of the Free Methodist church just held in the city of Portland.

ATTENTION

To Whom It May Concern: This is to certify that S. F. Pitts and D. B. Wientz of Gresham, Oregon, formerly ministers of the Free Methodist church, and at present pastors of the Undenominational temple at Gresham, Oregon, are no longer in any way connected with the said Free Methodist church. Their ordination papers have been forfeited and are hereby declared null and void.

Done by order of the annual conference of the Free Methodist church in session at Portland, Oregon, July 21, 1928. (Signed) A. D. ZAHNISEL, President, W. N. COFFEE, Secretary.

The above was the only action taken in the conference relative to the persons therein named, and other articles which appeared in said papers relative to it, were the work of reporters without the authority of the conference. (Signed) J. T. TAYLOR, District Elder, Portland District.

Poolroom Ordinance Arouses Resentment

Limiting Gresham to one poolroom until the city attains a population of 3000 as shown by a federal census, is the object of an ordinance passed as an emergency measure by four councilmen at Wednesday night's regular meeting.

But Mayor Cleveland refused to sign it, so the matter will have to rest status quo until another council meeting passes the ordinance over the mayor's veto or so alters it that he will approve.

In the meantime a remonstrance is being circulated and apparently will show strong opposition to the plan and purpose of the ordinance.

Apparently very few knew that the ordinance was to be presented. Only four councilmen were present. They were, Akin, Botkin, Metzger, Thorne. Howitt and Raker were absent.

The title of the ordinance is as follows: "An ordinance fixing the number of card rooms, billiard rooms or pool rooms, or card, billiard and pool rooms to be licensed in the city of Gresham and declaring an emergency."

The ordinance reads thus: Sec. 1. All persons holding licenses heretofore granted and issued for the year 1928 for the keeping of a card room, billiard room or pool room within the city of Gresham are hereby granted the right to renew said licenses for the year 1928 and annually thereafter, unless revoked by the council. Hereafter no new license, (other than a renewal or re-issuance of a license now issued) for the keeping of a card room, billiard room or pool room, or card, billiard and pool room shall be granted until the population of the city of Gresham, as ascertained by the last preceding federal census, shall exceed 3000 inhabitants.

Sec. 2. After the population of the city of Gresham as ascertained by the last preceding federal census shall exceed 3000 inhabitants and until it shall exceed 5000 inhabitants, only one additional of such licenses shall be issued; and after the population of the city of Gresham, so determined as aforesaid, shall exceed 5000 inhabitants only one additional license shall be issued for each 2500 inhabitants.

Sec. 3. For the purpose of determining the number of licenses to be issued as herein provided, all card rooms, billiard rooms or pool rooms, or card, billiard and pool rooms, shall be classified as card-rooms, and the issuance of a license as herein provided for the operation of a cardroom only shall preclude the issuance of an additional license for the operation of a billiard room or pool room only, and the issuance of a license for a billiard room or pool room only shall have the like effect as precluding the issuance of an additional license for the operation of a cardroom only.

Sec. 4. In the event the licensee is convicted of a violation of the provisions of this ordinance, or of any ordinance of the city of Gresham relating to the business licensed, or of any offense against the ordinances of the city of Gresham or any state or federal statute, permitted on the premises, or in connection with the business licensed, of a nature tending to render said licensee a menace to the health, safety, morals or general welfare of the public, or in the event that he sells all or part of his card room, pool room or billiard room business without surrendering his license to the city, such failure upon the part of any applicant for a license as herein provided to strictly comply with the provisions of this section, shall ipso facto cause a cancellation of an application for a license as provided herein.

Sec. 5. That all ordinances or parts of ordinances in conflict herewith, be and the same are hereby repealed.

Sec. 6. Inasmuch as this ordinance is necessary for the immediate preservation of the public health, peace and safety of the city of Gresham, in this.

That the present regulations, covering the issuance of cardroom, billiard room and pool room licenses, are inadequate.

Therefore, an emergency is declared to exist, and this ordinance shall be in force and effect from and after its passage by the council and approval by the mayor.
