Improvements Made to Rural Church

Great interest is being taken in the improved appearance and comfort of the auditorium resulting from the installation of new seats in the Pleasant Home M. E. church, which work was accomplished Tuesday when some 27 men and women spent the day at the task. The men of the group turned carpenter for the day under the direction of Alfred Sloop. The women prepared and served a fine chicken dinner at noon, and in addition to this service, thoroughly cleaned the wood work and windows of the building. Other building improvements are to follow during the fall and winter.

The Fourth Quarterly Conference of the Methodist church was conducted Wednesday by Dr. A. S. Hisey, superintendent of the Eastern District of the Oregon Conference. The conference was well attended and enjoyed by those present. The reports presented for the Pleasant Home and Boring charges showed pleasing results of the year's efforts. Dr. Hisey was the overnight guest of the Rev. and Mrs. O. J. Gill.

The usual services at the Methodist church will be held Sunday. Sunday school at 10 o'clock, church service at 11:15, Epworth League at 7:45 p. m. The League will be led by Harold Bartsch. A cordial invitation is extended to all.

The regular bi-monthly meeting of the Methodist Ladies Aid will be held at the home of Mrs. Alonzo Radford, Wednesday afternoon beginning at 2 o'clock. Mrs. Joe Caldo will assist the hostess in serving a silver tea during the afternoon. This is to be an important meeting, therefore the officers urge a good attendance.
