

REGISTRATION BOOKS
ARE OPEN FOR VOTERS

With the general election approaching and all interests working toward bringing out the heaviest vote possible, it is expected that the next few weeks will mark heavy registration of citizens in this part of the county.

At least three places outside of Portland are designated by the county clerk as registration places—Ross Brown, Telephone building, Main street, Gresham; J. S. Hudson, postoffice, Troutdale and Bridal Veil.

The books will close on the evening of October 6 and there will be no other opportunity for citizens to register, as registration at the polls is no longer permitted.

QUALITY AT LOW COST

The new Buick
is the new Style

More than handsome... more than luxurious... a wonderful new type of motor car beauty... a thrilling turning point in body design

It will be imitated, of course! The new, the fine and the beautiful always inspire emulation. But so great is the cost of building the magnificent new Fisher bodies for the Silver Anniversary Buick that imitation will be possible only to much costlier cars, and even these will find difficulty in following where Buick leads!

But it is not in the matchless grace and beauty of exterior design alone that the Silver Anniversary Buick eclipses other cars. In fleet, powerful performance too, the world holds no equal for the Silver Anniversary Buick with Masterpiece Bodies by Fisher. And the motor-public, buying in such tremendous volume as to force the great Buick factories to work day and night to supply the demand, is elevating it to the prominence of a vogue!
