Church Plans for Winter Campaign

All former members of the junior choir of the Methodist Episcopal church and all who wish to become members of the choir, which is composed of grade school boys and girls, are invited to meet at the parsonage Saturday, September 15, for their first rehearsal and social time of the season. The parsonage folk plan to make this an interesting event.

There will be an important session of the Epworth League at the Methodist church next Sunday evening. A business meeting will be conducted at the close of the service for the purpose of electing officers to fill three vacancies in the cabinet. The office of first vice president is being vacated by Barbara Walters because of her plan to enter the normal school the coming term. The office of second vice president is without an officer because of the absence of Lilly Rybneck who is away. The fourth department is left without a head through the resignation of Mrs. Harry Carlson who finds her home duties interfering with her duties as fourth vice president. The president, Joe Drew, urges a full attendance at this meeting.

The young people of the Methodist church have plans under way for an old fashioned box social and have chosen the date of September 28, for the event. The girls of the community are to bring the boxes which are to be sold by auction to the highest bidder. It is planned to have Harry Bickford act as auctioneer. A program of stunts and games is being prepared by the League president and the pastor. The proceeds of this event are to be applied on the piano debt.
