

An old hen should be always happy in view of the fact that her son never sets.

The race is getting healthier, it is said—but not the race to beat the train.

The new Buick is the New Style

Graceful contours instead of straight lines—the gleam and sparkle of brilliant colors and chrome plating instead of drab effects... the most beautiful bodies ever built... Buick's masterpiece bodies by Fisher

At a time when motor car beauty was practically standardized—when imitation was the vogue—when there was a glaring lack of originality in body design—Buick has swept far beyond the commonplace and achieved a style which the entire country is acclaiming as the most distinctive and beautiful ever shown!

Fisher, the world's foremost builder of automobile bodies, has cooperated with Buick, the world's foremost builder of fine cars, to create a new mode—a new fashion—and so luminous is the result and so eagerly is the public welcoming it that Buick's great factories have reached new production levels in an effort to keep pace with an ever increasing demand!

Inside and out, the new Buick bodies by Fisher are the most beautiful ever built. Together with the wonderful new standards of performance introduced by the Silver Anniversary Buick, they are winning the greatest demand and the greatest preference ever enjoyed by any fine car!

The new Buick is the new style! And by that is meant, not merely a new type of beauty—not merely a thrilling turning point in body design—but a great countrywide vogue!

Miss Pauletta Dowsett is taking a week's vacation from her duties at the store of the W. R. Hicks Co.

B. W. Telford filed suit recently for collection on a note of L. McLane in connection with a property transaction of four years ago. It was settled out of court by a compromise agreement.

Mr. and Mrs. Fred Hibbard have gone to Walla Walla, Wash., to spend a week's vacation.

Mrs. K. C. Roberts entertained at dinner Saturday Mrs. Hazel Eastman and her mother, Mrs. Miller, of Spokane.

Mrs. Minnie Brown and son Ross spent the Labor day week-end at Cottage Grove visiting Mrs. Brown's son and daughter-in-law, Mr. and Mrs. Charles Brown.

Mrs. J. H. Wood went to Portland yesterday to visit Mr. and Mrs. Wiley Wilson. She will also visit Mrs. Blanch Flower at Newberg, going from there the latter part of the week to Woodburn where she will visit Mr. and Mrs. A. S. Conrad.

C. M. Quicksall, principal of the Gresham grade school, who recently purchased a home on First street which is being remodeled, expects to occupy it with his family about the first of October.

"I put an 'ad' in your paper advertising my hens for sale. The ad was in the Wednesday issue. Thursday morning we sold them all. So please discontinue the ad. It is a good thing to advertise in the Outlook—it gets results." This is the experience recently reported by a subscriber and expresses the sentiment of those advertising in the Outlook.

Mrs. F. Volbrecht returned Sunday from a month's visit in California. She spent a week in San Diego and made a trip into Mexico.

She visited the various beach resorts and spent a week with her son and daughter-in-law, Mr. and Mrs. Arthur Volbrecht in Los Angeles. Also visited her son-in-law and daughter, Mr. and Mrs. George Studer of Los Angeles. She had a pleasant visit with the Rev. and Mrs. H. R. Gebhardt who formerly lived in Gresham where Rev. Gebhardt was pastor of the Zion Evangelical church. Mr. and Mrs. Gebhardt wish to be remembered to all former Gresham friends. At Long Beach she visited Emma, Margaret and Mary Peck, former residents of Gresham. Mrs. Volbrecht made the trip by stage, going down over the inland route and returning by the coast route. She had a very wonderful trip and enjoyed it thoroughly.

Mrs. Edgar H. Smith returned Saturday from the Portland Sanitarium, where she had been for a week taking treatment. She is much improved.

Mr. and Mrs. Joseph Munyon of Los Angeles left Sunday for their home after a five-week visit with Mrs. Munyon's uncle and aunt, Mr. and Mrs. L. P. Manning. They expect to visit in several towns along the way on their return trip. While here the guests and Mr. and Mrs. Manning enjoyed several trips, among them one to Rainier National Park, Vancouver and Victoria, B. C. They spent the week preceding Labor day at Netarts and other beaches. Mrs. Munyon spent last week visiting old friends in this vicinity who will remember her as Miss Ona Markley.

Sunday dinner guests of Mr. and Mrs. William Sales were their son-in-law and daughter, Mr. and Mrs. C. P. Stone and daughter Lucile Ann of Fairview. During the afternoon Mr. Stone attended the meeting of the Patron's club, Order of the Eastern Star, in Portland.

C. A. Carothers returned Friday from Medford where he has been picking pears.

A group of Bend people who have been visiting with Gresham relatives for nearly a week have returned to their homes. They were Mrs. Bert Roberts, her son-in-law and daughter, Mr. and Mrs. Richard Tracey, and her son, Howell Roberts, also a Mr. Anderson. Mrs. Bert Roberts is a cousin of K. C. Roberts and sister-in-law of Mrs. A. Ruegg.

Mrs. Milton O. Nelson is again at her home at Hope Gardens after an absence of several weeks, the most of the time spent in Portland. She will have friends with her during the winter. Mrs. Nelson has been appointed administratrix of the estate valued at \$10,000 of her late husband.

W. S. Everett has returned from a 2-day business trip with his truck to Rockaway beach.

The annual meeting of the W. C. T. U. will be held at the library Thursday afternoon at 2:30, at which time annual reports will be given and election of officers will be held. This is a most important meeting, according to the officers, and a full attendance is hoped for.

Get the moult over!

Eggs and feathers are made of practically the same elements. Hens can't make both at the same time. They don't lay until they stop moulting.

The whole key to more winter eggs is in your hands now.

Don't let your hens drag through the moult without help. If you do, they'll be run-down just when they should be in perfect condition for heavy winter laying.

Begin now to use Dr. LeGear's Poultry Prescription in their feed regularly. More than a million poultry raisers have proved that this famous tonic and regulator is a wonderful aid during moult. Because it improves the whole digestive system, hens get full value from their feed. That means a quicker moult, without strain. Give hens this help and get more winter eggs.

**Dr. LeGear's Poultry Prescription**

Prepared from my 28 years' poultry experience and veterinary practice. Sold by 44,000 dealers everywhere—never by peddlers. Go to your dealer today and get a package—results or money back.

"Ventilated" heat

1. Knowing how to build a furnace to fit the fuel and climatic conditions.
2. Careful design and manufacture.
3. Correct installation.

Three reasons that count for the thousands and thousands of satisfactory Montag furnace installations. The Montag furnace is backed by the full resources and financial strength of a local manufacturer for forty-five years in this field, learning how and doing right. It costs you nothing to enjoy the benefit of this practical knowledge. It costs least in the long run to enjoy the clean, "ventilated heat" and economy of a Montag warm air furnace.
