Many Seek County School Headship

The death by suicide of County School Superintendent W. C. Alderson last Monday leaves a vacancy on the election ticket for November 6 in this county. Mr. Alderson was the regular republican nominee.

A meeting of the republican precinct committeemen has been called by John Day, chairman, to make a nomination, the name to go on the ballot.

The meeting will be tomorrow night at Lincoln high school in Portland, commencing at 7 o'clock.

There are several men who are seeking the nomination, among them Principal Roy E. Cannon.

Of all the names to come before the committeemen on Saturday night it appears from a consideration of the men that Mr. Cannon is the most experienced and best qualified by education, experience and administrative ability for the office.

Whether the political backing of certain city candidates can be overcome in favor of a county man, however good his qualifications, remains to be seen. The few days' time for campaigning has been too short to permit the thorough canvass the situation deserves. It is said the candidates will be given a limited opportunity to present themselves but their supporters will have little or no opportunity to talk for them.

It is hoped the many friends of Mr. Cannon will give him their loyal support on the basis of his ability and his interest in the rural schools of the county.

SUNSHINE CLUB WILL GIVE PLAY

An interesting event of this coming week will be a three-act play, "The Mystery at Miss Mary's", to be given by the Sunshine club girls of Zion Evangelical church Wednesday evening, October 17, at 8 o'clock, in the grange hall.

This play is well named, as it is very mysterious and will hold the audience from beginning to end. The characters are as follows: Brother Bundy, a bachelor "overworked" and complaining about his janitor work, Virginia Brugger; Miss Jany Gray, the minister's charming sister, Grace Hoffmeister; Mrs. Milly Anderson, a complaining middle aged woman, Annie Mullenhoff; Bennie Anderson, Milly's son, an overgrown boy of 16 who stutters, Ise Schwedler; Miss Mary Ann Southers, a gentle American woman of 28 years, Marie Mullenhoff; three high school girls, Betty Thorne, Anna Brunner and Pearl Ruegg.

The scenery is laid in a church parlor in a small town a week before Thanksgiving. The action is rapid and one mystery unravels another.

Other numbers included in the program are a recitation by Helen Exley, and a vocal solo by Katherine Bratzel, and several musical selections given by the three Scheden sisters.

POWELL VALLEY

There will be the regular services Sunday at the Swedish Mission church. Sunday school will be held at 9:45 a. m., with a sermon for the children at 10:55 a. m. The service at 11:10 will be in Swedish. The pastor, Rev. Don Shogren, will take for his subject, "Not in Fear but in Faith." The evening service will be at 7:30 with a sermon delivered by Rev. G. N. Tegnell of Chicago.

Who's Best Cook in This Locality?

It probably wouldn't do for the Outlook to say—if it knew.

It may be safe, however, to say that on next week Thursday, Friday and Saturday it will be Miss Dorothy Hubbs, the expert demonstrator at the Outlook's electric free cooking school conducted under auspices of the P. E. P. company.

Anyway the Gresham grange hall will be the mecca for cooks and would-be cooks, experienced and inexperienced. None is so wise she cannot learn something new and better from a "professional," even if she only learns that she is right.

But there are modern methods, shortcuts, etc., that make cooking easier, more healthful, more artistic and tempting and, perhaps, more economical.

The opportunity offered by the instruction and demonstrations to be given next week, October 18, 19, 20, should be welcomed and used by the ladies of this vicinity.

ROCKWOOD GRANGE HAVE FAIR SATURDAY

The Rockwood grange fair will be Saturday afternoon, at the Rockwood hall on the Base Line road. An interesting program has been planned and attractive displays of farm produce will be arranged for exhibit. Governor Patterson will be one of the main speakers for the afternoon.

There will be an auction sale of a number of articles gathered this week by W. P. Landes, and later in the evening the farm products will be sold. Also there is to be a candy and popcorn sale and a fancy work display. Grange members and their friends are invited.

BUICK FORCES ENJOY MEETING WEDNESDAY

Eleven men belonging to the sales and shop forces of the W. W. Metzger Buick garages, in Gresham and Oregon City, held a jolly get-together meeting in the local show rooms Wednesday evening. A few hours were spent in discussing ideas and suggesting improvements concerning salesmanship, service to the public, and co-operation of the forces. Later in the evening a "feed" was enjoyed at The White Way. Among those present from the Oregon City garage were Harold Puzick, E. Anderson, Myron Wise and Leonard Tatro; from the local garage were Arthur Krueger, R. L. Baker, Walter Zenger, Frank Yokell, Gilbert Knott, Ray Metzger and W. W. Metzger.

Next week the same crowd, and perhaps five members who were unable to be present this Wednesday, are planning on meeting in the showrooms of the Oregon City garage for a similar entertainment.

COFFEE SHOP TO BE OPENED FIRST OF WEEK

The Coffee Shop, under the ownership and management of Mr. and Mrs. Ben Peterson, recently of Spokane, Wash., will be ready to serve the public the first of the week in the A. J. W. Brown building, on Powell street. During the past month the building has been remodeled and a very attractive and serviceable interior arranged. There is a counter with bright blue-backed stools in connection and built-in booths in harmonious colors.

The Coffee Shop is specializing in light lunches, consisting of different kinds of sandwiches, cakes, pies and fruit. Waffles and coffee will be one of its specialties. Mr. and Mrs. Peterson have been in the light lunch business before and one of their mottoes is "Serve the public nothing but the best, with prices reasonable."

ATTRACTIVE MODELS SHOW DEHEN PRODUCTS

The Base Line Improvement club held its regular meeting at Jack & Jill's Monday evening. During the dinner hour music was furnished by the Hawaiian quartet through the courtesy of Mr. Simmons of the Hill Villa and Multnomah Falls chalet. Later a display was given on very well chosen models of some of the products of the Dehen Knitting mills, namely, bathing suits and combination cap and sweater outfits for sports wear.

A door prize of a free order for a sweater from the Dehen mills that was given by Mr. and Mrs. W. P. Dehen, was won by Mrs. John Bliss of Gresham. A large number of members of the club and visitors were present to enjoy the evening.

Important Decision in Insurance Case

The supreme court decision in the case of Johnson vs. School District No. 1, Multnomah county, Oregon, wherein the circuit judge held that the school district could not insure in a mutual company, was in favor of the insurance company, according to a report received from W. C. Hagerty, president of the Oregon Fire Relief association, by B. W. Thorne, local agent. The letter, which is dated October 10, is as follows:

"We have just received a copy of the supreme court decision in the case of Johnson vs. School District No. 1, Multnomah county, Oregon, and find that the mutual insurance companies have won this case.

"As you will remember, this is the case of the school district there where the circuit judge held that they could not insure in a mutual company. This was carried to the supreme court, and our supreme court has reversed this decision, holding that school districts and municipalities of the state of Oregon can insure in mutual companies which issue a non-assessable policy, and they have construed our law pertaining to issuing a non-assessable policy.

"As you will recall, our law provides that a mutual insurance company which has accumulated in the course of business assets of \$200,000, of which \$100,000 is net cash surplus, may issue a non-assessable policy while in that condition.

"Now, it has been contended by the stock company people, or some of them at least, that in event the surplus of the company dropped below \$100,000 then these policies became automatically assessable. "Our supreme court holds that this is not true, that these policies that were issued while the company had assets of \$200,000 of which \$100,000 was net surplus are absolutely non-assessable, and cannot under any condition become assessable policies.

"There are two important things brought out in this decision. The first one is that school districts and municipalities have a right under the Oregon law and constitution to insure in a mutual company, and the second one is that the policies are absolutely non-assessable, and cannot be assessed at any time.

"We believe this ought to be of considerable importance to you, and assist you very materially in overcoming opposition against mutual insurance.

"Our supreme court, in fact, has stated by this decision that the mutual company policies are the equal of stock company policies in every respect."

The financial statement of the company, according to Mr. Thorne, rendered for the year 1927, shows a total of \$718,150.04, assets.

Y. W. C. A. Branch Formed in Gresham

Half a hundred enthusiastic business and professional women and girls met Wednesday night at the grade school auditorium and formed an organization which is a branch of the Portland Y. W. C. A. and which will have the privileges of that institution. The objects are to give those who are employed at work opportunities of recreation, study and congenial comradeship. It is expected that groups will be formed for various lines of study, self help and fun. One object toward which the club will work is the establishment of a rest room where lunches may be eaten and quiet enjoyed during the luncheon hour, and which will also be the clubroom for the members.

About 40 enrolled as members, and the following officers were chosen: Mrs. Mary Louise Dodge, president; Miss Martha Hagberg, vice president; Miss Rachael Chezem, secretary-treasurer. A committee on constitution and by-laws was appointed, composed of Miss Elizabeth Johnson, Miss Augusta Hahn and Mrs. Fred Hoss. Other committees, will be named at the next meeting, which will be next Monday evening at 8 o'clock in the library.

The organization of the club was preceded by a brief program and was followed by games and refreshments. The program consisted of piano numbers by Miss Florence Honey and athletic dancing by Little Jean Ferguson, 7-year-old athletic dancer of Portland, who showed remarkable strength and muscular control. She gave several exhibitions of her skill, much to the delight of the audience. Music was furnished during the social hour by an orchestra composed of Miss Martha Hagberg, the Misses Ruth, Lorna and Evelyn Schedeen and Miss Marie Blom.

Two representatives of the Portland Y. W. C. A. were present during the evening, explaining the purposes of the organization and assisting in its formation. They were Miss Griselda Kuhlman, business and industrial secretary, and Miss Dixie Matthews, president of the Portland Business Girls' club.

A Contrast in Principles and Parties

Republican

FOR the protection of labor, industry, agriculture and citizenship the Republican party started the protective tariff. The Paine-Aldrich bill which was wiped out by democratic leadership in 1913 and the Fordney-McCumber bill which went into effect in 1922, closed America's doors to the free entry of European manufactured goods, produced by cheap labor, and the livestock and agricultural products of South America, New Zealand and Australia. Under these a duty of 42 cents a bushel was placed on wheat; 15 cents a bushel on corn; 1 1/2 cents to 2 cents a pound on cattle; 50 cents per hundred pounds on potatoes; \$2 a head on sheep and 31 cents per pound on scoured wool.

The tariff is the safe-guard of American industry, agriculture and commerce. If changes are to be made in existing tariff laws they can best be entrusted to friends in the tariff party—the Republican party. Protection against foreign competition means prosperity. If you would have a continuation of prosperity—

Democratic

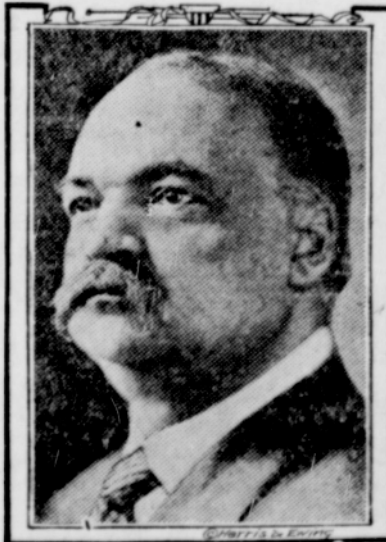

THE Democratic party has always opposed a high protective tariff. It stands for "tariff for revenue only" or a "competitive tariff." When the Underwood law went into effect there followed in its wake a near panic that was only averted by the World War in Europe. Wheat, corn, cattle, sheep, wool, potatoes and other products were placed on the free list. The farmer suffered from foreign competition, and scores of factories closed down and brought on unemployment and bread lines. Revenue for government expense became so low that the Stamp Act of October 22, 1914, went into effect and a tax was required on all notes, deeds and mortgages and perfumes and other sundries.
