HERMISTON LOCALS

Next week The Herald will have more to say about some of the fine exhibits at the D-Iry show, lack of space preventing proper mention of them in this issue.

C. D. Lawrence of Keenewick, Wash., was here Wednesday and Thursday of this week looking over land in the project with a view to buying and permanently locating.

The elfin ring made the welkin ring Halloween, and nearly everyone came in for a little trouble righting things Thursday morning as a result of their mischievous pranks the night before.

J. H. Stillings is receiving much favorable comment from far and near these days over the very able and successful manner in which he conducted the management of the local Dairy and Hog show.

Mrs. F. V. Newman and daughter Katherine left yesterday for their home in Culbertson, Montana, after a six weeks' visit here with Mrs. Newman's sister, Mrs. F. L. Durley, proprietor of the Hotel Hermiston. En route they will make a short call on relatives and friends in Seattle.

The Richardson & Talbert show people who gave two performances here on Thursday and Friday nights of this week are well up in dramatic talent, and their acting pleased the audience in attendance each evening. Monday and Tuesday evenings of next week they stage the same plays, "Teddy O'Malley" and "East Lynne," at Echo.

There will be a meeting of the Hermiston Commercial Club in the Civic Center rooms next Monday evening, at which a good attendance is desired. Matters of vital importance to the entire community are scheduled to come before the meeting, and therefore the presence of all who can find the time to attend is urgently requested.

The ladies of the Methodist church tendered a farewell reception at the parsonage last Monday night in honor of Mr. and Mrs. Paul S. Jones and Mr. and Mrs. Wm. Sellers to express appreciation of their helpfulness to the church and social interests of the community, and also their regrets at having them leave. There was a large number present and a highly enjoyable time was had. The best wishes of Hermiston people go with these two families to their new homes.

Veterinary Surgeon J. A. Peed has discarded the old but durable "Tin Lizzie" with which he has made so many professional and business trips over this project and county for a more pretentious Dodge auto, in which he is now taking much pride and comfort. Progressing from an old to a new car, has made the doctor realize the necessity of opening up an office in this city, and as a result he has had a card inserted in this paper informing the public that he will hereafter be located in the law rooms of Attorneys Hinkle and Warner on Main street.

Selling Out
I expect to soon leave Hermiston and offer for sale the following: 1 team, weight 2800; 1 set harness; 2 cows, one fresh with heifer calf; 2 other heifers; 3 hogs; wagon, hack, cream separator, some hay and other items. F. H. Bone, R. 1. -adv5tfc

Characteristics of Famous Men.
When I meet a famous man I note that all he has is a little sense, a little politeness and a disposition to look after things. Many famous men are very ordinary, except that they are unusual in the respects noted.—E. W. Howe's Monthly.

Most men postpone happiness until the future, and the future never comes.—Epicurus.

In other words, while the costs of most commodities have been increasing by leaps and bounds, lumber and the products of lumber have been among the last to feel the effect of the changed conditions and the advances in prices have been but nominal.

THE CROP DOLLAR IS BIGGER TODAY THAN IN YEARS. INVEST IT IN BUILDINGS.

But, will prices not go down when peace is declared? Can't I save by waiting? are the questions asked by every builder. The answer is that no one in a position to judge intelligently believes that prices will go back to the old low basis for a long time—because of the enormous demand abroad for building material to rebuild Europe and the immense demand at home.
