LOCAL BRIEFS

Who said the sidewalks of this city would not be repaired?

The M. E. Ladies Aid will give one of their good suppers in the near future. Watch for date.

The dance held in the Auditorium Friday evening of last week under the auspices of Akers' Orchestra was an enjoyable affair and was well attended. At midnight a fine supper was served by the Hotel Hermiston.

True to our editorial of a couple weeks ago, our active industry, the Hermiston Creamery, has won laurels at the O. A. C. at Corvallis in a butter scoring contest, lacking only one-half of one per cent of taking first place in the state among all competitors, for which it received a cash prize.

While driving into town from the ranch Tuesday evening to meet her husband, who had been in Pendleton that day on business, Mr. A. F. Bessel was badly bruised about the face and head by being thrown from the buggy when the horse she was driving became frightened and ran away.

Another rousing monthly meeting was held Monday evening by the Hermiston volunteer fire department, and much business of a routine nature was transacted. The committee having charge of arrangements for the Firemen's ball to be held on Washington's birthday reported that everything was in readiness for the big annual event.

Quite a large delegation of Hermiston Odd Fellows are in Stanfield today attending a county convention of the order, which is an annual event. During the afternoon and evening there will be sessions of the grand lodge of the state. Great preparations have been made by the neighboring towns for this occasion, and all visitors to that town today will be treated right royally.

YOU COOK YOUR FOOD—WHY NOT YOUR TOBACCO?

YOU know what broiling does to steak, baking to a potato—and toasting to bread.

In each case flavor is brought out by cooking—by "toasting."

So you can imagine how toasting improves the flavor of the Burley tobacco used in the Lucky Strike Cigarette.
