### OUT FOR JOINT SENATOR

Colon R. Eberhard, La Grande attorney, has announced his candidacy for nomination by the Republicans for the office of Joint Senator to succeed C. A. Barrett. He was born in Oregon and has

COLON R. EBERHARD

been a resident of Eastern Oregon 13 years. His practical experience in the management of irrigation affairs, involving varied irrigation problems, fit him to properly represent the interests of the great irrigation territory of the 19th senatorial district.

R. N. Stanfield.

That Robert N. Stanfield, candidate for United States Senator, should be nominated and elected, is the belief of James E. Poole, livestock expert of Chicago, in a speech at Portland the other day, in which he gave many reasons for this assertion. "Bob" seems to be the man of the hour.

We have just received a new supply of "Rite Grade Shingles." The right grade label on a bundle of shingles means full value in that bundle. It means that the association has inspected and o. k'd them for no sap, for selection, for thickness, for size, for grain; in fact it means a perfect shingle, true to specifications.

One of our local contractors who has been here ten years said that they were the best shingles he has ever seen in Hermiston.

Be sure and ask for
