Buying Liberally

Columbia district on a Thrift and War Savings drive made a very creditable showing last week. Out of the homes represented in school a 100 per cent record was made. In the homes in the district 90 per cent or over contributed. Considering that many are new on the project and having many avenues for their money we think that the sum of \$535 shows a pretty good spirit. The following pupils have sold or partly sold and purchased themselves \$50 each worth of W. S. S.: Gertrude Hall, Florence Hannan, Georgia Beddow, Lawrence Helol, James Hall, Clyde Hall, Leonard Rodgers, Laird Donaldson.

To Vote on Improvements

The board of directors of school district No. 112, Columbia district, have called a meeting of the voters on the afternoon of April 12, to vote on the proposed improvements. At that time Arbor day will be fittingly observed by the planting of trees in Columbia Park.
