LOCAL BRIEFS

The annual circus season will open in this county on May 28, when the A. G. Barnes menagerie will show in Pendleton.

The regular meeting of the city council passed over Wednesday evening on account of there being no quorum present.

The interior of the Hotel Hermiston has undergone a decidedly pleasing renovation, the office, sitting room and dining room having been kalsomined and the floors revarnished.

The class day program rendered by the 1918 graduating class of the high school Wednesday evening in the school auditorium was a scream from start to finish, and was hugely enjoyed by the large audience.

The Baptist church was filled Sunday evening with a very attentive audience that enjoyed the able Baccalaureate sermon delivered by Rev. Graham, pastor of the Methodist church, to the high school graduating class.

The Senior class of the Hermiston high school was right royally entertained last Tuesday evening by Miss Pearl Sullivan at the Sweet Spring ranch of her parents south of town. Games, music and refreshments wiled away a most pleasant few hours.

Two members of the county court, Judges Marsh and Cockburn, were here Thursday, and it may be that they will order a little work done on parts of the main thoroughfare between this city and Umatilla and between here and Echo.

Mr. and Mrs. R. C. Challis and Geo. L. Challis of this city and Miss Pearl Martin of Saffield visited in Walla Walla last Sunday. They went overland in an automobile by way of Holdman, Adams, Athens, Weston and Milton, and returned in the evening by way of Pendleton.

Three auto loads of Masons of Hermiston visited the Masonic lodge at Umatilla Monday night, where they witnessed putting on of the Master Mason degree. At the conclusion of the ceremony a delightful luncheon was served, and a pleasant hour was passed in general converse.

IRRIGON NEWS ITEMS

SPECIAL CORRESPONDENCE

W. H. Herren of Heppner, candidate for Sheriff of Morrow county on the Republican ticket, was a recent visitor at Irrigon; likewise our genial friend, E. M. Shutt, former sheriff and candidate this trip, also spent a day with us. We are only sorry that both of these gentlemen cannot be elected.

J. W. Walker, homesteader near Messner, spent the week end at Irrigon, where he has property interests.

N. D. Beavert of Stanfield has bought the 80 acre Warrington ranch south of Irrigon. Mr. Beavert will start immediate improvements and will be a valuable addition to our settlement.

Jack Gorham, rancher at Boardman, was noticed on our streets a few days ago.

According to the Irrigon Irrigator of May 28, 1904, (14 years ago), ripe strawberries were picked on the McFarland ranch on May 7, and Hood River came in with its crop 14 days later. This same differential in time has been noticed year after year since. This is only one of the little things that shows the value of a ranch in this district.

We notice a good many, too many, loose horses and stock of various kinds roaming our streets, and expect that some one will be obliged to act under the Morrow county herd law and take up a few bunches. This stock has already done damage on the Farmer Smith experimental farm and in other places. The herd law is understood to be very simple in operation and effective.

A car of coal was unloaded at Irrigon this week and all distributed from the car. Evidently our people propose to be protected against any shortage that there may be the coming winter.
