

### WHAT IS HAPPENING IN UMATILLA COUNTY

The town council of Echo has passed an ordinance which has for its purpose the prevention of male persons in that city who are physically fit from remaining idle during the continuance of the war. In other words, Echo will tolerate no idlers.

The famous Pendleton Roundup will be staged in all its glory again this year, the board of directors having so decided at a recent meeting.

There are 9,553 registered voters in Umatilla county this year. Those registering as Republicans number 5,728 and Democrats 3,264.

The county clerk reports that Umatilla county registered 155 young men June 5.

Umatilla county, as well as the whole state of Oregon, is preparing to go "over the top" in the War Savings stamp drive to be inaugurated on the 28th of this month.

The schedule of wages for farm labor was adopted at a meeting held in Pendleton last Monday, which was attended by representatives from eight of the grain producing countries in Oregon and two in Washington. Common labor will receive \$3.50 a day and board, and header and harvester drivers \$5. Cooks will get \$3, stackers and loaders \$4 and sack sewers \$5.

### COLUMBIA NEWS NOTES

News in the district is scarce as hen's teeth this week. The reason for this is that everybody is busy haying.

Mrs. J. F. Strasser has returned from Pendleton and is recuperating from her recent operation.

One day this week the queer actions of a man wandering around this district created quite a furor, the idea at once becoming prevalent that he was either an I. W. W., a German spy or a lunatic. Just about the time the Council of Defense was going to go in to action Joe Udey cornered the fellow, and after questioning him found that he was a Greek section hand who had come into the district with little English at his command to endeavor to buy a veal calf.

Mrs. J. Udey and family are enjoying a visit from the lady's sister.

Mr. and Mrs. W. G. Fritts have returned from their eastern trip.

Mrs. Shutter was taken to the Eastern Oregon hospital near Pendleton Wednesday by her husband and her father, Mr. Stubbs.

Mrs. F. A. Brunson visited with friends in Pendleton several days this week.

### THE WAY TO SUCCEED.

Charles M. Schwab's Advice to Young Men Starting to Work.

In his book "Succeeding With What You Have" Charles M. Schwab says: "When I took charge of the Carnegie works at Homestead there was a young chap employed there as water boy. A little later he became a clerk. I had a habit of going over the works at unusual hours, to see how everything was moving. I noticed that no matter what time I came around I would find the former water boy hard at work. I never learned when he slept.

"Now, there seemed to be nothing remarkable about this fellow except his industry. The only way in which he attracted attention was by working longer hours and getting better results than any one else. It was not long before we needed an assistant superintendent. The ex-water boy got the job. When we established our great armor plate department there was not the slightest difference of opinion among the partners as to who should be manager. It was the youth with the penchant for overtime service.

"Today that ex-water boy, Alva C. Dinkey, is head of a great steel company and very wealthy. His rise was predicated on his willingness to work as long as there was any work to be done.

"If a young man entering industry were to ask me for advice I would say: Don't be afraid of imperiling your health by giving a few extra hours to the company that pays you your salary. Don't be reluctant about putting on overalls. Bare hands grip success better than kid gloves. Be thorough in all things, no matter how small or distasteful. The man who counts his hours and kicks about his salary is a self elected failure.

"It may be in seemingly unimportant things that a man expresses his passion for perfection, yet they will count heavily in the long run. When you go into your customary barber shop you will wait for the man who gives you a little better shave, a little trimmer hair cut. Business leaders are looking for the same things in their offices that you look for in the barber shop.

"The real test of business greatness is in giving opportunity to others. Many business men fall in this because they are thinking only of personal glory."

### For Farmers' Convenience

Beginning today a change in the time schedule of Rural Carrier Reeves has been inaugurated for the convenience of ranchers in order that they may receive their mail on the same day as it arrives in Hermiston, which could not be accomplished otherwise than by such a change since the new train schedule became effective. Therefore, from now on the rural route mail carrier will leave the local postoffice at 10:30 a. m. and return at 3 p. m.

Makes Clubbing Arrangement With  
**The Oregon Farmer**  
Offers Unusual Opportunity to Its Readers

**A**MONG our large circle of readers there are a great many who are interested directly or indirectly in fruit growing, dairying and other branches of farming. All of these naturally wish to keep in close touch with agricultural activities throughout the state; and to know about any fight which is being waged for the measures Oregon farmers want and against all sorts of schemes that are detrimental to the people and agricultural interests of this state.

We have, therefore, made a special clubbing arrangement with THE OREGON FARMER whereby any farmer or fruitgrower, who is one of our regular subscribers and who is not now a subscriber to THE OREGON FARMER, will be entitled to receive THE OREGON FARMER in combination with this paper at the same rate as for this paper alone.

This offer applies to all those who renew or extend their subscriptions as well as to all new subscribers. If you are interested directly or indirectly in Oregon agriculture, do not miss this unusual opportunity, but send your order in now.

THE OREGON FARMER is the one farm paper which is devoting itself exclusively to the farming activities and interests of Oregon. It has a big organization gathering the news of importance to farmers, dairymen, fruitgrowers, stockraisers and poultrymen; and it has the backbone to attack wrongful methods and combinations and bad legislation, and support honest leaders and beneficial measures. We are confident that our readers will congratulate us on our being able to make this splendid and attractive clubbing offer.

**ON JUNE 28TH**  
**PROVE YOU ARE**  
**A LOYAL AMERICAN**

Will you greet the Fourth of July with a free conscience? Or will you spend the Fourth in shame-faced guilt?

June 28th has been set as National War Savings Day. Your country expects you on that day to pledge every penny you can, up to \$1000, toward the purchase of War Savings Stamps.

The price of American citizenship is no longer cheap. A new hour has struck. The crash of war has ground all semblance of cheapness out of being an American. It is now a dear-bought honor. You must pay.

**On June 28th Your Country Asks You to Balance Your Patriotic Cash Account**

Every penny you withhold, that you are able to give, extends aid and comfort to the enemy.

No sordid legal summons will, for the present, compel payment. You are called to payment by the higher, more chivalric, summons to volunteer on June 28th your pledge to purchase this year every dollar's worth of War Savings Stamps you can buy.
