# FORD

THE UNIVERSAL CAR

Remember that when you bring your Ford car to us for mechanical attention that you get the genuine Ford service—materials, experienced workmen and Ford factory prices. Your Ford is too useful, too valuable to take chances with poor mechanics, with equally poor quality materials. Bring it to us and save both time and money.

We are authorized Ford dealers, trusted by the Ford Motor Company to look after the wants of Ford owners. That's the assurance we offer.
