THE UNIVERSAL CAR

Constable Laudenslager:—"We haven't had any motorists violating the speed limit for 'most a week."

Justice Dodd:—"We'll have to arrange to lower the speed limit."

Remember we sell all makes of automobiles but specialize on Fords and Overlands. However whatever you have in mind, better see us about it, as when purchased thru us there is the usual "new car free service" that goes with the deal which the out-of-town fellow can't give you. Prices the same here as elsewhere.

HERMISTON LOCALS

Mrs. H. A. McKeen visited in Pendleton Thursday and Friday of this week.

Mrs. E. T. Canfield returned yesterday morning from a two weeks visit to relatives in Tillamook, Ore.

B. S. Kingsley returned to Culver the first of this week to look after the store he is operating there.

S. R. Oldaker and B. J. Nation were again youths for a day last Friday—autoing to Pendleton in the latter's machine to attend the Sells-Floto circus.

Mr. and Mrs. J. Pelmulder and family spent the Fourth of July visiting with the lady's mother and other relatives in Walla Walla. The journey was made by auto.

J. A. Murray, connected with the Pacific Telephone & Telegraph Co., with headquarters in Pendleton, was here Tuesday looking after business for his company.

Mr. and Mrs. A. L. Larson and Mr. and Mrs. A. C. Harnack, together with their children, enjoyed the Fourth of July visiting at the ranch home near Diversion dam of Mr. and Mrs. J. C. Mathison.

Mr. and Mrs. L. Brownell were up from Umatilla Wednesday, the lady visiting with her sister, Miss Gertrude Simmons, manager of the local telephone exchange, while Mr. Brownell attended to business matters.

Mrs. Mary E. Hoisington returned Friday from a visit to relatives in Pendleton and Pilot Rock. After looking after personal business matters here for a few days she will return to Pilot Rock to conclude her visit.

Mrs. Bess Spencer left the first of the month to be with her daughter, Mrs. Wood, at Hoquiam, Wash. If this change does not benefit it may be necessary for her to go to Seattle to take treatment from a nerve specialist.

Mrs. M. Duty left Wednesday for a few days' visit with her friend, Mrs. W. DeVore, in Pendleton. From there she will go to Gurdane to pass a few weeks in order to get relief from hay fever that she has been troubled with of late.

George E. Briggs, owner of the Hotel Oregon and operator of a ranch east of town, has taken a clerical position in the general store in this city of B. S. Kingsley in order to help that gentleman out on account of a scarcity of store help just at present.

Mr. and Mrs. A. M. Esson and family are new arrivals in Hermiston from Calgary, Alberta, Canada. They have rented a house on East Main street for the present, the intention being to look around and secure a suitable tract of land by purchase or lease and permanently locate here.

Mr. and Mrs. R. G. Banks, who came here from Baker, Ore., the first of May and purchased the Bauschard and Spect improved tracts of land in Columbia district, totaling 20 acres in all, were in Hermiston Wednesday attending to personal business matters and doing a little shopping.

Mr. and Mrs. G. Holland and daughter have been enjoying the sea breezes in a cottage at Seaside, that famous summer resort below Astoria, all this week. The ladies will prolong their visit there, while George is expected home today to look after his duties as tender of the city's irrigation water.

Mrs. M. A. Brown and daughter Mabel leave Sunday for the lady's old home in Gothenburg, Nebraska, where they will enjoy a visit with relatives until early in September. It has been eleven years since Mrs. Brown has paid a visit to the parental home, and therefore she looks forward to her arrival there with much pleasure.

Mrs. A. S. Johnson will have her sister, Mrs. J. W. Donovan of Fort Wayne, Ind., with her next week. The following week Mr. and Mrs. Johnson will leave with Mrs. Donovan for Portland, where they will join eighteen relatives in the west and enjoy a family reunion for two weeks at some point on the coast to be later selected.

W. J. Brown, who is here from Chicago looking after a ten acre apple orchard tract that he owns close to this city, and which is being cared for by R. C. Todd, says that he is enjoying his vacation to the fullest. He would like to tarry in this agreeable climate another month or so, but says his duties as receiving clerk in the large store of Marshall Field call him back to Chicago in a few more days.

Miss Ruth Skinner, stenographer in the local offices of the reclamation service who has been away the past month taking her annual vacation, returned Tuesday. In her journeyings the lady passed part of the month visiting her parents in Portland and the balance in Venice and Los Angeles, California. The ocean-going voyage from Portland down the coast she enjoyed immensely, no sea sickness having seized her to mar the pleasures of the trip.

KEEP COOL

Do not suffer with the heat. We have all the conveniences that will help make life agreeable during the good old summer time.

OIL STOVES

Oil stoves are much cheaper to operate than either coal or wood, and by the use of one you may have warm meals three times a day and also have a cool, comfortable house at the same time. Our Special the Detroit Vapor Range rivals the gas range in convenience and its operation is less expensive. We also have other oil stoves at various prices and all are guaranteed to give absolute satisfaction.

ICE CREAM FREEZERS

The old reliable White Mountain Freezer will give splendid results but we also have the Auto Vacuum Freezer which will make you delicious ice cream without turning a crank or adding ice during freezing.

Other Seasonable Goods

Among other Summer Specials we offer Vacation Chairs, Hammocks, Croquet Sets and many handy devices for the canning season such as steam canners, canning racks, jelly strainers, etc.

Beauty is largely paint deep

First impressions count for a great deal. You should keep your home looking its best. Isn't it about time it was repainted?

And not alone as a matter of personal pride, but also because painting greatly increases the value of a house and prevents decay.

The B-H line includes paints, wall tints and varnishes specially prepared for every painting purpose. Each product is made according to a formula that has behind it 60 years of paint manufacturing experience. To this, and the use of only the highest grade ingredients, is due the acknowledged superiority of
