## HERMISTON LOCALS

Mrs. J. Wishart arrived home the latter part of last week from a visit to relatives and friends in Hood River.

Miss Virginia Todd was over from Pendleton and passed Sunday visiting with her parents.

Cecil D. Kelly, expert mechanic in Sappers' Inc. garage, visited in Pendleton over Sunday.

Dannie Eys is here from Seattle to spend the balance of the summer visiting with his relatives, Messrs. and Mesdames Harnack and Mathison.

H. M. Gunn, former superintendent of schools who is now ranching a few miles northwest of this city, made a business trip to the nearby town of Stanfield on Saturday last.

Mrs. R. B. Spencer and daughter Miss Margery have returned from Pomeroy, Wash., where they spent several weeks visiting with relatives and friends.

James Smith, the versatile mixologist in Hitt's ice cream and candy emporium, left Monday on a little recreation jaunt to San Francisco. Earl Phelps is assisting Mr. Hitt during the absence of Mr. Smith.

Born to Mr. and Mrs. L. L. Bonney, a daughter on Saturday, July 13, 1918. Mr. Bonney is a recent addition to the reclamation force of employees, having joined the pipe yard crew the first of the week.

Miss Leona Harnack, who has been at Fort Atkinson, Wis., since the arrival in Hermiston early in the year of her parents, Mr. and Mrs. A. C. Harnack, arrived last week to visit indefinitely.

Mrs. M. A. Livermore had her furniture crated and shipped this week and departed yesterday for Portland to join her brother, F. L. Allen, who has held a position in the shipyards there since May.

Mrs. F. B. S. Sayze left last week for Seaside, accompanied by her daughter Doris and son Frank. For six weeks they will remain at the famous summer resort enjoying the balmy ocean zone and reveling in the exquisite surf baths.

Mr. and Mrs. Jack Waller and family and the lady's sister, Miss Cochran, have gone to Seattle and other coast points for a month's visit with relatives and friends. The trip there and back is being made in Mr. Waller's reliable Ford car.

Mrs. C. Frazier, daughter of Dr. and Mrs. Barnes, is here with her little girl from Bremerton, Wash. She expects to remain here with her parents for some time, her husband having been called in the recent draft and is now in the training camp at Fort McDowell, California.

Isaac Jay returned last Saturday from Portland, having been called there a few days before on account of his son-in-law, Geo. Gillette, having become dangerously ill from an attack of heart trouble. His condition had somewhat improved before Mr. Jay left, but grave doubts of his ultimate recovery are entertained.

J. E. Stephen, who is connected with the Alpha Land Co. at Attalia, Wash., was here Tuesday taking observations of how this irrigation project is conducted. During his short stay he took occasion to call on his old friend, W. W. Felthouse, who ranches near Attalia before coming here several years ago.

Prof. Gunn received a letter one day last week from A. E. Bense, last term principal of the Hermiston high school, in which is conveyed the information that the gentleman is now located in the officers' training camp of field artillery at Camp Zachary Taylor near Louisville, Ky. Through Mr. Gunn he sends regards to all inquiring friends.

Edward, the two and a half year old son of Mr. and Mrs. A. E. Bense, had a bone in his left leg broken between the knee and ankle Sunday by a fall from a hay rack on which he was playing at the parental home north of town. Mr. Bense immediately summoned Dr. Gale, who fixed the injured limb, and the little fellow is now getting along nicely.

John Broetje, a fruit grower near Yakima, Wash., motored to Hermiston and visited over Sunday with Mr. and Mrs. John Hoffman, parents of his deceased wife, who are ranching north of town. He was accompanied on the trip by his son Arthur and his brother Fred Broetje, the latter gentleman also being a large fruit producer of the Yakima valley.

Frank J. Knox left Wednesday for Ellensburg, Wash., to visit friends for a few days. He is making the trip in the family auto. On his return he will go to the former parental home at Moro, in Sherman Co., having been called in the draft to report there on the 22d of this month. He is the youngest son of Mr. and Mrs. W. J. Knox, former Sherman county people now operating a ranch north of this city.

# KEEP COOL

Do not suffer with the heat. We have all the conveniences that will help make life agreeable during the good old summer time.

## OIL STOVES

Oil stoves are much cheaper to operate than either coal or wood, and by the use of one you may have warm meals three times a day and also have a cool, comfortable house at the same time. Our Special the Detroit Vapor Range rivals the gas range in convenience and its operation is less expensive. We also have other oil stoves at various prices and all are guaranteed to give absolute satisfaction.

## ICE CREAM FREEZERS

The old reliable White Mountain Freezer will give splendid results but we also have the Auto Vacuum Freezer which will make you delicious ice cream without turning a crank or adding ice during freezing.

## Other Seasonable Goods

Among other Summer Specials we offer Vacation Chairs, Hammocks, Croquet Sets and many handy devices for the canning season such as steam canners, canning racks, jelly strainers, etc.

**Oregon Hardware & Implement Company**
