Save Sugar!

The Allies and the American fighters overseas need more sugar.

We have fruit, honey, sirups and maple sugar to help out our ration
One can not get these things in quantity in France.

The Sugar You Save Will Go—

- 1 To the Allies, who bear a heavier burden than we do;
- 2 To the fighting men from America, who need the quick energy that sugar gives them;
- 3 To the wounded and convalescents, who need sugar more than we do.

There is only one answer for Americans to make
