HENRY WHITE

Henry White, former ambassador to France, who was named one of the American delegates to the peace conference.

**AGREEMENT BEFORE
CHRISTMAS EXPECTED**

Paris—December 16 has been definitely set as the date on which the preliminary conferences will begin between President Wilson and Premiers Lloyd George, Clemenceau and Orlando.

The program thus far developed warrants belief that the four nations represented by these men will agree upon the main points of peace before Christmas. The smaller nations are then expected to be consulted as to details.

Germany will not be called on before late in January, it is believed, and then only to hear the results of the allied-American deliberations, and to suggest modifications.

The general feeling here is that once the allies and America have agreed on the main points, they will impose the peace terms upon Germany with little discussion.

YANKS CONTINUE ADVANCE

Karpagorskol Is Taken After a Fight With Bolsheviks.

Archangel.—The Russo-American forces, continuing their advance up the Pinega river over ice and snow-covered roads, have captured the town of Karpagorskol, 120 miles from the town of Pinega, after a fight with the Bolsheviks. This place since the organization of the new government of Archangel, was a Russo-allied provision depot, but it was raided and captured by the Bolsheviks and since then had been the scene of much partisan fighting.

A patrol of 70 Americans scouting along the Vago river south of Shenkurek, encountered a ten-fold superior force of Bolsheviks, including cavalry and infantry with many machine guns. The Americans were surrounded, but fought their way out, losing a lieutenant and 12 men killed.

ARMY'S COST IS ENORMOUS

More Than Five Billion Dollars Expended in Year.

Washington.—It cost \$5,645,000,000 to run the American army during the year ending June 30 last; \$1,368,000,000 for the navy, and \$1,516,000,000 for the civil government proper. The shipping board spent \$562,000,000, and \$181,000,000 was paid out in pensions. These figures are shown by the annual report of John Burke, treasurer of the United States, to Secretary McAdoo. The report showed the public debt on June 30 was \$12,396,000,000.

All Training Corps to Be Demobilized.
Washington.—The complete demobilization of the student officers' training corps comprising units in hundreds of institutions throughout the country has been decided upon by the war department.

Mr. and Mrs. G. R. O'Daniel returned to their home in Pendleton Monday after enjoying a Thanksgiving holiday visit here with their daughter, Mrs. F. C. McKenzie, and family.

Miss Eleanor Casserly returned Sunday to her duties as nurse in St. Anthony's hospital in Pendleton after an enjoyable Thanksgiving holiday visit with her parents near this city.

The sad news of the death of his brother Max was conveyed in a telegram from Lyle, Wash., to George Corse the first of the week. Deceased was a well to do painter and decorator of the above city, where himself and family have resided for many years. Death was due to influenza.

R. L. Tippie, manager of the Tumbler Lumber Co. at Umatilla, was a Hermiston business visitor Friday, and while here made this office a pleasant call. He said his company had just completed negotiations incident to the purchase of the block and a fraction of ground on which the building of the concern now stands in Umatilla.

Mesdames Hay and Deck, operators of the Oregon Hotel and Cafe, respectively, were hostesses at a turkey dinner last Wednesday evening in the hotel dining room, the guests being patrons of the well known hostelry. The feast was given as a token of the kindly relations existing between the "feeders" and the "feedees."

William Sharr is one of the firm believers in the future of the Morrow county town of Boardman in the west end extension of this project, for after visiting there the first of the week he returned to Hermiston with the necessary credentials to show that he had backed his judgment to the extent of acquiring two business lots right in the heart of the little city and facing on the Columbia highway, which has been routed through Boardman on its way from the coast east.

The amount of money to be raised by this special tax is more than the amount raised by special school district tax in the year immediately preceding this, plus six per cent it is necessary to raise this additional amount by special levy for the following reasons:

The estimated increase in cost of conducting the school is twenty-five hundred forty-seven dollars, due chiefly to the increased cost of the following items over last year: Teachers' hire, twelve hundred thirty dollars; pupils' transportation, three hundred seventy-five dollars; interest charges, two hundred dollars; fuel, one hundred fifty dollars.
The following items, viz: Janitor and janitor's supplies, teachers' supplies, library books, building repairs, ground improvements, water and miscellaneous contribute the balance of the increased cost, or five hundred ninety-two dollars.
