KINGSLEY'S

CITY MEAT MARKET AND GROCERY

Say, You

Wait a minute and think and then vote 300 x Yes and get the good roads work going, for it means something for all of us. Especially is this so when on a hot summer's day your Ford gets hotter and hotter when trying to get it through a sand-blow.

And while you are thinking about the good roads just wait another minute, and while doing so just give the City Meat Market and Grocery a small or large order.
