Mr. Hesser, a well known resident, has been placed upon the books and Mr. Chezik has sent in his resignation. **\$2500 For Five Acres**  
Wm. Smith has added another improved five acres to his ten on the west side, having closed a deal last Saturday whereby he became owner of the fine orchard tract adjoining his own on the west side, which he purchased from Mr. Paine for \$2500. Mr. Smith can now justly be called the apple king, both tracts having been planted to the finest variety of apple trees that are now bearing.

**Bought Five Lots**  
H. C. and H. L. Hart, father and son, last Saturday took a little fly in a real estate investment when they secured title from the City of Hermiston of five desirable lots adjoining their own property on the west side. **Announcement**  
We have secured the agency in this territory for the well known Thermoid tire and tube line. This is the first display of this tire on the project, but it has proved its merit wherever it has been handled, and with our new guarantee basis will undoubtedly make good with the auto owners of this section. **UMATILLA ITEMS**

**SPECIAL CORRESPONDENCE**  
Jean Dexter, who lives about a mile from Umatilla, was found underneath the railroad bridge a little after seven Tuesday morning in a very bad condition. He was unconscious and badly hurt. It is believed that he was jarred off the bridge when he stepped to the side while No. 5 passed. Mr. Dexter was taken to Dr. Didier's office immediately and from there to Pendleton on the motor. He was accompanied by his mother and brother Henry. There is not a vacant house in Umatilla. There is an excellent prop-

pect for capitalists here for building houses.

A welcome rumor is circulating in Umatilla that we are going to have a bank soon.

Umatilla is now on the move. All citizens are cleaning up their yards and are having the rubbish hauled away.

Mr. and Mrs. Geo. Wellman and Mr. and Mrs. Schanno are spending the week with friends.

Mrs. McCune was a Portland visitor the first of the week.

Mr. and Mrs. Dodson of Arlington spent Saturday and Sunday with Clint Harvey and family.

Mr. Egan and Mr. Welch of Walla Walla were week end guests at the Chapman house.

Earl Brownell and family motored to Hermiston Monday.

Mr. Halkins and Mr. Halford, who have been employed by the Jones-Scott Co. for several months, left Monday for Idaho, where they will spend the summer on their homesteads.

Jim Reese and Geo. Wellman were in Stanfield Monday.

Mr. Shaw of Sand Point spent Sunday with his sister, Mrs. Tonas.

Mrs. Butterwood is spending a few weeks in Utah, having been called there by the death of her uncle.

C. S. Brownell was an over Sunday day visitor in Portland.

Mr. and Mrs. Jeff Stephens were business visitors to Hermiston Monday.

Mrs. Nichols and Mrs. Clifford Caldwell were in Hermiston Saturday.

Mr. Gus Tonas and family have moved from Sand to their new home which they purchased a short time ago from Mrs. Kelly.

Carl Brownell and family of Pendleton were guests of relatives here and at Irrigon Sunday.

Dr. Freeze makes regular visits to Hermiston. Consult him free and be assured of good of good eye service. 26
