

# Sale of Women's Suits

Beginning Saturday morning, May 3, we will offer our Entire Stock of Women's Suits at Most Remarkable Bargains

Everyone is thinking thrift these days and for that reason it is good policy to buy one or more of these suits—they are most excellent values in every way.

Every model is in such good taste, seasonable style and made of such fine fabrics that many months of good wear can be had out of them.

They are correctly tailored in box effects and blouse styles with fancy vestees—all are different and chosen with utmost care as to materials, lines and colors.

You will agree they are right when you see them—their wonderful style and superior finish would naturally lead you to expect high prices but that is not true in this case.

**NOW IS YOUR TIME TO BUY AND SAVE FROM \$5.00 TO \$25.00 ON THAT NEW SUIT**

We have divided our stock into three great lots as follows:

<b>LOT 1</b>	Special sale price \$24.75.
Is made up of suits that regularly retail at \$28.50, \$32.50 and \$35.00.	
<b>LOT 2</b>	Special Sale Price \$32.50.
Is composed of suits priced at \$40.00, \$42.50 and \$45.00.	
<b>LOT 3</b>	Special sale price \$49.50.
Includes suits that regularly sell at \$55.00, \$60.00, 65.00 and \$75.00.	

A nominal charge will be made for all alterations.

#### Work Started

Excavation work for the basement of the new \$10,000 garage to be built at the intersection of First avenue with Hermiston and Gladys avenues was begun the first of the week by Contractor Beisse, and from now on construction will be rushed in order to have the building ready for occupancy by the Hermiston Auto Co. in the shortest time possible.

Dr. M. S. Kern, who is having the garage built, has bought the Russell Brownell lot between the Oregon Hardware & Implement Co. store and the postoffice block, and is contemplating the erection of a modern building thereon, with store rooms on the ground floor and offices above.

#### Bulletin On Spraying

A new bulletin on spraying has been issued recently by the Oregon Agricultural College. It is brief, and contains the best available guide for spraying operations in this vicinity. The time fast approaches for applying the first codlin moth spray. All interested persons who have not received a copy of this bulletin should write to the Agricultural College at Corvallis, or to R. W. Allen at Hermiston for a copy of it. Extension Bulletin No. 224, Orchard Spray Program for 1919.

John Young writes fire insurance. His company pays the claims.

#### HIGH SCHOOL NOTES

One of the great events of the school year will take place Friday, May 2, at Pendleton when all the schools of Umatilla county send their representatives to meet Pendleton in the great annual Track Meet and Declamatory Contest. All the children are anxiously waiting to carry off the honors for their school. The winners of the West End Meet at Stanfield will be representatives to Pendleton.

Slowly, but surely, the school rooms are filling up again after a long absence due to the measles. During the past two weeks the attendance has been only about half normal. This, considering the time lost during the two influenza vacations, will make the passing of many pupils quite difficult. The parents are urged to see that the children do not miss school for any reason other than illness.

### VICTORY NOTES NOT TO LOWER IN PAR VALUE

New Issue Has Special Appeal to All Investors, Says Expert.

"Capitalists, as well as the small investor, may purchase the new Victory Loan notes with the fullest assurance that they will hold in the market close to the issue price," declared G. K. Weeks, Victory Loan campaign manager for the Twelfth District, today in calling attention to the strong appeal the Victory notes make to investors strictly from an investment standpoint. He continued:

"It has, of course, been a source of disappointment to subscribers for previous Liberty Loan issues that these issues have gone, even temporarily, to a discount of five or six points in the market.

"While this does not represent a real loss to those who have held their bonds for investment, it is reassuring to subscribers for Victory notes that no such discount is possible in the case of the present issue.

"Discount impossible."  
"A decline of the Victory Loan notes of only one point, to 99 for example, would put them on an interest return of 5.09%. Even during the war, with the prospect of continued large issues, no Liberty Bonds have ever declined to any such basis. The Fourth Loan bonds today, as a matter of fact, are selling to yield less than the 4% paid by the Victory notes at par.

"A similar situation exists in the case of the series of 3% fully tax-exempt notes which are suitable for the larger investors. The first issue of the fully tax-exempt Liberty Bonds bearing 3% interest, in spite of all the liquidation during the war, are selling today to yield only 3.55%.

"Should the Victory Loan 3% notes decline to 99, this would be equivalent to a 4.03% return from its fully tax-exempt note, which would be equivalent to 91 for the Liberty Loan 5% which now are in active demand in the market at 95."
