Break in Canal
 There was quite a bad break in the Maxwell canal Wednesday near the cutoff into the C line, but it was discovered in time to prevent serious damage.

Closed Their Books
 The men soliciting the subscriptions for Victory Bonds have closed and turned in their books, but those wanting them can still secure bonds through the local bank up to and including May 10th.

Takes Hardware Position
 J. S. West has accepted a clerical position with the Oregon Hardware & Implement Co. His selection came after the resignation of the former clerk, Mr. O'Sullivan, who has moved with his family to another part of the state.

A Nice Affair
 The dance held in Umatilla Thursday evening by Carmen's Lodge No. 672 of that city drew a large crowd from all the nearby towns, Hermiston being well represented at the affair. A grand time is reported, and all were pleased with the hospitality they received at the hands of the lodge's members and also were delighted to have the opportunity to once again attend a dance where programs with the dance numbers thereon were used.

Moved His Tailor Shop
 Jack White, who for the past few years has conducted a tailoring, cleaning and pressing establishment a few doors east of the bank on Main street, moved the contents of the shop Wednesday to a house he has been occupying across the alley back of the telephone exchange building. The quarters vacated by him will be occupied in a few days by Sam Rodgers, who recently acquired the building by purchase, and in which he will move his stock of shoes as soon as he has had the place renovated and plate glass front put in.

Purchased Barber Shop
 A. W. Thomas, who for the past few weeks has held a position in the Pioneer Barber Shop, has become owner of the place by purchase from Frank J. Auseon. He is a young man of pleasing disposition, and will no doubt receive a fair share of patronage. F. J. Thomas, who formerly operated the shop, is now busily engaged attending to his ranch east of town.

Improves Residence
 The residence of Mr. and Mrs. E. P. Dodd in the eastern part of the city has undergone a great change in appearance in the past five weeks, during which time Contractor C. G. Blayden of Boardman has built on two additions to the house and handsomely remodeled its interior woodwork with built in china closets, library shelves and wardrobes.

ROOSEVELT SAID
IF PEOPLE WON'T
WALL STREET WILL

Great American's Words Ring True Today as When Spoken.

"Long after this war is over, we shall continue in the struggle to achieve liberty for all mankind. To do it effectively, we must bind ourselves together as a nation, and there is no surer bond between a man and his country than that he shall be a bondholder of his country."

"To own bonds of the United States is a badge of honor."

"There should be Liberty Bonds in every home in America."

"I appeal most earnestly to the men and women of America to lend their money to the government; and to do it now!"

"I myself have invested in these bonds. There is every reason for buying them. The patriotic reason is enough. But, in addition, there is offered the best security in the world, backed by the credit of the government and people of the United States."

"The outstanding and fundamental need of the government, without which nothing can be accomplished, is money in large sums and small."

"Buy Liberty Bonds—the security is the best in the world."

"Do not let Wall Street monopolize the financing of the War—and, if you do, then do not blame Wall Street but admit that it is more patriotic and far-sighted than you are."

For Sale—Baled Hay, 1 bale or car load. 33-tfc

NOTICE

Mr. John Naze, known on the western coast as a farm machinery expert for many years and whose entire life has been devoted to specializing in farm machinery, will be in Hermiston for one week beginning Saturday morning, May 3, 1919. Mr. Naze comes to Hermiston to go into detail with farmers on the merits of the famous Johnston Alfalfa Mowers and Rakes, and if you have either of these implements in mind for this year or some future time, come in during the week beginning Saturday, May 3rd, with the exception of Wednesday and Thursday, May 7th and 8th, as on those two days Mr. Naze will be in Boardman. We invite the ranchers of Boardman and vicinity to call at Cumins & Mack on either of these days, that Mr. Naze may show them why the Johnston is best.

P. S. If you are from the coast you perhaps know Mr. Naze personally, as his reputation in the Valley is known from ranch to ranch.

"Certainly! Buy a Johnston."

Everything in farm tools and implements.

We have just received two carloads of Ford Automobiles, and those who contemplate purchasing had better come at once and make their selections as they are certain not to last long.
