## HERMISTON LOCALS

Miss Mae B. Guitwiz has returned home after a three weeks visit with her brother and family in Portland.

Judge Phelps passed through Hermiston Sunday en route to Hepner, where he is holding court this week.

W. D. Davis and his bride are staying at the Hermiston Hotel while looking up a permanent residence in Hermiston.

George Shafer is busily engaged organizing a baseball club for Hermiston. Turn out, all you players, and help him get the national game started.

Mrs. E. W. Mack went to Boardman Sunday and remained until Monday visiting with her son Sydney and wife at their home in that lively Morrow county town.

A. J. Barnett of Weston, Oregon, was a guest Monday and Tuesday at the home of Mr. and Mrs. P. E. Sisco in this city. The gentleman is an uncle of Mr. Sisco.

Mrs. F. A. Phelps returned Monday from a short visit to Boardman, during which time she was a guest at the home of Mr. and Mrs. C. M. Voven in that town.

Mrs. E. J. Kingsley left Monday for Metolius for a short visit to the parental home. She was accompanied by her young brother, who had been visiting with his sister here.

One of the most charming acts of friendship was the sending of a silver tea set to Mr. and Mrs. Phil L. Lay by their former associates in the office of the Chevrolet Motor Co. in Portland.

Miss Margaret Shotwell acted as librarian a few days this week while Mrs. Burgess was engaged with her husband in becoming settled in their new home on Fourth street, which they recently purchased.

W. R. Nugent, the genial clerk of Umatilla School District No. 6, is recovering from a very bad injury he received recently by having been struck by an engine in the Umatilla yards.

Mrs. A. W. Thomas left Tuesday for Volmer, Idaho, where she will visit her mother, and also a brother who has just returned from overseas duty in France. The lady is the wife of the new proprietor of the Pioneer Barber Shop.

The dance given by the Altar Society of the Catholic Church last Friday evening was a huge success. The Hermiston Orchestra furnished the music. Dainty refreshments were served, and everyone voted a good time.

A very interesting party was given by the ladies of the Methodist church at the home of Mrs. A. C. Voelker last Tuesday evening. Interesting games, music and very excellent refreshments made the evening pass too quickly.

Mrs. Mary Burgess of Fulton, Wyoming, visited in this city several days this week at the home of Mr. and Mrs. O. D. Burgess, the lady being a sister-in-law of Mr. Burgess. She was on her way home after an extensive tour of the north-west states.

Mrs. B. S. Kingsley returned Tuesday morning from Corvallis, where she had been several days visiting her daughter Everette, who is attending college there. The family at one time lived there for six years, and the lady had the pleasure of meeting many former friends.

The Red Cross honor roll for this week is as follows: Mesdames Parrish, Winslow, Taylor, Willits, Schemke, Campbell. We need more help to finish the sewing we have on hand. There will be a business meeting next Wednesday. Would like a good attendance.

Percy Sisters have on display several new styles in midsummer hats. Sport wear and dress hats with new shapes and colors. adv.

If every farm home would keep a supply of pop corn and a popper for less wholesome knickknacks and more enjoyable evenings would be spent around the family hearth.

Beware of small insurance companies and strangers selling insurance. The Best old line companies are represented by local men in Hermiston. Insure with them. adv.

# Our Service

And what It Means to You

INVESTIGATE YOUR IMPLEMENT  
NEEDS CAREFULLY

Whatever You Need—Repairs or New  
Implements—We Can Supply  
to Your Satisfaction

You wouldn't spend money to have an old pair of shoes half-sole and re-heeled, when the uppers are about ready to break through, would you?

The same principle can be applied when you study whether you will repair an old implement or replace it with a new one.

There is only one question to consider:

Will the old implement, when repaired, give you full service for at least this year?

"Pretty good" service will not be enough. It is never enough, and especially not this year when good prices for farm products will put a premium on extra bushels and extra tons.

If you can repair any of your old implements for full service, that will be real economy, and we are anxious to help you put that economy into effect.

You can meet your repair needs to your full satisfaction through our repair service.

If repairing the implement doesn't assure the best of service, it will pay you to come to our store and select a new implement.

Investigate your needs now. And remember that we are ready to furnish whatever you need to your satisfaction.

We have just received a car load of McCormick Mowers and Rakes direct from the factory and our prices on them are the same as last season.

We carry a Complete Stock of Repairs for the McCormick Mowers and Rakes at all times and are therefore in position to serve you promptly, thus preventing loss of time on account of broken machinery during the Haying Season.

We also have a complete stock of other Farm Implements on which our prices are right.
