Miss Goldie Mumma is home from Cress Valley, Ore., her school term having closed there last week. She will leave again in a couple of weeks to attend summer school in Portland.

Mrs. B. F. Strohm was very sick Monday and Tuesday. Her illness seemed to have come from food she had partaken of at a meal Monday, and had all the appearance of ptomaine poisoning. Wednesday the lady had fully recovered.

Eleven year old Lee Christian was sick to the danger point a couple of days the first of the week. It is thought he ate some canned food at a children's picnic that brought on ptomaine poisoning. The youngster is the son of Mrs. Nellie Christian of this city.

Howard Frick, who has been residing in Portland since away last fall, returned to Hermiston the first of the week to look after business matters. For the time being he has taken a position with the Shotwell Construction Co., and may conclude later to have Mrs. Frick join him here and again take up his permanent residence in this community.

There was a reunion of all Virginians residing in the Hermiston valley at the home of Mr. and Mrs. I. C. Cox last Monday. There was also quite a number of friends from other states in attendance. Dancing was indulged in, games were played and all partook of a luncheon of delicious cake and ice cream.

Going to Texas

A letter from B. F. Knapp, formerly in the real estate business here with E. P. Dodd, says that he has sold out his auto tire business in San Francisco and expects to leave shortly for the oil field district at Burkburnett, where an oil boom has been on for some time. In closing he sends his regards to all his old friends here.

Community Too Healthy

Dr. Diddier, who a short time ago located in Umatilla, on Monday took down his "shingle" and on Tuesday pulled up stakes and departed for Portland. He said he liked the place, but that he had to leave on account of the climate being so healthy that no one got sick there. He claimed there was no money in that, and besides he would forget all he knew about his profession if he could not get more practice than he has had since settling in the city on the banks of the mighty Oregon.

Notice

Owing to the high cost of labor and living expenses, the two barber shops of Hermiston will after June 1st charge 50 cents for a haircut and 75 cents for a shave, including neck shave. Children's haircut 25 cents and bath 35 cents.

These prices prevail in all parts of the states of Oregon and Washington, and we feel that there is no injustice in inaugurating the same scale here.

(Signed) Wm. Shaar.
A. W. Thomas.
