

# Premium List and Rules of Entry Hermiston Dairy and Hog Show

We herewith present the Premium Lists and Rules governing the Seventh Annual Hermiston Dairy and Hog Show. Exhibits will be received in competition from all parts of Umatilla County and adjacent territory, and we especially solicit districts beyond our own locality to participate.

The Hermiston Dairy and Hog Show is held each year for the purpose of encouraging the production of good cows and hogs throughout this part of the state of Oregon.

For any further information address Board of Directors.

## INFORMATION

No entry fee charged. The association will provide alfalfa hay and bedding free of charge. The exhibitor to furnish any other feed desired.

Reliable men will be in charge of the stables at all times and will feed for exhibitors on request.

The exhibitors of swine are requested to make applications for number of pens wanted so the management can give the best possible service. Pens are about 6 by 8 feet.

The association will have experienced milkers who, upon request by the owners, will milk all cows while on the grounds, free of charge.

Premiums—Premiums will be designated by ribbons: Purple, championship; Blue, first; Red, second; White, third.

Awards will be paid by check and mailed to the exhibitors address not later than November 15, 1919.

Board of Managers—Geo. A. Cressy, President; H. M. Sommerer, Vice-President; C. M. Jackson, Secretary; H. T. Fraser, Treasurer; P. P. Sullivan, Hermiston, Oregon.

## RULES OF ENTRY—LIVE STOCK

**Rule 1.** All applications for entry must be made on printed forms and in accordance with instructions on same. These forms, properly signed, to be filed in the office of the Secretary of the Hermiston Dairy Show Association on or before October 21, at which time entries close. In all cases the right is reserved to reject entirely or accept conditionally any entry or application for entry.

**Rule 2.** All stock entries must be on the grounds by 12 m. October 22.

**Rule 3.** To be eligible for competition animals must be the bona fide property of exhibitors.

**Rule 4.** In all contests of registered stock, the papers of registration must be filed with the secretary not later than 12 m., October 22.

**Rule 5.** Each exhibitor or assistant must be in charge of his entry during the hours of judging and demonstration under authority of the judges.

**Rule 6.** Exhibitors of live stock must report to the superintendent in charge at 9 o'clock a. m. for orders. They must also inform themselves from the superintendent of the division when their stock shall be judged. Stock must be in the show ring promptly after being called, with proper entry tag attached.

**Rule 7.** All exhibitors of livestock shall be required to parade their stock when requested by the management, or board. An exhibitor who fails or refuses to comply with rule 5 and 7 forfeits all claim upon the board.

**Rule 8.** If any disrespect is shown to any award, or to awarding committee, by the exhibitor or his agent, he shall forfeit all awards made to him, and the officer in charge shall report the same to the board at its first subsequent meeting. Should a premium be found to have been obtained by false evidence, or misrepresentation, or a violation of any of the above rules, the money will be withheld by the secretary.

**Rule 9.** Men in charge of the stock are strictly prohibited from making any remarks regarding the stock, unless information is required of them by the judges or superintendent. Attendants infringing on this rule will be excluded from the ring by the superintendent.

**Rule 10.** Exhibitors will at all times give the necessary and personal attention to whatever they may have on exhibition, and at the close of the show must take entire charge of their property and remove same promptly. Each exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from, any animal exhibited by him, and shall indemnify the association against all legal or other proceedings in regard thereto. The Hermiston Dairy Show will take every precaution in its power for the safe preservation of all stock and articles on exhibition, and all property of every character entered for competition or display, or for any other purpose, or being anywhere on the grounds, shall be subject to the control of the Hermiston Dairy Show Association, but in no case will the Hermiston Dairy Show Association be responsible in any way for any loss, damage or injury of any character to any such property while the same is on the grounds, or at any other time or place. If the property owners or others interested in property desire protection against loss, damage or injury from fire or other cause, they must make their arrangements therefor. No officer, trustee, superintendent or employee of the Hermiston Dairy Show Association has authority to change or suspend this rule.

**Rule 11.** No animal or article deemed unworthy shall be awarded a premium, and no premium shall be awarded merely because there is no competition. If the article is not worthy the first premium, it may be awarded a lesser premium, and where there is but a single exhibitor in a lot, of any class, the judge shall award but one premium.

**Rule 12.** Boar tusks must be removed.

## Rules Governing Test of Milk

Note: Under Dept. of Cattle, Dec. H. K. Dean, Conductor of Test

**Rule 1.** All entries must be on blanks furnished, and the same must be filed with Hermiston Dairy Show Association, Hermiston, Oregon, on or before noon October 22.

**Rule 2.** All entries must show the breed,

registered name and number of cow, if same is registered, together with actual age and date of last calving.

**Rule 3.** All cows entered in the contest must be on the grounds not later than noon October 22, 1919, and shall be milked clean in the presence of the Conductor of the Test at 6 p. m. of that day.

**Rule 4.** Cows shall not be milked to exceed twice during 24 hours of the testing period. Hours of milking to be 6 a. m. and 6 p. m.

**Rule 5.** Cows may be fed and handled at the option of the owner, except that no condiments or drugs may be fed, and only pure water given to drink.

**Rule 6.** The Conductor of the Test shall be at and throughout each milking, and shall at once take entire charge of the milk yields of each cow, and shall exercise such precautions as will positively secure said milk from being in any way changed, and proceed to take fair samples of the product of each cow for the purpose of determining by means of the Babcock test the exact contents thereof in butterfat.

**Rule 7.** The results so determined shall be scored or reckoned by figuring the butterfat at the market price on the day of the test, and the value of the skim milk determined by figuring the price of the same at 25 per cent of the price of rolled barley on those days. The test shall continue for two days.

**Rule 8.** Rule for lactation handicap: To half the amount of butterfat produced in two days add as follows, after deducting the first 40 days from calving, one ounce for each completed 10 days up to 160 days from calving, and after 160 days from calving, one-half ounce for each completed 20 days, and limiting the number of lactation ounces to 15½, thus covering a normal lactation period of 10 months.

**Rule 9.** Rule for age handicap: Multiply the total number of ounces obtained by adding the ounces for the performance and the ounces resulting from lactation handicap by 360 and divide the product by 220.5, plus one-tenth for each and every day the cow is over two years old at the beginning of the test up to five years.

Milking Contest

First	Second	Third	Fourth	Fifth
\$25.00	\$20.00	\$15.00	\$10.00	\$5.00
