

A GOOD BARN A PATRIOTIC DUTY

Feed is expensive nowadays. Every possible ounce of it must be converted into beef or milk or working energy for the teams.

Stock lacking the protection of a good barn consumes most of their feed in fighting the cold—or lacking the cool refuge of a properly insulated barn during the heat of summer, becomes indisposed and loses weight.

Feed converted into animal heat doesn't make beef or milk or money.

The essentials of a good barn are good materials, proper ventilation, sanitation and insulation.

Let us figure with you. It's our business. We know how. There is no obligation to buy.

We have a number of different designs to choose from and will consider it a favor in being able to quote you prices.

UMATILLA ITEMS

SPECIAL CORRESPONDENCE

The women of Umatilla have recently organized a Home Bureau, which has, since its inception, been doing a wonderful work. The one big task they are undertaking at this time is putting hot lunches in the school for the children. They plan a different hot dish each day, to be charged for just enough to cover the cost of production. Mrs. A. E. McFarland is chairman and is very capable and greatly admired by her followers. Mrs. Conon is the vice president and Mrs. Alice R. Nugent secretary-treasurer. The club feels very fortunate in securing such an able set of officers. They meet every Friday afternoon at 2 o'clock. On this Saturday evening, January 10th, they are giving a dance to raise money to finance the hot lunches. Miss Edith Powell, who until recently has been a clerk in Brownell's store, resigned last week to accept a position with the O. W. R. & N. Co. Her sister, Miss Ida, has taken her position.

Mr. and Mrs. W. P. Llewellyn, lately of Cincinnati, Ohio, have recently become residents of Umatilla. They purchased the Cottage Hotel and are running it as a first class hostelry. In the near future they expect to open a business in the corner storerooms.

Miss Laura S. Dunne, the nurse who had charge of the Hermiston flu hospital, is in Umatilla spending the holidays with her sister, Mrs. W. R. Nugent.

The Umatilla school has reopened, after being closed several weeks on account of an epidemic of fuel shortage. All children were in attendance on the opening day.

The girls of the Umatilla school have organized a sewing club, under the supervision of Mrs. Lambert. They have elected the following officers: Ruby Powell, president; Lurline Pryor, vice president; Gladys Nugget, secretary. The girl whose work is best throughout the year wins a trip to the state fair.

Card of Thanks

We wish to extend our sincere gratitude to the good people of Hermiston who so kindly assisted us after the loss of our home by fire last Saturday. We assure them that we will always remember their generous acts. P. F. Ward and family.

PARENTS, ATTENTION!

A thorough knowledge of the fundamentals or principles of a science is essential to become proficient in it. This is especially true of music. See that your boy or girl gets that kind of knowledge.

Starting Monday, Jan. 12th, I will enroll pupils for my classes in the FUNDAMENTAL MUSIC SCHOOL for the instruction of pupils in theory of music and piano playing. The method I use—of which I am an accredited teacher—is designed to stimulate and hold the interest of the beginner.

See me and let me tell you about it. You will be interested. Arrangements can be made for private lessons in piano playing for advanced pupils.

Also I will give private lessons in Vocal Instruction, using the ARENS VOCAL METHOD. This method includes the art of breathing, shaping of vowels, tone placement, diction and vocal technique. Respectfully,
Kathryn Short,
Hermiston Hotel.
