ADDITIONAL LOCAL

C. E. Glasgow of Irrigon while here one day last week purchased a three year old Percheron colt from Attorney W. J. Warner.

The Baptist Ladies Aid will be entertained by Mrs. R. Beasley and Mrs. Illsley at the home of Mrs. Beasley Thursday afternoon, January 15.

The name of Jesse M. Prindle for director for a three year term appears on the ballot of the Westland Irrigation District, Tuesday next being the date of the annual election.

All those interested in maintaining a Sunday school at Columbia school house are earnestly requested to be present next Sunday at 2 p. m. Election of officers will take place at that time.

W. H. Lytle of Salem, state veterinarian, has been passing the week in this vicinity examining horses and cattle for signs of disease. He reports that so far he has found no affliction among stock in this vicinity.

Mrs. C. B. Percy and daughter Miss Leah, Mr. and Mrs. E. I. Davis, W. A. Leathers, R. C. Challis, Ray Sprague and Rinehart Buhmann were last week-end visitors in Pendleton, returning to Hermiston Saturday evening.

Mr. and Mrs. Earl J. Kingsley returned Sunday on No. 18 from their Christmas trip to Central Oregon. They report the weather in that country like spring and the snow all gone. Earl says its a hard country to beat for one has to be content to live on "hopes" for some time after settling there.

H. M. Gunn has been appointed census enumerator for Precincts No. 53 and 54, which embody all of the city of Hermiston and some outside territory. Mr. Gunn received his appointment from Wm. A. Terrell of Wasco, supervisor of the second census district, and is now busily engaged in the work.

Mr. and Mrs. J. P. Hayden and little daughter Catherine left Monday for Connell, Wash., on a week's visit to friends there after passing the holidays at the home of his parents, Mr. and Mrs. P. E. Hayden, in this city. On their return to Hermiston they will make their permanent home on the project.

Mrs. Cathryn Durfey and son Jarvis, and their visitors, Mr. and Mrs. W. R. Jarvis of Montana, left Sunday on a week's visit to relatives in Portland. Mrs. Durfey went to Eugene, accompanying her son to that city, where he remained, having entered the University of Oregon for the balance of the term.

G. B. Clark, genial bookkeeper for the Newport Construction Co., has been busy closing up the books of the corporation for the year just passed. We understand that he has become so infatuated with Hermiston and surrounding country since coming here that he now contemplates buying a home and locating here permanently.

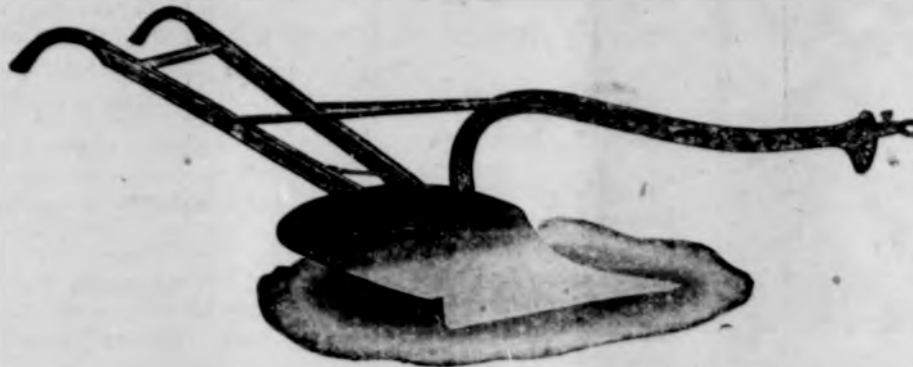

Mrs. Walter Rees and three children left Wednesday for an extended visit to the home of her parents in Los Angeles, Calif. Mrs. H. G. Newport accompanied them as far as Portland, where she visited a couple of days with friends. The lady is returning by way of Sunnyside, Wash., where she is now enjoying a visit with former Hermiston friends.

Bowker's Orchestra of Portland will again pay a visit to Hermiston next month, the American Legion having secured it to play for two dances, one in Stanfield on February 3rd and one in Hermiston on February 4th. With this excellent music it is fair to assume that these dances will be premier ones to which everyone is cordially invited.

Mrs. J. K. Shotwell, daughters Dorothy and Emily and son Irwin, left for McMinnville Friday night of last week, where they will remain until the college term ends. Gordon Shotwell, who had been to Milton and Walla on business connected with the Shotwell Contracting Co., arrived back in time to accompany them to McMinnville, and from there proceeded to Corvallis to resume his studies at O. A. C.

On Saturday of last week Mrs. John Mathison of the Fourth Unit entertained in honor of her daughter Miss Avis, who leaves Monday for Seattle, and also for Miss Eleanor Caserly, who left that night for the O. A. C. to resume her studies. Besides the Mathison family there were present Mrs. F. L. Kelley, Miss Yudith, Harry and Cecil Kelley, Mr. and Mrs. J. J. Caserly, Misses Eleanor and Marie and James Todd.

ROCK ISLAND PLOWS

These plows are made of soft center steel, permitting the outer surface to be highly tempered without sacrificing strength. The center layer is very tough and ductile, making a combination steel that is adapted for the hardest kind of work. The shin of the moldboard always receives the most wear, and for this reason Rock Island soft center steel plows have a reinforcing patch at this point. The real appreciation of these features is best realized after giving a Rock Island plow a few years use. We sell them—terms or cash.

Pulling Together

At a county fair a flamboyant sign advertised: "The Strangest Sight in the World!" Those who paid a dime to see the marvel found in the tent ten farmers pulling together on a rope. . . . It is different today. Now thousands of farmers, organized as the American Farm Bureau Federation, are pulling together. And they'll get what they want, says

The COUNTRY GENTLEMAN

Folks who think the farmer is going to keep on being the national goat, feeding the world and taking no kicks in pay, have another think coming to them.

Pulling together, the nation's farmers can control their markets—can prove that they are not to blame for the high cost of living, that they are not profiteers. Standing shoulder to shoulder with the farmers of the whole nation is THE COUNTRY GENTLEMAN. Weekly it tells of the struggles and successes of farmers everywhere—and of the practical methods of those who are making money. If you are interested in farming and the farmers' movement, you should subscribe at once. It will cost you only \$1 a year for 52 big, helpful weekly issues.

Our New Years' Resolution---To have 175 pounds of air on tap at all times.

Your Garage has money invested in air pumps and storage systems to give you Free Air and Service.

Where do You Buy Your Tires? From some one---so that you put them on in the cold on the street and use your own pump---or where all this is done for you and a welcome extended to make use of "the air."

Standard Tires are Sold Nationally at One Price. We handle Racine, Ajax, Goodrich, Firestone and Federal tires at the advertised price (not made by us).

We Recommend Racines. Ask a user.
