## NOTICE

Notice is hereby given that a special election will be held within the precincts of Irrigon and Beardman within the West Extension Irrigation District on Tuesday, the twenty-fourth day of February, 1920, between the hours of eight o'clock in the morning and five o'clock in the afternoon of said day for the purpose of determining whether or not that certain contract between the United States of America and the West Extension Irrigation District approved by the Board of Directors and filed in the office of the Board at Hermiston, Oregon, on the sixth day of January, 1920, shall be authorized and entered into by the Board of Directors, and which said contract sets forth the maximum amount of money payable to the United States for construction purposes, or in the assumption of liability for district lands for such purposes, exclusive of penalties and interest, in the amount of \$1,100,000, and also provides for the substitution of the taxing power of the district in lieu of the existing liens by individual contracts and other provisions, which said contract in full may be seen by any landowner or other person interested at the office of the district in the U. S. Reclamation Service building at Hermiston, Oregon, in the office of J. G. Camp at Irrigon, Oregon, and in the office of Emmett Callahan at Boardman, Oregon. At said election the ballot shall contain the words "Contract with the United States—Yes," and "Contract with the United States—No." The school house at Boardman and the Reclamation Office at Irrigon, within said district, are hereby designated as the polling places for the purpose of said election, and George Rand and R. L. Wisdom and Merrill Doble have been appointed judges of election for Irrigon precinct, and A. W. Cobb and C. C. Paine and T. E. Burns have been appointed judges of election for Boardman precinct within said district.

This notice is published and posted pursuant to an order of the Board of Directors of the West Extension Irrigation District, made and entered on the sixth day of January, 1920.

J. G. CAMP,  
Secretary.  
Jan. 24-Feb. 21.

## The Best Machinery Investment You Can Make

Ask any user of the John Deere Spreader, and he will tell you it is the best machinery investment he ever made—not only because it saves hard work and valuable time, but because it makes every forkful of manure count for a bigger crop yield.

Manure goes farther and does more good when you use a John Deere Spreader. You can spread manure evenly, heavy or light—no

under-fertilized or over-fertilized spots.

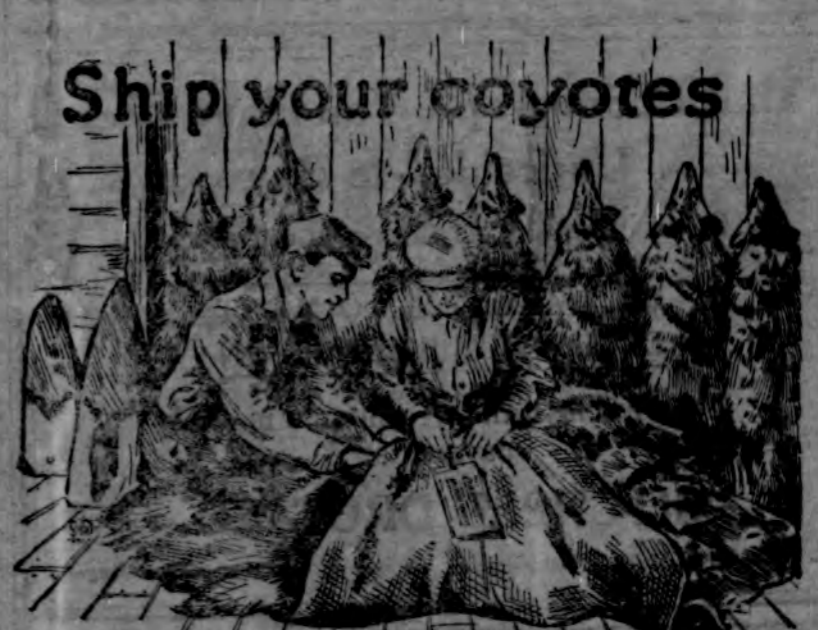

Come in and see this spreader. We want to show you why it will do better work, why it will last longer than others, why it will cost less for repairs, and why it is easier to load and operate.

Mounting the beater on the axle of the John Deere gives you a combination of advantages you can't get in any other spreader.

Come in and know the reasons why there are so many satisfied users of John Deere Spreaders.
