Howe's Monthly. **To End Wire "Singing."** To prevent the "singing" of telephone or telegraph wires passing over houses, these are muted by putting on them small olive-shaped pieces of lead, or fitting corks on to them.

Hawaiian Impartiality. The old algaroba tree in the Catholic mission grounds on Fort street is no more. Parent of all algaroba trees in the Hawaiian Islands, it has been cut down to make room for a Knights of Columbus club house. The word "parent" is used advisedly, for one newspaper, in reporting the removal of the historic tree, referred to it as the "father" of algarobas in Hawaii, and another speaks of it as the "mother."—Pacific Commercial Advertiser.

Good Times. I suppose no one has looked more industriously or in more places, for a good time than I have. Results have been so meager that I have concluded that a good time is more or less of a phantom.—E. W. Howe's Monthly.

It Works! Try It Tells how to loosen a sore, tender corn so it lifts out without pain.

A Basket of Eggs. Pataluma, center of the largest poultry district in the world sent to the California industries and land show a basket holding 73,528 eggs. The basket was 15 feet long, 5 feet high and 8 feet wide.

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out without a particle of pain or soreness. This drug is called freezone and is a compound of ether discovered by a Cincinnati man. Ask at any drug store for a small bottle of freezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callous. Put a few drops directly upon any tender, aching corn or callous. Instantly the soreness disappears and shortly the corn or callous will loosen and can be lifted off with the fingers. This drug freezone doesn't eat out the corns or callouses but shrivels them without even irritating the surrounding skin. Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have freezone have him order it for you.—Adv.

Scientists say that an ordinary whale lives to the age of five hundred years, while some whales have been caught whose appearance indicates they have lived as many as a thousand years.

Frank A. Vanderlip, the famous financier, would not engage for a high position any man who failed to make his impress felt when at college. "A man who won recognition from his classmates at college is likely to win recognition in after life," he once remarked.—Boston Post.

A Kind Provision. Apparently the men who talk all the time never grow dumb, but those who are compelled to listen all the time have a tendency to deafness. Nature protects her children ultimately.—Houston Post.

NAME 'BAYER' MEANS ASPIRIN IS GENUINE

Vital Step. "I have crossed the rubicon," murmured the woman who had just quarreled with her red-faced cook.—Brooklyn Eagle.

Safely stop headaches as told in "Bayer packages" **BAYER**

Health is the fashion. Take Garfield Tea, the herb laxative which purifies the blood and brings good health. Adv.

Millions of men and women have proved "Bayer Tablets of Aspirin" with the "Bayer Cross" on tablets, the quickest, surest, safest relief for their Headaches, Colds, Neuralgia, Toothache, Earache, Rheumatism, Lumbago, Neuritis. Pain seems to fade right away. Buy only a Bayer package containing proper directions. Always say "Bayer." Handy tin boxes of 12 tablets cost but a few cents. Druggists also sell larger "Bayer" packages. Aspirin is the trade mark of Bayer Manufacture of Monocetylacetic Acid of Salicylic acid.—Adv.

Wedding Superstitions. The superstition that it is bad luck to get married on a rainy day comes from the old saying, "Happy is the bride that the sun shines on." There is another old superstition that a "snowy wedding prophesies wealth." Frequently three crops a year are raised in Abyssinia. **Cuticura Soap for the Complexion.** Nothing better than Cuticura Soap daily and Ointment now and then as needed to make the complexion clear, scaly clean and hands soft and white.
