BOARDMAN BARBECUE STAGE ALL SET FOR THE BIG SHOW

The band is going. Everybody is going that can possibly get away, to the Boardman barbecue to be held next Monday, May 31, on the Charles Dillabough farm.

The great barbecue will be an object lesson to all who are interested in the reclamation of our arid lands, for Mr. Dillabough's ranch is on the edge of the desert, showing what irrigation will accomplish in this great country when it is given a fair chance.

The barbecue is in the interest of the John Day Irrigation Project that the enterprising Boardman people are working for, and all the neighboring towns will send large delegations. A special train is coming from Portland, and Heppner will send its band and a large delegation. Arlington and several other towns will also be represented.

Hermiston will be out in force, for we are all interested in the project, and will do everything in our power to help the Boardman folk put over this great irrigation project that will give homes to thousands of settlers.

Hermiston's base ball team will play Arlington on that date in Boardman and a rattling good game will be witnessed by one of the largest crowds ever seen in Boardman.

We have also been informed that the flying machine will be there, so get ready to have the time of your young life and learn something about your own country at the same time.

PRIMARY ELECTION TURNS TO JOHNSON

The primary election last Friday was very quiet, you would hardly know it was an election day. The interest was not very strong in this section of the country. Everyone seemed to know just what they were going to do, but they did not say much. It took the election returns to find out just what they wanted.

The state at large, gives Johnson a lead of about 1900 votes over his nearest competitor, Wood, for president, but the count is not complete, and this figure might sway one way or the other. However, it is conceded that Johnson wins in the primary election in Oregon.

For the county, the interest was a little stronger. There being some strong opposition between R. I. Keator and S. D. Peterson for district attorney; B. B. Richards and I. M. Schanep for county judge and R. E. Bean and C. E. Demaris for commissioner. Schanep, Keator and Bean were all nominated, the closest figures being between Schanep and Richards, the former leading with 50 votes only.

All the measures carried by big majorities.

DELIGHTFUL CONCERT GIVEN BY MRS. REES IN STANFIELD

Mrs. Rees of Stanfield, who conducts a music class in Hermiston, gave a concert at the Presbyterian church in Stanfield last Monday evening, in which her Stanfield and Hermiston pupils participated.

Those taking part in the program from Hermiston were: Misses Enid Waterman, Clarice Watson, Margaret Waterman, Georgianna Briggs, Ruth Waughter, Gertrude Beisse, Eldora Kingsley, Isabelle Dodd, Elizabeth Straw, Mable Brown, Lucille Sullivan, Nancy McNaught, Dorothy Holland and little Miss Lambert.

The pupils all rendered their parts exceptionally well, the audience being very well pleased at the talent displayed.

Will Locate Here

Geo. H. Osborn, of Culver, Oregon and Otto Pierce of Moro, Oregon arrived in Hermiston the latter part of last week to look over the project with a view of making this their future home. Mr. Osborn is C. V. Wilson's father-in-law and Mr. Pierce is his brother-in-law. While here they are the guests of Mr. and Mrs. Wilson.

C. B. PERCY SUDDENLY DIES IN CHICAGO LAST TUESDAY

Was called There on Account of the Seriousness of His Aged Father

This community was shocked last Tuesday when the news of the sudden death of C. B. Percy was received from Chicago. Mrs. Percy and Mrs. Geo. Holland had left for Chicago a few days previous to his death, when telegraphic communication informed them of his illness. Unfortunately he died before they arrived there.

Word was sent Wednesday by Mrs. Percy upon her arrival there to the family saying that the burial would take place in Chicago this Friday.

Nearly two weeks ago Mr. Percy was called to Chicago on account of the serious illness of his aged father and upon arriving there was taken ill himself with pneumonia and being in a run down condition was an easy prey to the attack. He was sick but one week when the end came.

THE RED BUS LINE STARTS RUN THROUGH HERMISTON

The bus leaves Umatilla at 12:30 p. m. and passes through Hermiston at 12:42; Stanfield at 1:00 and Echo at 1:10, arriving in Pendleton at 2:00 p. m.

Returning the bus leaves Pendleton at 5:00 p. m.; Echo at 5:50; Stanfield at 6:00; Hermiston at 6:18 and arrives in Umatilla at 6:30. The bus also has a schedule from Pendleton to Walla Walla.

COLUMBIA AND HERMISTON SCHOOLS GO ON A PICNIC

The children of the Columbia and Hermiston schools enjoyed a pleasant day Friday of last week when they got together at the Stanfield grove on the Umatilla river. Starting early in the morning and returning about 5:00 o'clock in the evening they made a day of it.

At noon a scrumptious lunch was served cafeteria style and in the afternoon a ball game was played between Columbia's 4th and 5th grade and Hermiston's 4th and 5th grade. Columbia won this game. The 7th and 8th grades of both schools also played, the Hermiston school won. Ice cream was served and the Hermiston band rendered a short concert which was enjoyed, by all. Counting the parents who accompanied the children, there were about 500 who participated in the days fun.

The Study Club Meets

The Study club met at the home of Mrs. F. P. Adams on Tuesday afternoon. A very interesting and instructive time was spent in the study of Mexico, a live subject at present. At the close of the meeting light refreshments were served. Among those present were Mesdames Voelker, Hanline, Patterson, W. F. Smith, Haugeberg, Hessor, Miles, Spencer, Galahar, Brourison, and Adams. The club adjourned to meet again in two weeks.

Our Mistake

John J. Casserly has called our attention to an article in a recent issue of the Herald in which we stated that a contract had been cancelled by him in a suit brought by H. T. Hart. Mr. Casserly informs us the article was wrong, inasmuch as Mr. Hart cancelled the contract by refusing to go any farther with the deal between him and Mr. Casserly.

Are you going to Boardman for the big barbecue? The Hermiston school bus has room for 19 more passengers. Make reservation early. Leave Oregon hotel 9:00 a. m., Monday, May 31. T. L. Hall.

"PEP"

By Grace G. Bostwick, from the American Magazine.

Vigor, vitality, vim, and punch—
That's pep!

The courage to act on a sudden hunch—
That's pep!

The nerve to tackle the hardest thing,
With feet that climb, and hands that cling,
And a heart that never forgets to sing—
That's pep!

Sand and grit in a concrete base—
That's pep!

Friendly smile on an honest face—
That's pep!

The spirit that helps when another's down,
That knows how to scatter the blackest frown,
That loves its neighbor, and loves its town—
That's pep!

To say "I will"—for you know you can—
That's pep!

To look for the best in every man—
That's pep!

To meet each thundering knock-out blow,
And come back with a laugh, because you know
You'll get the best of the whole darned show—
That's pep!

Crowd Of Six Hundred Turns Out To Base Ball Game At Hermiston Sunday

One of the most exciting and best played games of base ball was given the fans last Sunday when Hermiston took Echo into camp. The score given by the official score keeper was 8 to 6. There is some dispute about the score in Hermiston as they claim that the score should have been 9 to 6. However, they won the game and they are willing to let it go at that.

The game was full of surprises and intense interest from the start, and not until the last inning was over, was it a cinch that Hermiston would walk away with a clean fought victory. Echo in the last inning staged a small garrison finish that looked for a few minutes like they would tie the score. But they did not have the stuff to win, and the game ended without Hermiston going to bat in the last half of the ninth inning.

Hermiston knocked two Echo pitchers out of the box in the first four innings and gathered enough runs to win the game. Galloway lasted one inning, Mitchell 3½ innings and Thornton finished the game for Echo.

Phelps pitched good ball all through the game, but in the latter part allowed several hits that encouraged the Echo fans, and they gathered four runs in one inning, but not enough to win the game.

The support given Phelps by the home team was glib edged, and if they keep it up, nothing can stop the boys from landing on top in the percentage column when the season is over.

Following is the score:

ADDITIONAL LOCALS

The U. S. Reclamation service has several acres for pasture for a limited number of stock at the Cold Springs reservoir. For full particulars apply at the office in Hermiston. Project settlers given preference.

The Bridge club held its regular meeting Monday afternoon at the home of Mrs. W. T. Roberts, with about 16 members present. A very pleasant time was enjoyed by those present after which a dainty luncheon was served by the hostess.

E. J. Willits, bookkeeper at the local U. S. R. S. office, met with a very painful accident Monday evening while caliming a room at his residence on the West side. In some way he made a wrong step while on a ladder and fell breaking his leg at the ankle. Mr. Willits is recovering nicely, however.

A fishing party including Pete Shavor, L. Ludgreen and W. Chisholm all of Pendleton, passed through Hermiston Wednesday on their way home with a six gallon can full of trout which they caught in the Crooked river, Crook county. While in the city they made Lay's garage their headquarters.

Graduating exercises of the class of 1920 were held last Friday night at the high school auditorium with a large crowd present.

Misses Lauretta Bennett, Marie Casserly, Bertha McKeen, Grace Thompson, Ruth Sprague, Janice Brigham, Mildred Percy, Kathryn Beebe and Viola Crandall.

JAPANESE STAR IN "THE HONOR OF HIS HOUSE"

The age-old situation of two men and a woman has been skillfully woven into the plot of "The Honor of His House," which is to be shown at the Auditorium, Saturday night, May 29. Written by Marion Fairfax, "The Honor of His House" has as its star Sessue Hayakawa, the brilliant Japanese actor, supported by Florence Vidor and an especially good cast. Miss Vidor is given an opportunity to wear some of the gowns for which she is famous, including one dinner frock of brocaded satin with which she wears pearls and orchids. Another interesting costume consists of a tiger skin, soft brilliant hued chiffon and leaves.

ROYAL TENNIS EXPERT

King Gustav V of Sweden on the tennis courts at his country palace. The king is an enthusiast at tennis and plays a remarkably good game.

C. A. Lymah, chief of the repayment division of the Reclamation service with headquarters at Washington, D. C., made a fiscal inspection on the Umatilla project last week.

Memorial Day services will be held in Hermiston next Sunday at 11:00 o'clock a. m., in the Auditorium. The services will be conducted under the auspices of the American Legion, and Hermiston will see a real military Memorial Day service, perhaps for the first time.

The Legion's service will be universal all over the United States. The same service being held in every town where the Legion has taken over the program of the day, and this will, no doubt, be a rule in the future.

The service here will begin at 11:00 and will last about an hour. The Post Commander will call the meeting to order and welcome all to their services to pay homage to those brave souls who have gone before us, but who are never forgotten. Rev. Hall, G. A. R. Civil War veteran, will deliver the address; Miss Short will render a vocal solo, and the school band, under the direction of Principal A. C. Voelker, will play a selection.

After the program is over in the Auditorium, the Legion, who will be in full military uniform, will fall in line in front of the building and the parade will start for the cemetery with the band. B. F. Strohm, a Civil War veteran will act as marshal of the day and lead the parade.

At the cemetery the ceremony will be completed, the graves will be decorated, the chaplain will offer a prayer, after which the firing squad from the Legion will fire a volley to salute the dead over their graves and taps will be blown and all will unite in singing "My Country 'Tis of Thee."

The Legion, working in cooperation with the Commercial club, request all who have automobiles to see that they are appropriately decorated in keeping with the occasion. All flags on buildings and poles should hang at half mast.

All are invited to participate in a picnic which will be held at B. F. Strohm's place after the services.

HERMISTON GIRL HONORED

Miss Marion Briggs of Hermiston, a student at the University of Oregon, was honored recently when she was elected to membership in the Phi Theta Kappa, a national women's commerce fraternity.

Those having the privilege of seeing Hermiston and the surrounding country from the clouds last Saturday and Sunday were: Merrill Potter, Miss Gimble and brother Julius, Ray W. Sprague and Reinhard Buhmann. They all report the scenery fine and weren't the least frightened, although they did admit it was a queer sensation.
