DOROTHY DALTON WILL BE IN GREAT PICTURE SATURDAY

Dorothy Dalton, the charming Paramount star who, under the direction of Thomas H. Ince, has come to take one of the highest places in film-dom will be seen here Saturday, August 7th, at the Auditorium in "Love Me," one of her best pictures, written by C. Gardner Sullivan and supervised by Thomas H. Ince. "Love Me," which boasts an excellent cast, is a story of a western girl, Maida Madison who through their joint profession of engineering, meets young Gordon Appleby and eventually goes east with him as his wife. How his severely exclusive family refuse to recognize her and how she finally at a great cost, manages to win their love, makes a tale of absorbing interest. An excellent cast supports Miss Dalton. Don't forget the date.

SEARCHED FOR FUGITIVES

A posse hunting the fugitives from the Pendleton jail stopped in Hermiston for breakfast Friday morning on their way out to search the country around the Cold Springs reservoir, following a slight clue that had been obtained. It was claimed that a Ford car was taken from Reith Thursday evening, and had been seen passing near Echo about four miles to the westward at a terrific speed. Sheriff Anderson of Baker county, Asa Thompson and Charles Hoskins of Echo were among those in the car. All men were heavily armed.

TO THE ALFALFA GROWERS

Is your hay for sale? We buy and sell baled alfalfa hay in car lots.

We have storage room for baled hay in any quantity, until the warehouse is full, at 50 cents per ton per month, or part of month.

At present we have some unallotted space. Parties storing hay with us are under no obligation to sell to us, though we give said parties, preference on sale when we are buying.

We find it to our advantage to have our hay baled and ready for shipment, when the market demands it.

At the present price of labor it costs about \$1.50 per ton to put the hay from the wagon into the stack. This will pay for three months storage, besides having your hay ready for a quick market during this time.

We will be pleased to discuss the hay situation with you at any time. Office hours, 9:00 a. m. to 12, and 2:00 p. m. to 5.
