ORDINANCE NO. 101
 To submit to the legal voters of the
 City of Hermiston measures pro-
 posed by the common council and
 now on file with the City Record-
 er of said city, to be voted on at
 the next ensuing general election to
 be held within the city on the
 2nd day of November, 1920, and
 to direct the publication of said
 measures, together with this ordi-
 nance, and to provide a title for
 each of said measures and the
 ballot numbers and ballot titles
 thereof.

THE CITY OF HERMISTON DOES
 ORDAIN AS FOLLOWS:

Section 1.—That there be sub-
 mitted to the voters of the City of
 Hermiston all measures herein pro-
 posed to be referred to the people of
 the City of Hermiston by the common
 council and now on file in the of-
 fice of the city recorder, to be voted
 upon at the general city election to
 be held in said city on Tuesday, the
 2nd day of November, 1920, be-
 tween the hours of 8:00 o'clock a.
 m. and 8:00 o'clock p. m. of said
 day, which said measures, together
 with the ballot numbers and ballot
 titles thereof, are as follows:

BE IT ENACTED BY THE PEOPLE
 OF THE CITY OF HERMISTON:
 Section 1.—That Section 72 of the
 charter of the City of Hermiston be
 and the same is hereby amended to
 read as follows:

Section 72.—No money shall be
 expended, or payment made, from
 any fund of the city, except special
 assessment funds, until a specific ap-
 propriation shall be made therefor,
 and an ordinance making an appropria-
 tion of money must not contain
 a provision on any other subject. All
 indebtedness of the city and other
 charges shall be paid as the same
 mature, or in accordance with the
 terms of the contract. The com-
 mon council shall have power, by
 ordinance, to limit the expenditures

of every department of the city gov-
 ernment, except interest charges and
 other charges fixed by contract or by
 this charter, during each fiscal year,
 or during any month thereof, and
 any contracts made, debts created, or
 liability incurred in excess of the
 amounts authorized by the council,
 where the council may so limit the
 expenditures of money, shall be null
 and void. The city shall issue no
 warrants or other evidence of indebt-
 edness for any purpose whatsoever
 in excess of five per centum of the
 assessed valuation of all property of
 the city, except in special assessment
 funds, unless there is money in the
 treasury duly appropriated and ap-
 plicable to the payment of the same
 upon presentation; provided, how-
 ever, that in case of epidemic, disas-
 ter by fire or water or other emergen-
 cy, the council shall have power to
 create special emergency funds and
 incur liability on account thereof in
 excess of revenues provided by ordi-
 nance. The council shall have power
 and authority by ordinance to order
 and contract for street improvements
 and other public improvements which
 it may deem expedient and necessary
 for the public welfare and to pro-
 vide for the payment of the same by
 the issue of city warrants on any
 fund provided therefor, not exceed-
 ing the limit of warrant indebtedness
 herein prescribed.

Section 2.—All acts and parts of
 acts in conflict herewith are hereby
 repealed.

ated, except upon the express con-
 sent of the owner of such land, or his
 duly authorized agent, first obtained
 in writing.

Section 2.—That subdivision 14 of
 Section 101 of the Charter of the
 City of Hermiston be and the same is
 hereby amended to read as follows:

Subdivision 14.—Where the esti-
 mated assessment against any lot,
 part of lot or parcel of land for any
 local improvement, appears to the
 common council as excessive or out
 of proportion to the special benefits
 to be derived to the property by reason
 of such local improvement, and
 where the improvement of a street in
 any local improvement district ap-
 pears to the council to be of general
 benefit and value to all the inhabi-
 tants of the city, the common coun-
 cil may, by ordinance, appropriate a
 sufficient amount from the general
 tax or special tax funds of the city
 to pay for so much of the cost of
 such local improvement as shall not
 be provided for by assessment upon
 the property specially benefited by
 such improvement, and the council
 may, by agreement with the prop-
 erty owners in any local improvement
 district, provide for payment by the
 city of a just and fair proportion of
 the cost of improving any street or
 roadway within the city. The coun-
 cil shall also have the power and
 authority to create a special fund
 from the general fund of the city
 for the purpose of paying all or such
 portion of any street improvement as
 it shall deem just and fair to the
 city and to the property owners spe-
 cially benefited thereby, and also for
 the purpose of keeping the streets,
 so improved, in repair. The council
 may, by ordinance, whenever expedi-
 ent or necessary to complete any
 street improvement undertaken by it,
 authorize the issuance of warrants
 in payment therefor and fix the
 terms and conditions of payment by
 the city and by the property owners
 specially benefited by any such im-
 provement.

Section 3.—All acts and parts of
 acts in conflict herewith are hereby
 repealed.

Section 2.—The city recorder shall
 immediately cause to be published
 in the Hermiston Herald, a weekly
 newspaper, printed and published in
 said City of Hermiston, a complete
 copy of this ordinance, including all
 the measures embodied herein, to-
 gether with the ballot titles and bal-
 lot numbers thereof, which publica-
 tion shall run in two consecutive
 issues of said newspaper issued prior
 to the general election to be held in
 said city on November 2, 1920.

Section 3.—Whereas, a great deal
 of cement sidewalk is now in course
 of construction on the streets of the
 city and a number of petitions are
 pending and praying and urging the
 city to improve the streets by grading
 and graveling before the time for
 extreme cold weather; and, whereas,
 the streets are now in a rough, brok-
 en and dangerous condition and it is
 necessary for the preservation of the
 health, peace and safety of the inhabi-
 tants of the city that said measure
 mentioned in this ordinance be sub-
 mitted to the voters of the city on
 the 2nd day of November, 1920, an em-
 ergency is hereby declared to exist and
 this ordinance shall be in full force
 and effect from and after its passage
 by the council and approval by the
 mayor.

Passed the common council this
 6th day of October, 1920.
 Attest: Mabel M. Jensen,
 City Recorder.
 Approved by the Mayor this 6th
 day of October, 1920.
 F. C. McKenzie,
 Mayor.

I. H. Van Winkle
 whose appointment as Attorney Gen-
 eral, has been announced by the Gov-
 ernor, upon the retirement of George
 M. Brown to become Justice of the
 Supreme Court, has announced him-
 self as a candidate for election to
 that office at the general election on
 the 2nd of next month. The office
 is to be filled by the people at the
 next election.
 Mr. Van Winkle has been First As-
 sistant Attorney General during the
 entire incumbency of Judge Brown,
 (since the first Monday in January,
 1915) having accepted the position
 at the urgent request of the latter.
 He held the same position under At-
 torney General A. M. Crawford, from
 February, 1904 until July 1, 1915,
 when he resigned to go into private
 practice. During these many years
 of service he has had a wide experi-
 ence in construing and interpreting
 the laws, especially of the State, and
 in advising and guiding the various
 state officers, boards and commis-
 sions, and in the conduct and trial of
 state cases in the state and federal
 courts. In assisting members and
 committees of the legislature in the
 drafting of laws and in passing upon
 the validity of proposed legislation,

perhaps no one has had as much ex-
 perience as he has while First Assis-
 tant Attorney General, through all
 these years. It was on account of
 this experience and ability and his
 well known stand for law enforcement
 that caused Attorney General Brown
 to seek his aid when first elected, and
 to retain him to this date.

Governor Olcott in this instance
 followed his usual rule of promotion
 of an experienced official which has
 heretofore met with the overwhelm-
 ing approval of the people. Mr. Van
 Winkle may well be expected to con-
 tinue the policy of law enforcement
 and careful attention to public inter-
 ests which has characterized the ad-
 ministration of his predecessor. In
 fact, he has been a very considerable
 part of it.

Mr. Van Winkle is a native Oregon-
 ian, having been born and reared on
 a farm in Linn county, and will be
 fifty years old. He is also Dean of
 the College of Law of Willamette Un-
 iversity and its many graduates who
 are practicing in all parts of the state
 and the northwest will be glad to
 know of his promotion. He is, and
 has always been a Republican.

No nominations can now be made
 for this office, because the vacancy
 occurred too late, and each voter will
 have to write on his or her ballot
 the name of the person for whom he
 or she wishes to vote for this office
 and mark an "X" before it the same
 as the names which are printed on
 the ballot.

TO THE VOTERS OF HERMISTON

As announced in these columns
 last week I have decided to become a
 candidate for the office of City Rec-
 order, therefore I ask your favorable
 consideration at the election to be
 held November 2nd. Since 1912 I
 have served your interests as best I
 could as City Councilman without
 compensation. I believe this experi-
 ence coupled with my clerical abil-
 ity and office equipment places me
 in position to ask your support in
 the coming election. I assure you it will
 be appreciated.

FIRST REAL "MONEY WIZARD"

John Law May Well Be Called the
 Daddy of All the Get-Rick-Quick
 Schemes Floated.

Two centuries ago there "reigned"
 in Paris a greater personage than the
 young king, Louis XIV., or his regent,
 the duke of Orleans—a money wizard,
 whose operations are recalled by the
 Ponzi speculative scheme in Boston.
 He was John Law, a Scotsman, who
 through his friendship with the duke
 of Orleans, established a credit bank
 on the theory that money is the cause
 not the result of wealth. He obtained
 for the bank a monopoly of the na-
 tion's foreign trade, the profits of
 which would repay the investors.
 In 1716 Law established a private
 bank with a capital of 6,000,000 livres,
 with power to issue notes. It became
 an instant success, and his paper cur-
 rency became more valuable than the
 minted currency of the government.
 Then he formed his company of the
 west, developing Louisiana territory,
 with a capital of 100,000,000 livres.
 New Orleans was built. Trade ex-
 panded. Shares in the company rose
 in value until first Paris and then the
 whole of Europe went mad. Every-
 one was growing rich. Law became
 director general of finance for France.
 But the height was reached in De-
 cember of 1719, when his enemies, by
 side schemes, began to break him. He
 suddenly found himself bankrupt. He
 escaped from France, became a wanderer
 and died in poverty.

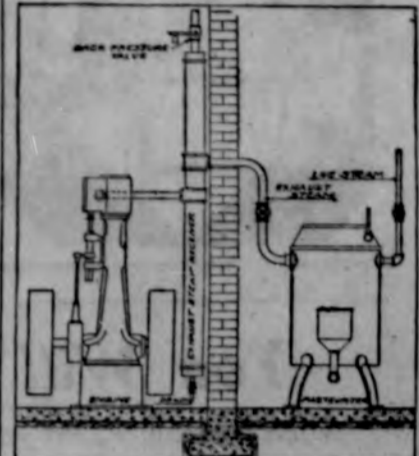

Not a Matter of Relief.
 "Music speaks a universal lan-
 guage," said the enthusiast.
 "I have heard so," replied Mr. Cum-
 rox. "But judging by the programs,
 the words of a universal language are
 just as hard to spell and pronounce
 as any others."

DAIRY FACTS

WASTE STEAM MADE USEFUL

Utilization is Economical on Account
 of High Prices of Coal and Elec-
 tric Power.

The practical value of using exhaust
 steam in various creamery operations
 is being demonstrated by the dairy
 division, United States department of
 agriculture. Last year 45 creameries
 installed exhaust-steam water
 heaters and hot-water boiler-feed
 pumps, assistance being given and, in
 some cases, plans furnished by govern-
 ment specialists. Equipment for us-

Connections for Using Exhaust Steam
 in Continuous Pasteurizer.

ing exhaust steam to pasteurize cream
 was installed by six creameries and a
 number of others introduced similar
 economies.
 The result of such efforts, it is pointed
 out, makes possible more economical
 operation. The high prices of coal and
 electric power have given added
 importance to the utilization of
 steam formerly wasted.

FLIES TORMENT DAIRY COWS

Mixture Recommended by Minnesota
 Expert to Keep Pests Away
 During Summer Season.

By preventing flies from tormenting
 the cows much greater flow of milk is
 secured during the summer months
 and the remainder of the lactation
 period. The following home-made mix-
 ture has given good results at the col-
 lege dairy farm. It is better than sev-
 eral other mixtures tried and quite as
 efficient as the prepared sprays cost-
 ing a dollar per gallon. It is made as
 follows:

- 1 1/2 quarts of any standard coal tar
 dip.
- 1 1/2 quarts fish oil.
- 1 pint of oil of tar.
- 1 quart of coal oil.
- 1/2 pint of oil of Eucalyptus.
- Mix in ten gallons of lukewarm soft
 water in which a bar of laundry soap
 has been dissolved.
- Spray twice a day, in the morning
 after milking and in the afternoon
 when cows are brought in for silage or
 green feed. When a half barrel cart
 with spray nozzle attachment is used
 two men can spray a herd of forty
 cows in ten minutes. This mixture is
 not perfect and does not keep all the
 flies away and, furthermore, it leaves
 the coat rather harsh and causes dust
 to adhere; however, it is very benefi-
 cial and practical and results in more
 milk and greater comfort.—H. H. Kil-
 dee, University Farm, St. Paul.

CALF-FEEDING RULES

- 1. Do not overfeed.
- 2. Give feed in a clean, whole-
 some condition.
- 3. Have the utensils scrupu-
 lously clean.
- 4. Feed regularly and in small
 quantities.
- 5. Always feed at a tempera-
 ture of 95 to 100 degrees Fahren-
 heit. Use a thermometer—do
 not use your finger.
- 6. Give the calf water to
 drink.
- 7. Be regular in everything.
- 8. Give the calves exercise in
 the open air during good weather,
 but do not expose them dur-
 ing cold, rainy weather.
- 9. Provide clean, well-lighted
 pens with plenty of bedding.
- 10. Gruel feeding may be con-
 tinued after the fourth month if
 desirable or it may be disconti-
 nued at three months of age, and
 the calf be put on a hay and
 grain ration.

KILL STABLE FLIES QUICKLY

Ten Per Cent Solution of Formalin in
 Milk Sprinkled in Gutters
 Is Recommended.

A quick and sure method of killing
 stable flies is to make a 10% solution
 of formalin in milk and sprinkle it on
 the cement floors and gutters. The
 flies are attracted to it and are killed
 in 30 minutes. Then the floors are
 washed and the stable is clean for the
 day. This operation is repeated each
 morning as long as necessary. At the
 beginning of the campaign it will take
 several mornings to clear out the flies,
 but after that it will be necessary to
 do it only as often as they become
 bothersome. Their breeding place in
 the manure pile outside the stable
 should be done away with and the
 manure drawn out daily to the fields or
 placed in a fly-tight pit.
