HERMISTON VS STANFIELD FOOT BALL GAME GREAT

Last Friday afternoon on the Hermiston High School foot ball grounds, the Hermiston High School eleven defeated Stanfield, 32 to 6.

A very small crowd was present to witness the game, owing to so many social activities for Hallowe'en, preventing many of the school children from witnessing the game that would have otherwise, and a very few citizens of the town were present, owing, perhaps to lack of advertising. The game was scheduled in a hurry and proper publicity could not be given. However, the crowd will be larger next time, for the brand of football that our boys are putting up will attract crowds anywhere, and Hermiston citizens are more than proud of school children's athletic activities.

The game was much onesided, Hermiston taking the aggressive all through, and the score would have ben 32 to 0, only for the fact that a fleet footed runner of the Stanfield eleven caught a forward pass from Hermiston's backfield and run about 60 yards for a touchdown. It was a grand spectacular play, and amused the crowd immensely, for all were glad to see Stanfield score against our home boys. It was just a case of being glad to see the weak score against the strong, for our boys were outclassing Stanfield at every stage of the game. It must be said in justice to the Stanfield boys that they have had little practice and were not prepared to meet such an aggregation as the Hermiston High.

There will be another game in the near future between Stanfield and Hermiston, when the Stanfield eleven will be able to give our boys a much harder battle, and a big crowd should be out to see the game. Look for the bills announcing it, and then be on hand when the referee blows the whistle.

Complete Plans For Conference

Plans for the Older Boys' Conference in Pendleton, November 5-6 are being completed rapidly. The program will begin Friday afternoon at four o'clock with a brief address by the Conference Director, A. E. Yount, on the subject, "Why are we here" followed by a short address by Rev. Geo. L. Clark of Pendleton. In the evening Mr. Norman F. Coleman, President of the Loyal Legion of Loggers and Lumbermen will speak on the subject, "Am I Fit?" Saturday morning will be taken up by addresses and conferences. The afternoon will be given over to recreational features in charge of Cash Wood, Co. Y. M. C. A. Secretary for Umatilla Co. Saturday evening there will be a banquet for all delegates given by the people of Pendleton. On Sunday the delegates will attend church and Sunday School with their host and hostess, in the morning. In the after noon there will be a large mass meeting for delegates of the Conference and the Older Boys of the city of Pendleton. This meeting will be addressed by Mr. Hal Donnelly, Student Secretary for the University of Oregon. The closing service of the conference will be Sunday evening in charge of W. W. Dillon, Executive Secretary of the Interstate Executive Committee of the Young Men's Christian Association of Oregon and Idaho.

Horse Thief Taken

Marshal Crandall took Clyde Wheeler into custody Monday on a charge of horse-stealing. He has been wanted for some time by the Yakima authorities and Marshal Crandall found him working in this vicinity. Wheeler was kept in jail until Wednesday night when he was called for by oficers who will turn him over to the Washington police.

If Hermiston beats the Pendleton High School second team Saturday, November 13th, it has a right to play the first team and a chance to win the Eastern Oregon championship, which includes Pendleton, La Grande and Baker City. Hermiston has a right to get into this championship contest, and if everyone who possibly can, will be on hand Saturday the 13th to root for the home boys we can get there.

Hermiston High Gets Big Game

On Saturday afternoon, November 13th at 3:00 o'clock p. m. the Pendleton High School and Hermiston High School foot ball teams will lock horns for the championship of the county.

The Pendleton High School team has a wonderful record this year and Hermiston has not been defeated so far, and indications point out the fact that this will be the greatest game ever played in Hermiston.

The price of admission for this game will be: children 25c, adults 50c, and the boys want a record crowd out, and they are entitled to it. Don't forget this game on Saturday, November 13th.

The Red Cross Christmas Seals

The Oregon Tuberculosis Association, under the direction of the executive secretary, Mrs. Saidie Orr-Dunbar, is organizing its forces throughout the state for the annual sale of Christmas Seals. Robert W. Osborn, who has just conducted a tuberculosis survey of eastern Oregon, has been named seal sale director and is already in the field building up an organization for what the association hopes will be the biggest and most successful sale yet held in the state.

The Public Health Association will conduct the sale in the 11 counties where they exist; they are Jackson, Coos, Lane, Washington, Clackamas, Hood River, Union, Harney, Curry, Multnomah. In other counties organizations have already signified their intention of taking an active part in the sale of the Seals. In Yamhill county club women will conduct the sale in McMinnville, Newberg, Sheridan, Amity, Willamina, Dayton, Carlton and Dundee.

Miss Edith Willie of Dayville, Grant county, has the distinction of being the first woman to volunteer her services as seal sales agent before the sale has begun. Columbia and Clatsop counties were visited during the past week by Mr. Osborn and organized assistance was arranged. Mrs. Dunbar visited The Dalles last week and spoke before the Sorosis Club and that club volunteered to take over the agency for the seal sale for the entire county of Wasco.

The budget of Oregon Tuberculosis Association for use in 1921 is $35,000 and through the sale of the Christmas seals at a cent a piece, this sum will be sought. This means a sale of five seals per capita if the work of the Association is to be continued along its established lines. If a sum less than this is raised it will mean the sacrificing of some part of the vital educational, demonstration and expermintal work.

Four and a half million seals have been received by the Oregon Association. The 1920 Seal features a tiny green elf, who carries aloft the standard of the Anti-Tuberculosis Association, the red double-barred cross while riding atop the pack of gifts carried by Santa Claus. The scheme of the stamp is to typify the "greatest gift of all, good health," and the attaching of stamps to all letters carrying of the gift of good health to hundreds of Oregon victims of this dread disease, as 95 per cent of the entire proceeds from the sale will be kept in this state to combat the disease.

The Beans Burned!

All she had left in the world was two cents and she burned the beans! A catastrophe? You said it! See Madge Kennedy in "Dollars and Sense" at the Playhouse Sunday. A shorus girl's romance with a warm-hearted baker lad. Laughs, tears and thrills aplenty.

Foot ball Saturday afternoon, November 13th, between Hermiston High and Pendleton High School teams. Be sure to be on hand and see this game. It will be a hummer.

President and Vice-President Elect of the United States

WARREN G. HARDING

CALVIN COOLIDGE

The greatest Republican land slide in the history of the United States is what the big city dailies say about the election, even some of the solid South going Republican.

In the state and county, the same thing applies. The state went overwhelmingly Republican, and Stanfield is elected senator, Brown gets the Supreme court vacancy as does Van Winkle the attorney general's job.

The measures that carried in the state are: Regulating Legislative Session; Fixing Term of County Officers; and the Portland Port Consolidation Bill. All the rest of the measures were badly beaten.

The county went Republican with the exception of one office, that of county school superintendent, W. W. Green, (Dem.) winning over Clara P. Stone, (Rep.) by a small majority. All the rest of the Republican ticket was elected.

In our own three precincts, Columbia gave Stanfield a majority, the vote being Stanfield 62, Chamberlain 53; precinct No. 54 gave Chamberlain a majority, 117 to 104, and precinct No. 53 gave Stanfield 91 and Chamberlain 106.

REPUBLICAN RALLY LAST MONDAY WELL ATTENDED

A large number of people turned out Monday night to hear W. A. Harrison of Portland the principal speaker of the Republican rally at the Play House. Mr. Harrison is an overseas veteran and he spoke at some length to an interested audience.

Other men on the platform were J. T. Hinkle, who introduced the speakers, Frank Sloan of Stanfield, J. H. Gwinn of Pendleton and J. F. McNaught. Mr. Sloan asked for the support of the people in his candidacy and Mr. Gwinn spoke on two of the measures.

The High School band played several pieces out side the theatre and a piece inside before the speaking commenced.

COLUMBIA NEWS NOTES

SPECIAL CORRESPONDENCE

The Neighborhood Club will hold an all day meeting November 17 with Mrs. C. M. Edmonds, when the ladies will work on comforts. All are requested to bring darning needles and thimbles.

Mr. and Mrs. Frank Beddow are entertaining Mr. Bently from Pendleton this week.

Mr. and Mrs. Thomas Haddox and Glaude and Frank Waugaman and two children drove to Pendleton Wed. Mr. Haddox went to take the ballot box to the county clerk's office.

The per capita consumption of lumber in the United States for the year 1918 was about 300 board feet.

The American Red Cross

The "Greatest Mother" concept which was visualized in the famous art poster used by the American Red Cross in its second war fund campaign has had its symbolism adapted to the Red Cross work of the post-war era and will illuminate the main poster to be used in the Fourth Roll Call November 11-25. This adaption will bear the title "Still the Greatest Mother in the World." Everyone is familiar with the original "The Greatest Mother in the World," the effectiveness of which has been shown in part by the fact that it has furnished a synonym for Red Cross that has come to almost a household term. More than any other symbol, except the red cross itself, the public has made it the trademark of the American Red Cross.

CITY ELECTION BRINGS OUT LARGEST VOTE EVER POLLED

Election day was a busy day in Hermiston, county, state and national tickets sharing the interest with the city election, which was very interesting. A number of our good ladies had a ticket of their own and they certainly made it hot for the regular ticket printed on the ballot. What made it more interesting was the fact that hardly anyone knew who the ladies were running for their candidates, and most of us were guessing and scratching our heads, wondering what was going to happen. The only thing that did happen was this: the largest number of voters that ever voted in the history of the city turned out Tuesday, and exactly 278 votes were counted. Last election there were 34.

The candidates the ladies run for office were all good men and had they put them on the ballot the result might have been different.

The big election of the nation, state and county also polled a very heavy vote, and the interest was always keen in town during the day, and in the evening all places showing election returns were crowded until the wee small hours in the morning, until all were satisfied how it was going.

From all the returns at hand at this time, it appears that Senator Chamberlain lost to Mr. Stanfield. This office was the most hotly contested in the state election. It was a close race, and the result could have been easily turned one way or the other. It now appears that Mr. Stanfield will carry the state by about 10,000 majority.

Following is the vote for city officials:

For Mayor	
F. C. McKenzie	154
F. C. Woughter	84
W. W. Ilfsley	13
E. J. Kingsley	10
For Recorder

Social at Columbia Well Attended

Several people from town went out to Columbia Friday evening to the Hallowe'en social held at the school house. The school rooms were attractive with autumn leaves and Hallowe'en decorations and an interesting program had been prepared.

The High School Quartette sang several songs, Wilma Waugamar gave a reading from James Withcomb Riley and Mrs. Joe Udey had a whistling solo, accompanied by Prof. McQueen. Little Miss Gentry played some difficult piano selections and "Sonny" Briggs, accompanied by Mrs. George Briggs, gave a couple of martial airs on the traps. Pauline Voelker gave two excellent readings and also accompained Prof. Voelker for trombone solos. Mrs. Udey, Mr. Ott, and Professors Voelker and McQueen played at intervals during the evening.

Delicious refreshments were served under the direction of the club ladies.

Hay Growers to Meet Saturday

A meeting of unusual interest to the alfalfa producers of Umatilla and Morrow counties is to be held in the Baptist shurch of this city tomorrow at 1:30 p. m. Dr. Hector MacPherson of the Federal Bureau of Marketing and Rural Organization, Department of Agriculture, is to speak upon the co-operative marketing of alfalfa both from the standpoint of the man who wants to feed his hay upon the premises and the man who desires to ship his hay. He has had a long experience in helping with the organizations of several of the larger California co-operative marketing institutions and just recently has assisted in the formation of the State Dairy men's League.

Another talk of interest will be made by Fred Bennion, county agent, of Umatilla county. Mr. Bennion has just recently visited two meetings of Hay Growers Associations in Washington and will have much interesting information.

Inquiriesfrom al over the Northwest are coming in about the Columbia Basin Alfalfa Growers Association which the growers of Northwest Morrow and Western Umatilla counties have recently organized. It is hoped to greatly increase the membership and work out plans both for producing and marketing next season's crop through co-operative methods successfully proved out in other and similar lines.

SOCIETY EVENTS OF THE WEEK

Mrs. F. V. Prime gave a Hallowe'en party Saturday evening, October 30, to which about twenty were invited. Hallowe'en decorations were about the house, as were many flowers. Jack-o'-Lanterns were on the porch as well as in the house. Bridge was played until late in the evening, when refreshments were served and the entire party drove to the H. M. Straw residence where dancing was enjoyed for some hours.

—o—

Mrs. E. I. Davis entertained at dinner Sunday at her home on Gladys Avenue. Mr. and Mrs. Fred George and Mrs. Miller and daughter of Echo drove down to spend the day at the Davis home.

—o—

Mrs. Roy Rodgers of the Columbia district entertained about 25 little friends of her children at a Hallowe'en party Saturday night.

—o—

The Bridge Club met last Monday afternoon at the home of Mrs. J. T. Hinkle, Mrs. M. D. Scroggs and Mrs. George Briggs being joint hostesses with Mrs. Hinkle. The rooms were decorated with autumn foliage and flowers. Mothers of the members of the club were guests during the afternoon.

The Play House Changes Hands

A change in the management of The Play House took place Monday, November 1, when Arthur W. Adamson purchased from George H. Adams the franchise and equipment of the local theatre. Mr. Adamson is a North Dakota man and is experienced in the moving picture business. The new management states that the high standard of photoplays will be kept up as formerly and several new features will be introduced.

Mr. Adams has made a large circle of friends during his stay in Hermiston, and they regret his leaving, but through his activities in the moving picture business, he has received some flattering offers from Portland houses and there is a possibility that he may remain in the Northwest.

Mr. Adams thanks the people of the project for the support they have given The Play House and hopes that they will continue to give their loyal patronage to Mr. Adamson.

Leave For East

Mr. and Mrs. Frank Smith expect to leave shortly for the east, where they will visit Mr. Smith's relatives in Oxford, Indiana. They will give up the house they have been occupying on the west side, known as the Dishon house, and after it is vacated it will be taken by George H. Root.
