No. 10

HERMISTON LOSES TO FAST PENDLETON TEAM

In one of the fastest, snappiest games of foot ball ever seen on the Hermiston field was enjoyed by a large crowd last Saturday, when Pendleton's second high school team defeated the Hermiston high school team 13 to 7.

The day was ideal for foot ball and the crowd exceeded expectations, several rooters accompanying the Pendleton team to Hermiston, and rooting and boosting for both sides was heard on every play, one side yelling "Hold 'em," and the other crying "Knock 'em Cuckoo."

Pendleton won the flip and decided to receive the ball. In just two and a half minutes after the play began, they had scored a touchdown through the use of a fast criss cross play that fooled our boys the first few times it was used. They kicked goal and the score was 7 to 0 in favor of Pendleton. In just three and a half minutes on the next play, Hermiston made a touchdown through line plunges and off tackle plays that had the Pendleton boys guessing. They kicked goal and the score was tied 7 to 7.

In the second quarter neither team was able to score, and the ball sawed back and forth over the field. At this stage of the game, however, the Pendleton boys realized that they were up against a real team and commenced to play their very best.

In the third quarter, Pendleton again managed to get a touch down but failed to kick goal, making the score 13 to 7.

In the last quarter the Hermiston boys made heroic efforts to push the ball over for a touch down, but were unable to do so.

The game was clean fought, and a wonderful exhibition. The Hermiston boys did themselves proud, and everyone who saw the game said so. They clearly demonstrated that foot ball is a sport that is going to live in Hermiston in the future, and the interest the home fans took in last Saturday's game demonstrated the fact that they are behind the local team and will support them to a finish.

Hermiston is mighty fortunate in having one of the best referees in the state in the person of W. J. Warner, and through his masterful handling of the game as a referee, visiting teams go away with nothing but praise for their treatment on the field. This feature of the game is no small one, but adds greatly to its enjoyment of the fans.

The High School Student Body prepared a banquet for the visiting team and the local students, and was one of the features of the day. The Auditorium was the scene of this delightful affair and the tables were arranged in the form of a large letter "H". To say that the banquet was a success is putting it mildly. Success is too small a word to describe this affair, wherein short, snappy talks by nearly all the players of both teams, and invited guests made the time fly by only too fast. The feast was prepared by the girls assisted by their mothers and some of the boys, one confessing that he had plucked a single chicken to help out.

The good fellowship that prevailed at this banquet dominated over all other features and the visiting guests were exceedingly loud in their praise for the hospitality shown them and hoped that some day the Hermiston team would come to Pendleton that they might have a chance to return the courtesy.

All in all, Saturday was a red letter day for the Hermiston High School, for they demonstrated that they were the liveliest, most hospitable school in the county, and this impression was carried away with the Pendleton boys. Following is a short squib the East Oregonian printed about the game:

Hermiston Spirit Appreciated
Pendleton's high school's second team football men came home from Hermiston Saturday evening feeling mighty friendly toward the high school folks of the west end city for their hospitality. After taking a 13 to 7 defeat from the local boys, the Hermistonians entertained at a banquet which was served in a local hall by the girls and their mothers. A dance was also held that evening but most

of the local boys had to come home early in order to get transportation. Talk at the high school today centers about the good spirit displayed by the west end people.

The line-up follows:

Hermiston		Pendleton
Huges	C.	Lawrence
Smith	L.G.	Halton
McElroy	R.G.	Johnson
Myers	L.T.	Fletcher
Parker	R.T.	Lang
Warriner	R.E.	McCully
J. Hall	L.E.	Henderson
Hall	Q.	Snyder
Waterman	H.	Warner
Boynott	H.	Simonton
Haddox	F.	Stonebreaker

ELLISON-WHITE LYCEUM COURSE AT UMATILLA

The second number of the Ellison-White Lyceum course was given to a crowded house last Wednesday night in Pounds hall, and was voted by the large number present as the best yet. If Ellison-White send any more numbers like this one, the Umatilla hall will not hold the crowds.

The attraction consisted of four young ladies, all college graduates, who are making their first tour west on the Lyceum circuit. The young ladies greatly enjoyed their stop in Umatilla and were royally entertained while there. Miss Ruth Holden of Missouri was the manager of the company who also took part in the program as dramatic reader and interpreter. Miss Helen Trover, of Illinois, was the vocalist, and was very capable and well received. Miss Grace Dye of Pennsylvania, was the celloist and pianist, and was also exceptionally good in her numbers. Mrs. Correll Carter, of Pennsylvania, was a violinist of rare talent, and rendered two vocal selections. The four young ladies rendered character selections as a quartette, which captivated the house.

The two numbers that have been given up to the present time have been very high class and more than satisfactory. There are three more numbers of this course, the next one December 1st, when Judge William Stout of Indianapolis, lecturer with a national reputation will be the attraction, and promises to bring a great message to our little city.

The decorating committee certainly deserves great credit for the appearance of the hall and stage, which was decorated with the club colors, and myriads of beautiful flowers.

Hermistonians will have the pleasure of hearing a very talented musician in the person of the great Shirley when he comes to the Playhouse next Tuesday. Shirley is a saxophone playing fool, to use the vernacular of the street, and has a good company of musicians with him. Don't forget the date and place. The Playhouse Hermiston, Tuesday, November 23.

Last Saturday night, some time after closing hours, the Hermiston Produce and Supply Company's store was broken into and robbed of about \$400 worth of men's clothing and \$50 in cash.

The robbery was discovered Sunday morning when Mr. Thomas Campbell had occasion to go into the store. He immediately notified the sheriff's office and the robbers were apprehended in Pasco Wednesday.

The American Legion ball, held at the Auditorium Thursday evening, was a decided success from a social and financial point of view. All the surrounding towns were represented and music was furnished by a Portland orchestra. The improvements made in the hall added to the success of the affair, and everyone seemed to enjoy the evening immensely.

Lunch was served at midnight and surplus cakes were auctioned off after some spirited bidding, Hollis Percy acting as auctioneer.

An urgent call for a meeting of members of the Farm Bureau of Columbia is called for Friday evening, November 26th, at Columbia school. Reports from county and state meetings will be heard and the business before the Bureau for the coming winter will be discussed.

Train Service is Greatly Improved

The O-W. R. & N. train schedules changed last Sunday and a new train was added to the schedule of Hermiston.

The new trains are Number 23 and 24, and the terminals of these trains are Salt Lake and Portland, the train being known as the Salt Lake local going east and the Portland local going west. The Trains go through Hermiston at 5:25 a. m. going east and 11:50 p. m. going west, giving the people on the project a night train to Portland. This train is composed of chair cars and sleepers. No. 6 is now a fast mail train and does not stop in Hermiston any more, although it goes through here about 2:00 a. m. No. 24 taking the place of No. 6 for east bound passengers.

The morning local to Portland goes through Hermiston at 10:26 a. m. and east the same time as usual, 3:00 p. m.

The motor goes to Pendleton at 9:00 a. m. instead of 10:30 as in the past, and returns the same time as formerly, 7:00 p. m.

The change of the train schedules makes a vast improvement over the old schedule and the people will be glad to know of this improvement in the O-W. R. & N. service.

Postmaster Skinner announces that there will be no change in the hour of making up mails.

Travel Proves Best Recruiting Lure

Mare Island, Calif. In spite of the fact that all three of the regular services are devoting the greatest part of their publicity campaign to advertising the advantages of their respective vocational training systems, the lure of foreign lands still holds good. Statistics compiled at the recruit depot for the Marine Corps on the West Coast show that forty-two per cent of the rookies give a desire to see the world as the most attractive inducement shown by recruiting posters, thirty-three per cent are attracted by the educational advantages, and of the remaining twenty-five per cent three out of five join the colors because of industrial depression and two out of five come in for military training. These figures were based on the expressed desires of 500 recruits, and tally remarkably well with the experience of recruiting officers throughout the country.

Miss Dorothy Briggs left for Portland Sunday to attend the Pacific International Livestock Show.

City Council Holds Meeting

The City dads held a meeting last Wednesday night in the council chambers in the Library, and made the coming years estimate for the running expenses of the city government. The budget will be found in another column of this weeks paper.

The tie vote for recorder between J. D. Watson and C. W. Kellogg was settled between the two candidates, Mr. Watson taking the first year of the term and Mr. Kellogg taking the second year. Mr. Watson was appointed recorder to take the place of Mrs. Mabel M. Jensen, resigned. Mr. Watson on accepting the recordership resigned from the city council of which he is a member and J. W. Campbell, councilman elect, was appointed to fill the unexpired term.

Foot Ball Game

The foot ball fans who saw the high school boys play Pendleton last Saturday will be glad to know that they will play Athena in Hermiston on Thanksgiving Day, and all who see this game will witness a mighty good exhibition.

Pendleton beat our local boys 13 to 7, but the result will be very different next Thursday. Come out and help boost our boys to victory.

A fiery Parisian dancer,
Wife of an underworld knave;
A fallen American heiress,
Youth faded, a profligate's slave.

Alike as twin sisters, in secret
They plot each the other to feign;
Adventure and love 'wait the dancer,
The heiress meets Fate in the Seine

Two persons in one, and both living
Their tangled careers 'fore your eyes;
Portrayed by fair Dorothy Dalton;
"L'Apache" is the film; it's a prize
Playhouse Wednesday, November 24

Fall Freshening Best

Cows freshening in the fall give from 10 to 20 per cent more milk than if they had freshened in the spring or summer, says E. B. Fitts, O. A. C. and federal field man for Oregon, in his report on September cow testing. The herd that led all the others averaged 910 pounds of milk with 46.63 pounds of fat, while the average for 5000 cows reported was only 533 pounds of milk with 25.62 pounds of fat. This was the Smith-Umqua herd in which a large part of the cows were freshened in the fall.

GEORGE STROHM TAKES FIRST PRIZE WITH HOGS

Rural-Carrier Examination

The United States Civic Service Commission has announced an examination for the county of Umatilla, Oregon to be held at Pendleton and Hermiston on Dec. 11, 1920 to fill the position of rural carrier at Athena, Echo and Weston and vacancies that later occur on rural routes from other post offices in the above-mentioned county. The salary of a rural carrier on a standard daily route of 24 miles is \$1,800 per annum with an additional \$30 per mile per annum for each mile or major fraction thereof in excess of 24 miles. The examination will be open to citizens who are actually domiciled in the territory of a post office in the county and who meet the other requirements set forth in Form No. 1977. Both men and women, if qualified, may enter this examination, but appointing officers have the legal right to specify the sex desired in requesting certification of eligibles. Women will not be considered for rural carrier appointment unless they are the widows of U. S. soldiers, sailors, or marines, or the wives of U. S. soldiers, sailors, or marines who are physically disqualified for examination by reason of injuries received in the line of military duty. Form No. 1977 and application blanks may be obtained from the offices mentioned above or from the United States Civic Service Commission at Washington, D. C. Applications should be forwarded to the Commission at Washington at the earliest practicable date.

Home Day Nov. 20 at O. A. C.

Starting with a rally Friday night the home coming day at O. A. C. will reach its climax in the big classic grid battle, U. of O. vs. O. A. C. Saturday, November 20. Clubs and fraternities will be thrown open to returning students, feasts and stunts will be offered for their entertainment, and a big reception Saturday evening will be held in their honor. The alumni forum will meet Sunday morning, and open house will be kept in honor of the old grads till they are ready for home Sunday eve.

The City Bakery is having a new sign painted on their window.

For the second year in succession, George Strohm has taken the first prize on the best car load of fat hogs and has put Hermiston on the map again before the entire Pacific Northwest.

Hermiston's live stock industry has been in the front at every show where her stock has appeared this season, and Mr. Strohm's last prize is the grand climax to a wonderful year and record for our stock.

There is not a spot under the sun better fitted for the raising of live stock than the Umatilla project, and that fact has been brought home to us here and advertised all over the country this year through the wonderful showing of our stock. We have plenty of hay, plenty of sunshine, and plenty of good water, and ideal weather, what more can be desired for the raising of live stock?

At the auction sale yesterday, Mr. Strohm wired us that his hogs sold for \$16.75, and they weighed 222 pounds each.

Last year in the same show, Mr. Strohm won the same prize, and the hogs sold for the market's top price.

UMATILLA ITEMS

SPECIAL CORRESPONDENCE

The Umatilla Commercial Club have a big card up their sleeves that they are going to put over in the near future. Watch for announcement of the date for one of the big events of the west end which will be announced soon.

There will be a rousing big meeting of the Umatilla Commercial Club on Friday, November 26th to complete plans for a gala day for Umatilla. The date will be announced next week.

Twenty skilled mechanics arrived in Umatilla the first of the week, and construction will begin at once on the new Umatilla round house for the O. W. R. & N. R. Co. The round house will be one of the most modern in the state and will be constructed out of hollow tile. They estimate about 60 working days will be required to erect the new structure.

Umatilla is a mighty busy city these days. Street improvements, considerable building, and a big pay roll makes things hum down there.

S. Stangeby will leave for Norway next Sunday where he will make an extended visit.

The new city council was sworn in last Tuesday evening, and took hold of the reins of the city government.

On account of so many workmen in the city for the construction of the new round house, rooms are at a premium.

Born—to Mr. and Mrs. W. H. Shephard, a 9 1/2 pound baby girl, Friday, November 12th.

The Millinery School given under the auspices of the Women's Home Bureau was an immense success, about 15 ladies participating each of the three days. Dainty luncheon was served each day by the women.

The Red Cross drive under the direction of Mrs. Alice R. Nugent started in Umatilla with a buzz and promises to go over the top before the limited time.

You have seen Tom Moore in those delightful romances, "The Gay Lord Quex," "Toby's Bow," "Lord and Lady Algy." You know what a marvelous entertainer he is, what a fund of personality, energy, smiles, original touches, delightful humanness. Now Tom is going to appear in what is undoubtedly the strongest, most earnest drama of his great career. "Duds" is the title and mystery is its background.

Playhouse Sunday, November 21st

Who killed him? The detectives accuse Arsene Lupin. He accused—See "The Teeth of the Tiger" at the Playhouse, Saturday, November 20th.
