SECRETARY HOUSTON WRITES TO CHILDREN

Secretary of the Treasury Houston has addressed the following letter to the school children of America:

"To the school boys and girls of America:

I have been gratified to hear of the fine record you made last year in saving money, and of your investment in Thrift Stamps, War Saving Stamps and other Government securities. Your Government is proud that the young people of the Nation are developing these most practical habits. I can assure you that the money you are now investing in Government Saving securities is very helpful in meeting your country's great responsibilities. While you are aiding your Government through the purchase of these securities, you are forming habits which will be most valuable in the future in the mastery of your personal financial affairs. I congratulate you on your record and encourage you to continue this splendid work.

It is my earnest hope that from the lessons of thrift which you are learning in your school, by your practice of saving, investment and intelligent use of all your money, you may early in life get such a start toward financial independence that your success will be assured.

In order to provide for the needs of those who desire to invest in amounts larger than the 25 cent Thrift Stamp and \$5.00 War Saving Stamp, the Treasury Department has issued two new securities, a \$1.00 Treasury Saving Stamp and a \$25.00 Treasury Saving Certificate to be added to its present list of saving securities. Four of these stamps with a few additional cents can be exchanged for a \$5.00 Saving Stamp, or twenty of them with the addition of a small cash payment can be exchanged for a \$25.00 Treasury Saving Certificate. I trust that your savings may increase in 1921 over what they were in 1920 and that the \$1.00 Saving Stamp and the \$25.00 Treasury Saving Certificate may be attractive to you in the investment of your future savings.

Sincerely Yours
D. F. Houston,
Secretary"

"PEP"

Vigor, Vitality, Vim and punch—
That's pep!
The courage to act on a sudden hunch—
That's pep!
The nerve to tackle the hardest thing, With feet that climb, and hands that cling,
And a heart that never forgets to sing—
That's pep!
And and grit in a concrete base—
That's pep!
Friendly smile on an honest face—
That's pep!
The spirit that helps when another's down,
That knows how to scatter the blackest frown,
That loves its neighbor, and loves its town—
That's pep!

—Moonbeams

Everybody has settled down to the regular routine of school work after he worry and suspense of the mid-year exams.

Mrs. Kinney of Waterville, Wash. has accepted a position as teacher in the high school filling the vacancy left by Miss Hall.

The try outs for the selecting the debating team held Mon. afternoon. Mr. Warner, Mr. Scroggs and Mr. Voelker acting as judges. Those selected for the affirmative team were Grace Skinner and Dewey Payne with Zona Bessel as alternate; for the negative team, Jane Gunn and Herbert Hall with Claude Whitsett as alternate.

The Debate which was to have been held Friday, Feb. 4, has been postponed for two weeks.

Miss Hazel Sutherland entertained a number of her friends at a birthday party last Saturday evening in Mack's hall. A pleasant time was enjoyed by all.

Harold Waterman, Vice-president of the Senior class, editor of the High School Mirror, and captain of the

boy's basketball team has resigned his numerous positions and will not attend school this coming semester.

A double-header basketball game has been scheduled for Saturday night, Feb. 5, with Lone. This was the only date we could secure with Lone and we are very sorry that our game conflicts with the Movie night.

Last Friday evening the High school basketball teams met Pilot Rock in two, fast and peppy games. The Pilot Rock quintet proved too much for our boys with a score of 33 to 19 but the girls saved the day with a score of 28 to 16. The two schools formed serpentine toward the end of the game, and marched through the hall; Pilot Rock to the sound of:

We're pep! We're pep!
We've got it. Downgone it.
Don't lose it. Let's keep it.
We're pep! We're pep!

The Hermiston rooters came back with:

Yes! Yes! H. H. S.

After the game the Parent-Teachers gave a dancing party for the H. S. and Alumni. Music was furnished by the H. S. orchestra and delightful refreshments were served by the patronesses. The Pilot Rock teams stayed for a while.

We have tried to polish The Mirror this week. Do you notice the shine?

GRADE NEWS

The pupils of the first grade are making Lincoln posters. The first grade room is very attractively decorated with plants, paperflowers and blackboard drawings.

The pupils of the fourth grade are all back in school this week with the exception of Ester Knox, who has been sick with the Diphtheria. Josephine Correll is also absent.

The fifth grade pupils were doing their work with the fourth grade during the absence of their teacher last week.

Nine pupils were absent from the

sixth grade this morning.

The seventh graders were doing their work with the sixth grade last week, Miss McCoy being absent on account of illness.

Isabell Dodd is in Portland.

Fank Stephens has gone to Tacoma for a several weeks visit.

Irma Jensen is back after a siege of the mumps.

The eighth grade began the week with full attendance.

Helen Peimulder and Gwendolyn La Barre ranked first in the six week exams.

Ruby Powell is absent from the Junior class on account of a severe case of tonsillitis.

The boys of the dairy record club tested milch with the Babcock tester Monday.

Herald Smith, Rosa Norvok, Myrtle Burchett and Richard Dobler are pupils of the primary grades who have returned to school after long absences.

The standards have been erected for the girls basket ball grounds.

A burglar forced an entrance into the school house two nights in succession last week. The most valuable article taken was the football.

Members of the high school have been assigned to fire duty. Those appointed to this will see that the rooms placed in their charge are empty in case of fire.

Miss Jenks who was called home by the illness of her father, has returned and reports him much improved.

Many Children Underweight

Eleven of the 23 children under school age, and 16 of the 16 in school were found to be underweight in child conferences held in Langlois in December. The average per centage of underweight was 9.4, reports Miss Lassie Lane, who conducted the conference as arranged by the home demonstration agent, held in cooperation with the Northern Curry Community club.

Card of Thanks

We wish to thank all our friends and neighbors who so kindly assisted us during the recent illness and death of our beloved daughter, Bessie C. G. Gilliam and family.
