The AMERICAN LEGION

ALL LOST SIGHT IN THE WAR

Members of Evergreen Post, No. 5, American Legion, Eulogized by National Commander.

The spirit of the American Legion does not lag in the members of Evergreen post, No. 5, in spite of the fact that all of its members are men who lost their sight during the World war.

When F. W. Galbraith, Jr., national commander, heard of the formation of the post recently, he immediately wrote a letter to Charles Frear, post commander. Mr. Galbraith intends to visit the post in the near future. The national commander's letter, in part, follows: "I am touched beyond expression that these comrades of ours have seen fit to associate themselves together in affiliation with the great American Legion for the purpose of realizing more fully those ideals for which they fought. It is an inspiration to know that, scarred and maimed to an extent which would lead many to feel that to them there would be no further obligation to give to the world, but rather to live and receive, they still feel a desire to give something further of service to their country and community. This is indeed true nobility."

LEGION OFFICER IN MEXICO

Commander of Department Also Member of National Executive Committee of the Legion.

Although Leigh H. Rovzar, commander of the department of Mexico of the American Legion was president of a large brokerage firm in Mexico City, Mexico, at the start of the World war, he enlisted in the army early in the game.

Mr. Rovzar commanded a battery of field artillery as first lieutenant and upon promotion to a captaincy, served in the Thirty-third field artillery, remaining with that organization during its service overseas. He was discharged from service at the Walter Reed hospital in Washington, D. C., June 10, 1919, and returned to his home in Mexico City.

An organizer of Alan Seeger post of the Legion at Mexico City, Mr. Rovzar was named as its first commander. He was recently elected commander of his department and a member of the national executive committee of the Legion.

IS PIONEER LEGION WORKER

Washington Man, Field Organizer, Will Help Supervise National Movement for More Members.

Robert A. Le Roux, who was one of the pioneer American Legion workers in the state of Washington, has been appointed field organizer at national headquarters, and left recently for Nevada to begin work there.

Mr. Le Roux is a newspaper man and has had considerable experience in the field of organization. He served with a Canadian infantry unit in France during the war. He is one of several national field organizers whose duty it will be to supervise speakers and other organizers in the national movement for more members for the American Legion. The membership campaign to be carried out this year will be national in scope.

DADDY OF LEGION 'POPPY DAY'

Buckeye Major Credited With Originating Idea of Wearing Blossom in Memory of Heroes.

Major Wade C. Christy of Youngstown Post, No. 15, of the American Legion at Youngstown, O., is said to have originated the Legion's "Poppy day" and the idea of selling poppies on the street, to be worn in remembrance of our dead heroes of the World war.

The poppy was adopted at the Cleveland convention of the Legion as the official flower of the former service men's organization.
