BROWN AND GOLD LEAVES
Umatilla High School
By Lotys Davis

Gladys Nugent is absent from high school this week. She is in Portland taking treatment from a throat specialist.

The primary room has been very busy and interested in the study of Washington. Sketches, silhouettes and booklets were made to assist in this.

Chester Burchett of the fourth grade has the chickenpox.

A patriotic program was held Tuesday morning to celebrate Washington's birthday. A patriotic film was shown and the third and fourth grades sang a flag song. Mr. Benjamin gave a talk on patriotism and the observance of Washington's birthday. The school sang "America" and "The Star Spangled Banner" and gave the flag salute.

Fern Rennie of the eighth grade spent the week-end in Portland.

The girls' cooking club have announced that they have a surprise up their sleeves. We are all anxiously waiting for it.

Mr. Benjamin attended the superintendents and principals meeting in Pendleton last Saturday.

The boys' cooking class had their first lesson last week. The results were very satisfactory, except that some of the girls who partook of samples were a trifle indisposed the next day.

The boys of the band have procured their instruments and are industriously practicing. A minstrel show is being planned for the near future to help pay for the instruments.

The teachers are planning to attend the local institute at Stanfield Saturday.
