## MINNEHAHA NEWS NOTES

The try out for the Declamatory contest was held at the school house Saturday evening. Two representatives were chosen to take part in the sectional contest to be held at Echo in the near future. Grace Jackson of the fourth grade represented one division, Lois Jackson of the eighth grade the other. E. P. Dodd, Harold K. Dean and W. J. Warner of Hermiston acted as judges. After the decision a social hour was spent during which time refreshments were served.

Among those afflicted with mumps this week are Mrs. I. B. Pennock and Irah Quick.

Fredevic Thom spent the week end at home.

L. C. Quick had his leg hurt in a run-away one day last week but is able to hobble around.

Mrs. C. M. Jackson was called to Pendleton Saturday on account of the death of her aunt. She returned Tuesday.

### Omitted From Last Week's "Mirror"

I went to school the other day,  
But my girl was a little late,  
It made me feel so very sad  
I vowed next time I'd wait.

I tried to join the others in song,  
But alas, I could not sing,  
For every line I started on  
A thought of her would bring.

I went into the Physics room  
To do a little work,  
But I was thinking of that girl  
And simply had to shrink.

But when I stepped outside the door,  
My heart, it leaped with joy,  
Her coat was hanging on the wall,  
"She's here," I said, "Oh boy."

Then my sadness turned to joy  
The dark cloud rolled away,  
I was glad she's only late you see,  
Not absent all the day.

By a love-lorne lad  
of the class of '22,  
Prof.: "What did Caesar say when  
Brutus stabbed him?"  
Student: "Ouch!"

Teacher: "If you had a powerful  
enough microscope you could see a  
mosquito weep"  
Student: "That's nothing, I've  
seen a moth ball."

Sleeping sickness has come to stay;  
I see its victims every day  
In class they utter not a peep  
But sleep and sleep and sleep.

# TO CAR OWNERS

## The Safe Way

is to have your car examined or overhauled before beginning its regular spring and summer use.

Cars get more or less out of order during the severe winter weather, and do not work as perfectly as they should. This means additional wear and strain on the parts affected, and increased expense to you if allowed to continue in that condition.

Failure to correct these defects has caused the wrecking of many cars. Don't let it occur with yours.

We can overhaul your car at slight expense.

### "An Exciting Family Game"

Madge Kennedy's latest picture, "The Truth," made from Clyde Fitch's famous play, brings to mind a parlor game which can be made quite as exciting as the most thrilling of steppichase rides—provided the participants cling rigidly to the rules.

Any number of persons of either sex may play the game. The players sit in a circle, facing each other. Each player solemnly swears to tell the truth, the whole truth and nothing but the truth to any question that is asked him, also promising absolute secrecy in regard to any confidences that may be divulged.

The time limit for each question and answer is ten minutes, and the player violating this rule should be eliminated and banished. Some care should be exercised in the selection of players. It is perhaps advisable to limit the game entirely to members of the family and close friends, as embarrassing truths are apt to be spilled.

Telling the truth, as you perhaps know, is at times a great deal more exciting than telling a lie. If you don't believe it, we advise you to see Madge Kennedy in the delightful photoplay at the Playhouse, Easter Sunday, March 27th.

Commencing Tuesday, March the twenty ninth the Playhouse will run four program pictures a week. Then theatre will hold two shows every Tuesday, Thursday, Saturday and Sunday at 7 and 9 P. M. There will be no matinees after Easter Sunday until the Baseball season is over. The Management promises a continuation of the policy of the past, that is, the best pictures obtainable at all times.
