ty-three babies in that department of the Sunday school. More additions to the Roll are expected in the near future. The music in the evening church service was especially good, several fine numbers being rendered by a choir of eight voices. We offer our thanks to Mr. and Mrs. Finnell, visitors from Boardman, who helped with the music. Mrs. Finnell rendered the beautiful song, "Rab-on!" in a very able manner, which was highly appreciated by all. A sincere invitation is extended to all who enjoyed the services to come out regularly and help keep up the standard set by the Easter programs, both in the Sunday School and evening worship. A new set of officers take charge of the Sunday School the first Sunday in April. L. A. Doble has been elected superintendent with Mrs. Hood as assistant; Mina Moore, Secretary and Mrs. Seaman organist.

COLUMBIA SEWING SCHOOL TO BE HELD APRIL 7 AND 8

Miss Edith Van Duesan will hold a sewing school in Columbia district April 7th and 8th. The work taken up will be principally gingham dress making. However, it has been announced that some millinery work will be done the first day, as so few of the Columbia ladies could attend the school when held in Hermiston.

The schools that Mrs. Van Duesan is holding over the country are attracting wide attention, for the good ladies find that they learn many valuable hints on how to cut the H. C. L. by making over dresses and re-trimming old hats.
