

The High School Mirror

Vol. 1 Devoted to the Interest and Development of the Hermiston Schools No. 20

Last Thursday afternoon Dean Straub of the University of Oregon, talked to an assembly of the High School and upper grades on the advantages of obtaining a good education, and the disadvantages of quitting school in the grades or before completing the high school. He urged the pupils to at least finish the high school and if possible to take the college course too. He gave several illustrations proving that a college education is one of the necessities of the present era.

Please do not forget the high school Benefit Friday night. We need your support.

The boys in high school and upper grades are making an effort to get together and fix up the track for the meet. They are going to put it around the baseball diamond. So many of the boys work at home on Saturdays that it is almost impossible to get enough together for this work. The girls are also planning on serving the workers a picnic lunch on that day.

The pupils of the High School sold tickets for the High School Benefit the first part of this week. Each pupil was given four tickets and made responsible for the sale of them. Many sold more than the allotted number.

Rev. E. Sims of the Baptist Church came to the High School Friday morning and gave a very interesting talk. Rev. Sims has traveled all over the world and he gave many good descriptions of the places he had

visited. He gave examples of the different ways of greeting in the different countries, also the difference in the way of traveling and eating. Rev. Sims was a missionary to China for several years. He gave several illustrations of the language and writing of the Chinese. He also sang several Chinese songs.

The sympathy of the school goes out to our school-mate Miss Jane Gunn, and her folks in the sad hour of their bereavement. The school sent a floral offering to show their love and respect to the memory of Mr. Gunn who was a friend of the boys and girls. The Senior Class, of which Miss Jane is a member, attended the funeral in a body.

The losing side of the Christmas Seal contest gave the winning side their long looked for party last Saturday night at the auditorium. Though the weather was bad about sixty of the high school members were there. The early part of the evening was spent in games of various kinds, after which refreshments of punch and cookies were served. The remainder of the evening was spent in dancing. Miss Morton acted as chaperone.

Monday at the monthly Student Body meeting nominations for the officers of the Student Body for next year were made. The election will be held in two weeks.

At a meeting of the boys last Monday, Herbert Hall was elected Captain of the base ball team for this season. Harold Waterman was

selected captain and Paul Stockard of next year's basket ball team.

The Hermiston Baseball team went down to defeat before the Stanfield team last Friday in the first game of the season. The score being 15 to 4. Sleeping and inability to find the ball were the strong points for the home team.

In Science Class
Miss Norton: Lawrence, what is on the outer ear?
Lawrence: Dirt.
He was excused from the class.

Grade News

The 6th, 7th and 8th grade girls cooking club have completed the course.

The 7th grade girls were defeated at Umatilla 17 to 11.

The 4th grade beat Columbia last Friday 18 to 9.

William Jacobson from Pendleton has entered the 4th grade.

BROWN AND GOLD LEAVES

Umatilla High School
(By Lotis Davis)

There was no news last week because the reporter was off duty with the chicken-pox.

Naomi Saegreider has entered the fourth grade.

Last Friday two ball games were played. The grade boys played the Echo boys, defeating them in a close game by a score of 11 to 13. The game between the grade girls and the Hermiston girls ended with a score of 11-17 in favor of Umatilla.

Rosa Schackermeyer has quit school.

A try out for the Declamatory contest was held in the grades last Thursday. Clara Park was in the seventh and eighth grade division, Lillian Willworth in the fifth and sixth and Hugh Jones in the third class. Mrs. McFarland, Mrs. Brownell and Mrs. McKenzie acted as the judges.

Ralph Nicholas has returned to the eighth grade after a long absence.

A prize consisting of a \$100 lot in Umatilla has been offered by Cyril Brownell to the student of the eighth grade or high school who writes the best essay on the history of Umatilla. This will include, of course, the present and future possibilities of the town, as well as its past history.

Ruth Pope of the second grade has moved to Baker.

The class in Elementary French is corresponding with the girls Lycee of Besancon, France. The class here will write in French while the girls in France, who are studying English, will correspond in English.
