HEAD OF AMERICANISM BOARD

Henry J. Ryan of Boston, Mass., is Named Chairman of Legion's Reorganized Commission.

Typical of the spirit of the American Legion is the appointment of Henry J. Ryan of Boston, Mass., a former apprentice seaman in the navy, to succeed Arthur Woods of New York, who was a colonel in the army and former police commissioner of New York city, as chairman of the Legion's reorganized Americanism commission, headquarters of which is at national headquarters at Indianapolis.

When the war broke out Mr. Ryan attempted to enlist several times in the army, but was refused because of his defective eyesight. At last the navy accepted him, but he was ordered to remain on shore duty. During the various drives for Liberty loans and war funds the newly appointed chairman acquired a national reputation as an orator, especially on subjects involving patriotism and Americanism.

Other members of the commission are To serve one year, Florella H. LaGuardia, New York city; William B. Pollett, Portland, Ore.; E. K. Bixby, Muskogee, Okla.; Edgar H. Baird, Philadelphia; Garland W. Powell, Cumberland, Md.; Richard F. Belms, Richmond, Va. To serve two years, Peyton H. Hoge, Jr., Louisville, Ky.; A. H. Gansser, Bay City, Mich.; Col. Gordon Johnson, U. S. A., chief of staff to Gen. Leonard Wood, Fort Sheridan, Ill. To serve three years, Will Percy, Greenville, Miss.; Dwight Davis, St. Louis; F. O. Horton, Des Moines, Ia.; Lindsey Blayney, Houston, Tex., and Leonard Withington, Honolulu, Hawaii.

It will be the Legion's aim under Mr. Ryan to co-ordinate and consolidate the activities for the promotion of Americanism of the Y. M. C. A., Red Cross, Knights of Columbus, Masons, Salvation Army, National Security league and many other organizations. To this end a conference will be held in Washington soon.

Be an International Farmer

Buy International machines for the most successful operation of your farm, then keep them 100 per cent International as long as they last by using only Genuine I H C Repairs. Be an International Farmer, and we will back you up by International Service, which is prompt, dependable and permanent.

What an Experienced Farmer Knows

Any farmer of experience can tell about how long his farm machinery will run before the parts that need replacement will wear out. These include, with many others, shares, shovels, guards, knives, sections, blades, teeth, etc.

Order Repairs Early

All these items should be listed and ordered early far in advance of the time when they will be needed. You will save time and money by ordering all the repairs at one time. This will save you money later in the season, when you may be obliged to pay for long distance telephone calls, and express or parcel post charges on numerous small orders.

When Delays are Expensive

And, what may later prove much more costly than these charges, is the time lost waiting for repairs just when the implement should be working to capacity in the field.
