## OREGON NURSERY COMPANY

Orengo, Oregon

"Plant Dependable Trees"

Department A

Reproduced from Kahn Tailoring Co. full-page ad. in April 16 Saturday Evening Post.

---and in spite of low price, quality is maintained

During the thirty-five years that this company has been designing and tailoring high grade, made-to-measure clothes, whenever it came to a choice between the maintenance of quality and the cheapening of our product, Kahn quality has never suffered—the Kahn standard has never been lowered.

On the other hand, by creating through Kahn quality a great demand for our clothes, we have naturally been enabled to produce in great volume, and that single advantage has been sufficient to keep the price of Kahn clothes always within the reach of gentlemen of moderate means and of careful buying habits.

The soundness of this policy has proved out in practice—today the Kahn Tailoring Company is the world's largest producer of fine, tailored-to-measure clothes.

Such exclusiveness of design, such careful hand tailoring, such all-wool purity of materials and such perfection of fit apparently justify prices far in excess of anything that Kahn dealers will ever ask you to pay.

Particularly at this time the surprising economy of Kahn clothes is an unanswerable argument, and I am ready to measure you for perfect fitting clothes of quality.

## COLUMBIA NEWS NOTES

SPECIAL CORRESPONDENCE

The last of the fruit bloom, the winter apples, are now out and fruit men are anxiously awaiting the passing of the next week or ten days until danger from frost is over. Smudge pots in the big orchards are in readiness in case of emergency and many owners are closely watching their thermometers to be on guard. The outlook in the apple crop so far is good and hopes are that the project will yield as large a crop of the fruit as the year 1919.

Irrigating is under way and many farmers are seen daily going horseback galloping from field to field wielding the shovel. The work of irrigating fields at some distance apart seems to be solved advantageously by this method.

Mrs. Will Rhodes, who recently moved with her husband to the Blessing place is going into the chicken business on quite a big scale and is undertaking the business in rather a scientific way. She has a cement floor brooder house which is heated and lighted in such a way that the baby chicks have perfect care and comfort. When one bunch of chickens are large enough they are moved to another more comfortable commodious building to make room for more younger ones. Mrs. Rhodes is preparing to have at least 500 chicks in all, and by the method she is using in her work it seems that she will be entirely successful.

The last of the alfalfa of the Had-dox crop is being hauled away, the balers having finished work there recently.

Mrs. Will Leathers spent a few days of the past week in Pendleton a guest of her mother, Mrs. Whit-taker.

Little Florence Udey is back in school having been absent several months on account of a broken arm.

The Neighborhood club will meet at the home of Mrs. Dan Parker, Wednesday, April 27.

Mothers get your babies registered by Mrs. Henry Sommerer before Conference days May 6-7.

Some of the Columbia farmers are experimenting in the raising of cran-berries, Pete Norquist having planted a small tract to the berries, Geo. Lopp has also put out a few plants. The subirrigated land, according to those who have made it a study seem to be very desirable for this plant. The experiment is well worth trying at any rate is the idea of Messrs. Norquist and Lopp.

### BROWN AND GOLD LEAVES

Umatilla High School

(By Lotis Davis)

Vera Sawyer has entered the third grade.

Miss Irving spent the week end at her home in Portland.

Last Friday was Miss Jenks' birth-day. The pupils of her room surprised her with presents and several birthday cakes, which the whole room enjoyed.

The six weeks examinations have come around again.

At the Declamatory contest Friday night the winners were: Class D including the third, fourth and fifth grades, Lucille George, Echo; Class C, the sixth, seventh and eighth grade, Pauline Voelker, Hermiston; Class B, the High School Declamatory Anna Schachermeyer, Umatilla; Class A, High School Oratory, Hollis Gordon, Hermiston.

These winners will compete with the winners of other sectional contests in the county in Pendleton on May 6th.

The school ball season ended with the games last Friday. The grade school League standing is: Hermiston first; Stanfield second; Umatilla and Echo tied for third place.

Leslie Thompson had the misfortune to be struck in the eye by a base ball while playing Monday. The band boys are giving an entertainment Friday night. A Min-strel show will be the big feature of the program. After the program there will be a basket social. The proceeds will go to the band boys. Everyone is invited to attend.

Mr. Benjamin has installed a new system of permanent Record cards. According to this method the grades made by each pupil in each semester will be recorded on each of two cards. In case the pupil should remove to another school, one card would be sent as a recognition of the grades made, while the other remains on permanent file.

The girls of the sixth, seventh and eighth grades entertained the boys of the same grades at a picnic at Lane Lake Sunday. They all report a good time.

### Farm Reminders

The "30-day" codling moth spray is timed by the following conditional rule: When the evening temperature reaches 50 or above in late May, about 8 p. m., the first generation of codling moths may be expected to deposit eggs. The spray applied then will be ready for the worms which hatch in 8 to 16 days.—O. A. C. Experiment station.

# The High School Mirror

Vol. 1

Devoted to the Interest and Development of the Hermiston Schools

No. 23

Thursday just before noon Mr. Sims brought Miss Christman, the leader of the W. W. G. (World Wide Guild) girls to the school house. Miss Christman gave a very delightful and instructive talk. The motto she presented was, "He took it upon himself," and she gave several examples illustrating the motto. She urged each one to invest his or her life where it would count for the most. After Miss Christman's talk, Mr. Sims closed with several Chinese songs.

Last Friday the Hermiston High School Baseball team played the Echo High. The game was very exciting. The score stood 9 to 9 in the ninth inning. A bad play lost us the game, with a score of 9 to 10, but it was a game worth seeing. We expect Echo here to play us on our own field this Friday, and we hope to reverse the score.

The Basket Ball girls had a business meeting Monday, and elected Lucille Sullivan manager, and Mary Adleman captain, of next year's team.

Dorothy Holland, Lucille Sullivan, Phyllis Dyer, Margaret Neary, Mary Currie, Elda Buhmann, Mary Adleman and Zona Benschel were hostesses for a delightful party given at the Bungalow Auditorium last Friday night. The hall was beautifully decorated in spring blossoms and greenery. After games and dancing, which was the diversion of the evening, dainty refreshments were served. All had a very enjoyable time.

The work of constructing a track was considered a big job, but with the H. H. S. Student body back of them the school board last Saturday completed a fine dirt track around the athletic field. Seventeen husky H. H. S. boys on the business end of as many muck sticks put sufficient dirt on the seven trucks to amount to about seventy loads.

Although most of the day was spent in work there were times which broke the monotony such as det fights and chopping trees down having human opposums in them, but the best of all the girls of the student body prepared a splendid feed which was dispensed with during the noon hour, near the place of work. Everyone reported a good time.

Last Saturday night about twenty of Perry Jensen's school mates gave him a very delightful surprise party at his home. The evening was spent in games and dancing, after which refreshments of punch and cookies and sandwiches and fudge were served. All the young people report a very good time.

The High School tennis club wished to ask those who do not belong to the club to stay off the court unless they have permission from the manager.—Erwin Shotwell, Manager.

A pamphlet sent out by the State Department of Education in connection with the Boys and Girls Industrial Club work contained a picture of Miss Dorothy Briggs and a very interesting article written by her about her club work. She has been energetic in this capacity and has brought honor upon our school.

The West End Declamatory Contest was held at Echo last Friday evening, April 15. The representatives from the Hermiston Schools did very creditable work, winning two out of four firsts, Hollis Gordon of the high school and Pauline Voelker of the eighth grade in declamation.

### Grade News

Jeanette Plunkett was a visitor in the third grade Monday.

The fourth grade defeated Umatilla 32 to 6 in a baseball game Friday.

Dick Upham is absent from the fourth grade.

The sixth grade boys were defeated by Westland Friday by a score of 7 to 3.

The seventh grade girls defeated the Umatilla girls team 26 to 24.

Helen Palmuder won first place in the average for the six-week tests in the eighth grade with Pauline Voelker and Genevieve La Barre tying for second honors.

## IRRIGON NEWS ITEMS

SPECIAL CORRESPONDENCE

The Holmes Landing-Irrigon Ferry passed Irrigon from Pasco Monday evening and is now tied up at Mr. Holmes landing ready for service in the near future. It is expected that an opening day will be announced soon regardless of franchise to operate and the service made free until such time as papers have been duly issued. Quite considerable talk of the Boardman ferry is also heard around. The Boardman people have arranged to present their petition at the adjourned session of the Court at Heppner April 22nd it seems to be the general opinion that we should assist Boardman people in every way to get a ferry at that point also. If the business is there, there is no reason why we should object. To tell the truth, our committee is advocating more competition, the more, the merrier. We have the ferry, we have elegant roads from the North side into central Washington, we have good temporary roads from the landing on the South side and we have the Columbia Highway and fair roads to Central Oregon through Morrow county. These facts cannot be denied and it would be only fair to invite competition.

Professor Anderson went to Echo Friday afternoon to act in the capacity of judge in some oratorical contest held in the Echo school, returning Saturday morning.

Mrs. C. E. Glasgow spent a couple days in Portland last week, returning home on the early morning train Saturday.

Mrs. N. Seaman, daughter Fredie and Grandma Seaman made a trip to Pendleton Saturday, returning on the night train.

Mr. and Mrs. Chas. H. Stewart and family motored to Pendleton Friday and back the same day. They report a pleasant trip now with the good roads we have.

F. M. Pike of Umatilla was an Irrigon visitor Monday.

### MINNEHAHA NOTES

(By Loren Jackson)

Mr and Mrs. W. Platt of Portland visited at the home of Mr. and Mrs. W. H. Troutman. They came Sunday the 10th and left Thursday the 14th. Mrs. Platt is a sister of Mrs. Troutman.

Mr. and Mrs. E. J. Jackson had a dinner party Sunday in honor of their son Donald's seventh birthday. Those who attended were, H. K. Dean, Mr. and Mrs. C. M. Jackson and son Billy.

Miss Virginia Rodda spent Sunday night with Mrs. George Thom.

Dr. and Mrs. H. K. Kavanaugh motored down from Pendleton Sunday and had tea with Mr. and Mrs. E. J. Jackson.

Those who motored to Echo to attend the Declamatory Contest were: E. J. Jackson and family, C. M. Jackson and family, Mr. and Mrs. J. E. Hamer, W. A. Hinelme and family, W. G. Rodda and family, John Robert and Georgia Thom.

Mrs. J. T. McNurlan of Pendleton visited at the home of her mother Mrs. R. E. Thom Tuesday and Wednesday of last week.

William Rodda made a short visit at the home of E. J. Jackson Sunday.

Mr. and Mrs. Charles Minker and son William and his wife stopped Thursday night at the home of J. W. McElroy. They are motoring to Dayton, Washington. Charles Minker is an uncle of Mrs. McElroy.

## BUTTER CREEK ITEMS

SPECIAL CORRESPONDENCE

Mrs. Alton Bacey and Mrs. Willard spent Saturday at the home of Mrs. Bacey's mother, Mrs. L. Stewart who lives about three miles west of Hermiston.

Mr. and Mrs. E. D. Rieman, who has been visiting with Mrs. Reiman's parents, Mr. and Mrs. C. H. Shaw, have returned to their home in The Dalles.

John Ware attended the ball game in Hermiston last Sunday.

The ball game between Hermiston 7th grade and Westland 7th grade which was played at Westland last Friday was a very good game, a goodly crowd of spectators and fans were out to boost the boys along. The score was 9 to 3 in Westland's favor.

B. J. Nation was a Pendleton visitor last Friday.

Mr. and Mrs. E. P. Riep were shopping in Hermiston Monday.

Mr. and Mrs. Charles Owens of Pendleton visited at the D. H. Shaw home last Sunday. Mrs. Owens is a sister of Mrs. Shaw.

R. G. Attebury, who was taken suddenly ill last Thursday, hopes to soon be himself again. Mr. Attebury is taking treatment from Dr. Hilsley of Hermiston.

Mr. and Mrs. Tom Gavin of Prosser, Washington, drove out in their car and are visiting at the home of Mr. and Mrs. Harry Pratt.

Hugh and Miss Irene Rhea, accompanied by Miss Duncan, were among the Butter Creek fans to attend the ball game in Hermiston last Sunday.

The Jess Haney family who live three miles north of Westland are quarantined with smallpox.

The Baptist Ladies' Aid will hold an all day meeting on next Wednesday at the home of Mrs. E. H. Winnett, a mile and a half east of town. The ladies are to bring their lunches and gather at the home at nine-thirty in the morning and spend the entire day sewing and a delightful time is anticipated. In the afternoon Rev. Earle D. Sims will address the ladies.

## IRRIGON COOPERATIVE POTATO AND LON AND POTATO GROWERS

(Continued from page one)

is for the good of the promoters of this association and the community in general. The Directors are C. E. Glasgow, Hugh W. Grim, N. Seaman, M. E. Doble and Lyle D. Saffing. Mr. Seaman was elected to act as secretary-manager owing to his wide experience in handling and formation of this class of business and will not accept defeat under any circumstances. He will not however be able to take entire charge owing to his many other duties but the forms and methods to be adopted from time to time, will be divided by him, especially the selling methods and advertising propaganda. The Association will be prepared to contract with the growers for handling their products soon as proper forms can be drawn up. Either a circular will be addressed the growers or invited to attend a meeting of the Association where details will be explained. The plans at present only include car lot shipments, the smaller shipments will be left to the individuals to handle themselves.

### Weekly Highway Report

Columbia Highway—(Pendleton to Portland) Pendleton to Deschutes river, good gravel and macadam road excellent, good and fair, Deschutes to The Dalles rough, repair work. The Dalles to Mosier better, rough gravel, Mosier to Hood River good. Balance paved.

Old Oregon Trail—(Pendleton to Huntington, Pendleton to La Grande over Blue Mountains now passable, all cars going through, Union county supplying teams at bad places. La Grande to Baker fair. Baker to Huntington good except near Durkee where there is construction work.

Oregon-Washington Highway—(Walla Walla to Columbia via Heppner) Walla Walla to Pendleton all paved except six miles, keep to highway. Pendleton to Pilot Rock under construction but first part good remainder rough and dry. Pilot Rock to Heppner good dirt road. Heppner to Willows on the Columbia Highway through Ione good dirt road.

(Pendleton to Spokane) Pendleton to Walla Walla paved. Walla Walla to Spokane all good roads some excellent. Route either by Central or Lyons ferries.

(Bingham Springs Road) Pendleton to Cayuse good. Temporary bridge now in near Thornhollow allowing traffic. Thornhollow to Gibbon bad. Gibbon to Bingham good. (Pendleton to Cold Springs) By Holdman or south Springs road. Both good.

(Pendleton to Helix) Ten miles paved. Cut off to Helix from highway is in good condition. Part under construction.

(Pendleton to Burns) Pendleton to Pilot Rock fair. Pilot Rock to Albee fair. Albee to Uxiah bad. In-passable further over mountains.
