**COLUMBIA NEWS NOTES**

SPECIAL CORRESPONDENCE

Spraying for the codling moth has begun and fruit men are busy. The green aphid is very bad this year and spraying is being done for that mostly by the farm women. The pest is making its appearance on the vegetables as well as rose and shrubs.

A Calf Club for boys and girls was organized last week by Fred Bannion, County Agricultural Agent in which Dorothy Briggs who won the second prize for stock judging at the State Fair in Salem last year was chosen president and James Hall vice-president. With such enthusiastic officers and good workers chances are that more prizes will be won by the calf club this year.

A Sunday school attendance contest is being worked out by members of the Columbia Sunday school. The leaders of the two sides are Laura Phipps and Gladys Whitsett. The side failing to secure the largest attendance for two Sundays serves a picnic dinner the Fourth of July. The girls have received many promises and it is expected there will be many out to the church services each Sunday from now on.

Charles Webber, employee of the Experiment farm, was in Columbia Tuesday and Wednesday irrigating the alfalfa checks on different farms, also taking samples of the soil etc. for experiment purposes. A record of the amount of water used and the amount of hay produced will be made the same as has been done at the Government experimental farm in the past.

Young Webber has completed a four year course at O. A. C. and seems well versed in soil fertility.

At the track meet in Hermiston Saturday Columbia pupils carried away some of the honors. Martie Hannon winning first in ball throwing, Gertrude Hall and Wilma Waugaman winning second. Herbert Hall Columbia resident attending Hermiston High school won first prize in several entries, Claude Haddox winning second place.

Many parents attended the meet and all enjoyed the sports.

Mr. Wm. McQueen and Miss Clare Kersting were dinner guests at the home of Mrs. Geo. Beddow Sunday.

Many friends and neighbors regret the accident which befell the youngest son of Mr. and Mrs. Harold Reid last week. In alighting from the school bus he slipped and fell, the vehicle passing over one of his limbs crushing it badly. It is hoped the accident will not inconvenience him greatly and he will soon be in school again.

Mrs. Susie Boyes will spend the week end at the home of her niece, Mrs. Walter Blessing of Hermiston.

Mr. and Mrs. Gus Linder and Mrs. Susie Boyes made a round trip to Pendleton Saturday.

Mr. Ray Challis and wife and Mr. Henry Sommerer, wife and baby visited the county seat Saturday.

The Neighborhood club will meet at the home of Mrs. August Linder east of the Erie Oregon Fruit farm Wednesday, May 11th. It is desired that there be a large attendance as business of importance will come up.

A baby girl was born to Mr. and Mrs. Charlie Bartlett Saturday, April 30.
