The Ideal Purgative
As a purgative, Chamberlain's Tablets are the exact thing required. Strong enough for the most robust, mild enough for children. They cause an agreeable movement of the bowels without any of that terrible griping. They are easy and pleasant to take and agreeable in effect.

Baptist Notices
R. V. Ashmun, minister. Sunday school at 10:00 o'clock. Our attendance is climbing each week. Come, do your bit.
Junior B. Y. P. U. meets in the basement during church hour. Bring your children to Sunday school. Attend church while they are in their junior meeting.
The senior B. Y. P. U. will hold a social at the church basement Friday evening at 8:00 o'clock. A full program of games have been planned. A cordial invitation is extended to the young people above the 7th grade. Come and have a good time.

Senior B. Y. P. U. will meet at 7:00 o'clock Sunday evening for their regular meeting. Miss Rhodes will lead. Topic, "Thy Will Be Done III With My Mind." The young people of the community are cordially invited to this meeting.
Morning service at 11:00 o'clock, theme, "Small Things Count."
Evening theme, "Out and Out Christians."
A Christian welcome is extended to all.

Fowlers Entertain
Mr. and Mrs. Frank Fowler entertained 23 of their old west side neighbors Sunday afternoon.
In due time the hostess served ice cream and cake. All departed for their homes, voting Mr. and Mrs. Fowler to be royal entertainers and wish to spend many more such times with them.

C. E. Sawin left for Chicago Tuesday via Spokane. He bought a round trip ticket and will only be gone a short time.

No Substitute Offered
Say what you will about druggists offering something "just as good" because it pays a better profit, the fact still stands that ninety nine out of a hundred druggists recommend Chamberlain's Colic and Diarrhoea Remedy, when the best medicine for diarrhoea is asked for, and do so because they know from what their customers say of it, that it can be depended upon.

Green Apple Collywobblers
and many other of the large variety of disturbances popularly and widely known as summer complaints are due largely to maldigestion, particularly to fermentation in the alimentary canal.

Nyal Milk of MAGNESIA
is helpful as a preventive and as a remedy for fermentative digestive disturbances correcting acidity and assisting in the elimination of offending substances.
Safe for infants.
