IRRIGON NEWS ITEMS

SPECIAL CORRESPONDENCE

The first week of school average of attendance was 65 a slight increase over last year. The pupils are arranging to fix the old school building over into suitable quarters for playing basket ball. The partitions are to be taken out as well as the ceiling. The boys figure they will be able to do most of the work themselves and some have volunteered to help the boys with the necessary carpenter work, making no cost to the district.

The ladies aid society gave a basket social in the church Friday evening. The returns are to be used for payments on the piano recently purchased by the ladies for the church. A good time is reported by those who attended.

Quite a number of Irrigon people attended the field meet Saturday, September 10 at Hermiston. Among those taking part who report having had a good time, were Prof. Grover, Miss Anna Ellerton, Mrs. Lester, Mr. and Mrs. Fagerstrom, Mr. and Mrs. Hessecock and others.

Mr. and Mrs. Dayton Lameroux spent the week end at Boardman with his brother.

Mr. and Mrs. W. L. Suddarth are driving around in a new Ford these days. It is one of the self-starting styles with shock absorbers, etc and they promise fast time going and coming between their place and the school in the Butter Creek country where they are both teaching again this year.

At the regular meeting of the commercial club Friday evening, it was decided to have a sign put up on the highway opposite the lumber yard pointing to our auto camp grounds, and worded, "Auto Camp Grounds." We have a very desirable location for tourists to camp and nice shade and only lack the building of some conveniences which the club decided must be made in the spring. It was the opinion of the members that necessary action should be taken to advertise the grounds and put them in shape second to none on the highway before 1925 fair traffic. It was also decided to have a sign put up on Washington side of the ferry, reading "Irrigon."

Mrs. Wm. O. Shields, who has been visiting her sister Mrs. Chas. Dempsey for several weeks, returned to her home in Anniston, Ala. Monday. She went via Portland visiting Mrs. Leono Listers, Mrs. Dempsey's daughter a few days at Portland from which her passes read via the northern route.

Mr. and Mrs. Henderick and family have motored over to Granger, Wash. where they are spending the apple picking season in camp, picking apples.

Very good tree run apples can be had at very low prices now at J. W. Warners, D. A. Dobles and Mrs. Watkins. Some probably at Grims and Glasgows also. Bring your containers.
