After Two Years of Suffering, Four Bottles Restore This Man to Fine Health

Mr. O. L. Parrott,
3319 East 9th St. S. E.,
Portland, Oregon, Writes:

For two years I had suffered from a severe
case of stomach trouble, lumbago and rheumatism.
After meals I suffered such pains in the
pit of my stomach I could hardly stand it and
sometimes got so bad as to just had to lie down.
My strength all left me, I didn't seem to have
a particle of energy and I could never get a
good night's sleep. I always felt so tired and
worn out I could hardly stay up.

I just suffered agony from lumbago when I
stood over my arms and knees, in fact all of
my joints hurt so badly at times I could
hardly walk and my arms got so stiff and ached
so badly that I could hardly raise my hands to
comb my hair.

Well, I kept on reading about BARK ROOT
TONIC, how it would assist Nature and build
up your system, until I finally decided to try it,
and it certainly proved to be a lucky decision
for me.

Why it was almost no time after I started
taking BARK ROOT TONIC until I was much
improved, and after taking my fourth bottle I
can say that it has put me in fine health again.

BARK ROOT TONIC
A Mild Laxative; A System Builder
Constipation is the cause of most ailments.
If your system is in a weakened condition
through constipation, showing that Nature has
lost its hold, let a good Tonic such as BARK
ROOT TONIC assist Nature and restore your
good health.

P. N. U. No. 42, 1921

STATE NEWS IN BRIEF.

Salem.—The Marion county court at
a meeting held here Friday authorized
Oscar Bowers, sheriff, to employ an
additional deputy, who shall have
charge of the liquor law enforcement
department.

Marshfield.—The shingle mills have
started operations on Coos bay this
week, one on the Buehner Lumber
company property at North Bend and
the other on the Smith holdings at
Bunker Hill.

Banks.—The first annual consign-
ment sale of the Washington County
Holstein Breeders' association was
held here Friday as one of the lead-
ing features of the hog and dairy show,
now in progress.

Salem.—Charles A. Johns, recently
appointed from the Oregon supreme
court to a post as associate justice of
the supreme court of the Philippine
islands, married Miss Elizabeth Busch
of Portland here at 5 o'clock Friday.

Prineville.—Last Wednesday a
stock-judging contest was held between
Redmond high and Crook County high,
with the local high winning the con-
test, the score standing 86.64 to 90.46.
Professor Elliott, state supervisor of
vocational education, was the judge.

Salem.—The Oregon public service
commission has authorized its grain in-
spection department, with headquar-
ters in Portland, to establish branch
hay inspection plants at Stanfield,
Umatilla, Boardman, Messner, Peters,
Hermiston and Irrigon.

Tualatin.—In the Tualatin valley are
from 3000 to 4000 acres of beaver
dam land. Of this soil about 400 acres
centers about Tualatin, and from these,
since this autumn has been free from
the rains that cause mildew, they are
harvesting a wonderful onion crop.

Dallas.—The best county fair in the
history of Polk county is the verdict of
the large crowds that attended that
annual event here last week. Friday
more than 5000 persons paid admis-
sion into the grounds and today's at-
tendance is estimated to be even larg-
er.

Klamath Falls.—Work on clearing
the right-of-way for the Jenny creek
to Hayden creek stretch of the
Klamath Falls to Ashland highway is
progressing rapidly. Contract for con-
struction of this portion of the road,
18 miles, was recently let to the John
Hampshire company.

Dallas.—The county court has called
a special election to be held in Polk
county on November 8 to vote on a
special tax levy of \$70,000 for road
construction and maintenance in 1922.
Without this special levy the court
contents that no new roads can be
built next year owing to the tax limi-
tation of 6 per cent.

Klamath Falls.—Local banks are
able to finance handling of crops and
purchase of feeder stock for all farm-
ers who can give usual security. This
was the expression of representatives
of the three banks, at a conference
with George Mansfield, president of
the state farm bureau, and other rep-
resentatives of farm interests.

Eugene.—For the first time in many
months a car shortage on the Southern
Pacific line has been felt here. J. O.
Holt, manager of the Eugene Fruit
Growers' association, said Saturday
that it is now difficult to obtain cars
on time in which to ship apples and
canned goods from the local cannery
and the shipments are now four or
five cars behind.

Salem.—Financial statements re-
ceived at the offices of Frank Bram-
well, state superintendent of banks,
disclosing the condition of the 286
banks operating in Oregon at the
close of business September 6, 1921,
showed an aggregate decline in re-
sources of \$50,161,509.19 since a pre-
vious compilation bearing a date of
September 8, 1920.

Gold Hill.—That Gold Hill is the
limestone center of the state is evi-
denced by the fact that the little min-
ing town on the Rogue is the banner
shipping point on the Southern Pa-
cific railway in Oregon, excepting
Portland. These shipments include
both incoming and outgoing freight,
which is made up mostly of limestone
and its finished product.

Medford.—The development of a new
and valuable prune which may mark
a new epoch in the prune industry of
Oregon was announced Friday by Pro-
fessor F. C. Reimer of the Talent ex-
periment station. The new product is
a French prune twice as large as the
normal French prune, something that
prune growers have long been hoping
for, and is the result of grafting ex-
periments started by Professor Reimer
in 1914.
