To Gain a Good Reputation

The way to gain a good reputation is to endeavor to be what you appear. That is precisely the manner in which Chamberlain's Cough Remedy has gained its reputation as a cure for coughs, colds, croup and whooping cough. Every bottle that has ever been put out by the manufacturers has been fully up to the high standard of excellence claimed for it. People have found that it can be depended upon for the relief and cure of these ailments and that it is pleasant and safe to take.

How Better Than Pills?

The question has been asked—In what way are Chamberlain's Tablets superior to the ordinary cathartic and liver pills?—Our answer is, they are easier and more pleasant to take and their effect is so gently that one hardly realizes that it is produced by a medicine. Then, they not only move the bowels but improve the appetite and strengthen the digestion.

I have just bought the Phelps Cash Grocery and will carry a full line of vegetables, meats and groceries. A delivery service started October 1st, at which time our line of meats were ready. We will continue the Royal Bakery goods.
