ECHO VOTES TAX LEVY FOR ROAD

BUTTER CREEK HIGHWAY MEASURE CARRIES 44-14

Tax Payers Disregard Bad Weather and Vote Anyway; Work May be Started Soon

Echo News
 Echo will have a good road to Butter Creek, if determination and willingness to spend their money to obtain it counts for anything. This

was demonstrated Monday afternoon when 58 owners of real estate in district 18 plowed through the deep snow to cast their ballots at the special road election. Although the roads were blocked for automobile travel, farmers made the trip on horseback, on improvised sleds and in wagons, to cast their vote. Only 14 votes were against the special 10 mill levy and 44 in favor.

At the organization of the road meeting F. T. George was selected as chairman and J. Frank Spinning as secretary. Thomas Ross and F. T. George were chosen judges of the election and Jas. Bottger, John Dabeny and R. T. Johnson, acted as clerks. The election was held from

one o'clock to five in the afternoon. In accordance with the state law the returns of the election will be filed with the assessor before Dec. 1, and he will enter the levy on the county tax roll. The 1921 law provides that as soon as the levy is entered on the roll the county court shall appropriate the amount of the tax from county funds, and deposit the same in a fund for construction of this road. It is hoped that work can be started on the road soon so the road will be available for use during the heavy freighting season next fall.

Mrs. Laura M. Hoyt Recommends Chamberlain's Tablets

"I have frequently used Chamberlain's Tablets, during the past three years, and have found them splendid for headache and bilious attacks. I am only too pleased, at any time, to speak a word in praise of them," writes Mrs. Laura M. Hoyt, Rockport, N. Y.

X-Ray Detects Swallowed Coins.

In the government mint in Japan an X-ray machine is used to examine suspected employees as they leave the establishment daily, and it has revealed the presence of coins that had been concealed in the guilty one's stomach.

Autographic Brownies

FRANKLY we consider the Autographic Brownie one of the "best buys" that our photographic department has to offer—and that is a real tribute. Any one, however, can see value plus, price considered in an efficient picture-maker fitted with carefully tested lens and shutter that folds like a Kodak, and like a Kodak has the autographic feature.
